KOKOMO HIGH SCHOOL

KOKOMO, INDIANA

THROUGH THE YEAR

Two thousand one hundred nineteen students will agree that 1956 was a busy year at KHS. Perhaps it was a lot like any other year—we elected officers, worked on publications, studied hard, and cheered the Wildcats on to victory. However, there was a difference. The officers we elected were members of our class, the publications bore our names, and the Wildcats, fighting on the athletic fields, were our classmates. All of these things we did together—we shared defeat and victory, good times and bad. Thus, as you turn these pages, remember that the story we are about to tell you is of the year '55-'56, our year at KHS.

AT KOKOMO HIGH SCHOOL

Coming and going, we found this to be a familiar scene throughout our days at KHS.

Nearly all outdoor athletic events took place in the vicinity of Kautz Field.

Students found the walk from the Vocational Building quite invigorating on cold mornings.

The Memorial Gymnasium was a hub of activity during the winter months.

*September brought the school year in
With greater "goals" held high,
But our "points after touchdown" often failed
As we gazed at the days "rushing" by.*

*Our long "lines" "blocked" the bookstore,
And we heard above the roar
The cry of a frustrated freshman
For help with his locker door.*

*With summer soon a memory,
And next month drawing near,
We drew up our "plays" and "signals"
And settled "down" for the year.*

We Bought Our Books

The bookstore always seemed jammed when new books were needed.

Kent Blacklidge, Kay Kelly, and Jerry Hartley gave us many interesting facts on High School Carousel.

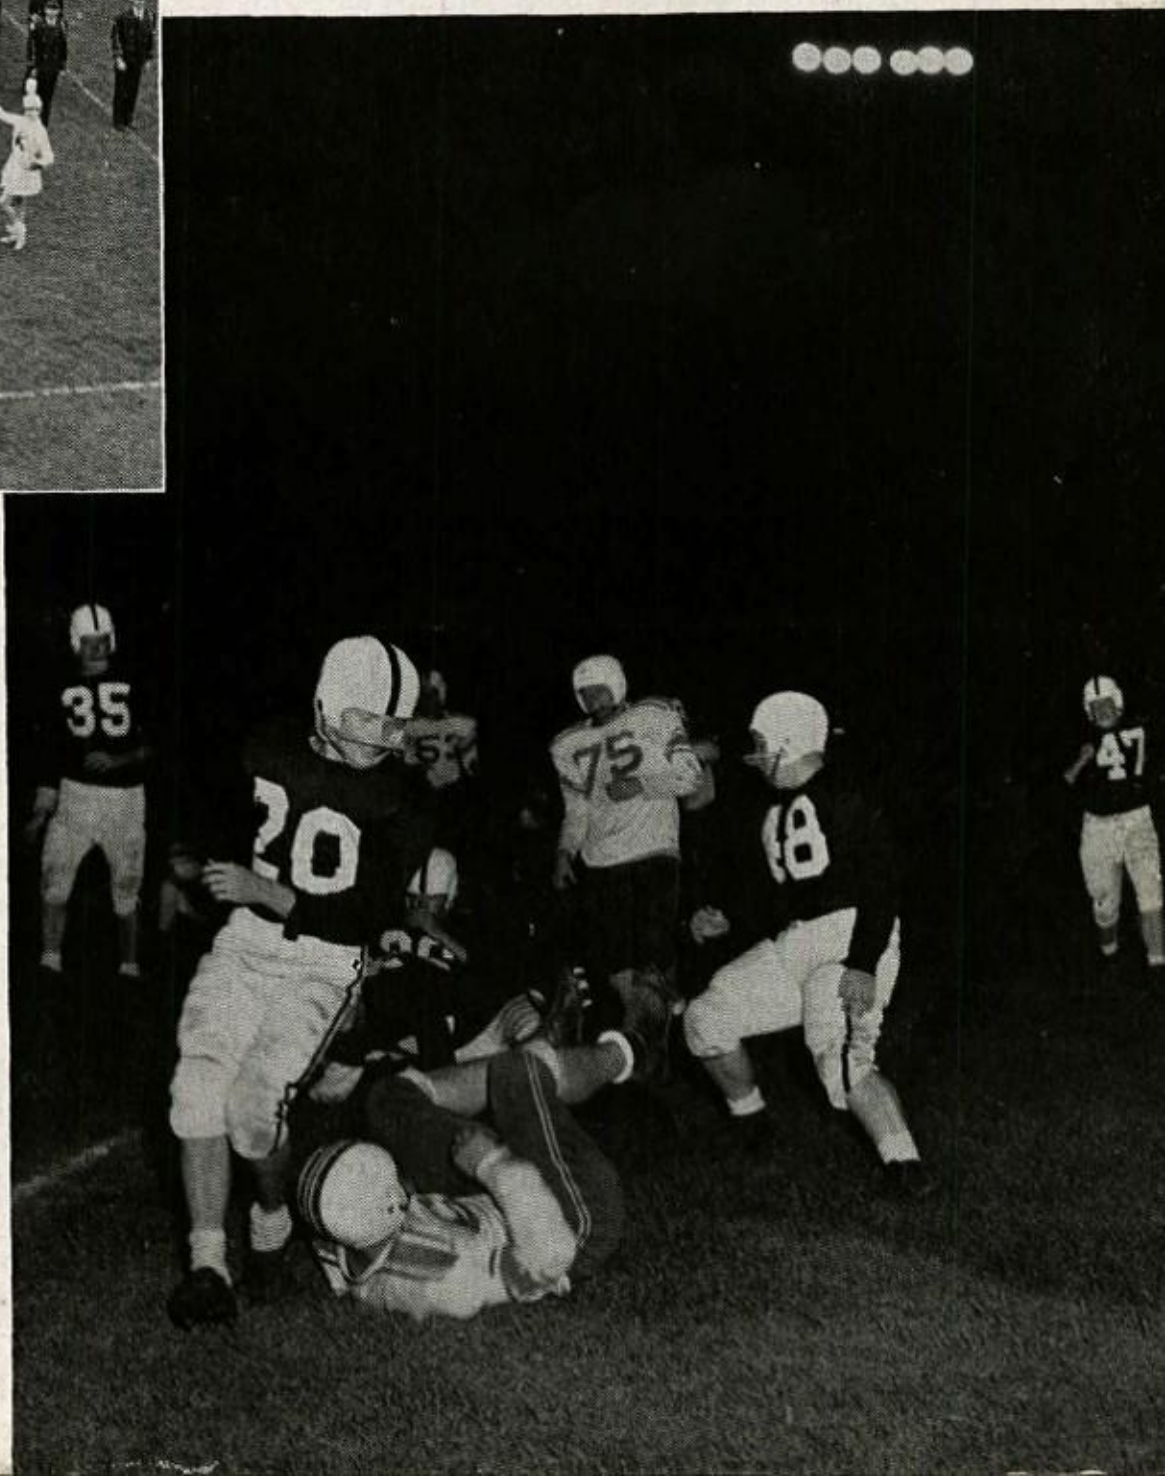

and Football Tickets . . .

The Band displayed much skill in their marching formations.

Football gave thrilling action to brisk autumn evenings.

*October came before we knew,
With books and tests and all;
And after six-weeks' grade cards,
Our homework loads grew tall.*

*But all our minds weren't on our work,
Each eye was on a star
Of the Autumn Prom's gold stairway
As it glittered from afar.*

*Then we combined both work and play
When "All Saints' Eve" rolled 'round;
We found the windows all decked out
When Palette Club work was found.*

... And Entered into

the Many Activities

Hundreds applauded as Paul Conwell and Judy Kessler led the grand march at the Autumn Prom.

NOVEMBER

*November totaled football
To a bright and blazing sun
With the N. C. C. crown pocketed
And basketball to come.*

*Dramatics took up lots of time,
And practices were rough;
But when the curtain finally rose,
Our know-how showed its stuff.*

*This month we had Thanksgiving,
Counting blessings piled so high
That by the time we'd listed them,
November had passed by!*

We Became Familiar

with Life at KHS as . . .

Cold November often found us watching a basketball game in the Memorial Gymnasium.

The Dramatic Club play gave us a peek into the private life of Abraham Lincoln.

... Christmas

*December was a magic month
Of "peace on earth to men";
The Christmas tree was lighted
In our bright front hall again.*

*Santa visited the gym
With candy canes for all;
And parting strains of "Silent Night"
Still lingered in each hall.*

*Our happy holiday spirit
Built up as Christmas came,
But seniors knew that years to come
Would never be the same.*

Sharon Hubbard, Edith Mugg, Maryellen Bush, and Sue Durham used some of their spare time to wrap Christmas presents.

December's icy blasts failed to cool our enthusiasm for our little red school house.

Climaxed the First Semester

Members of the Choir led the school in the singing of Christmas carols before dismissal.

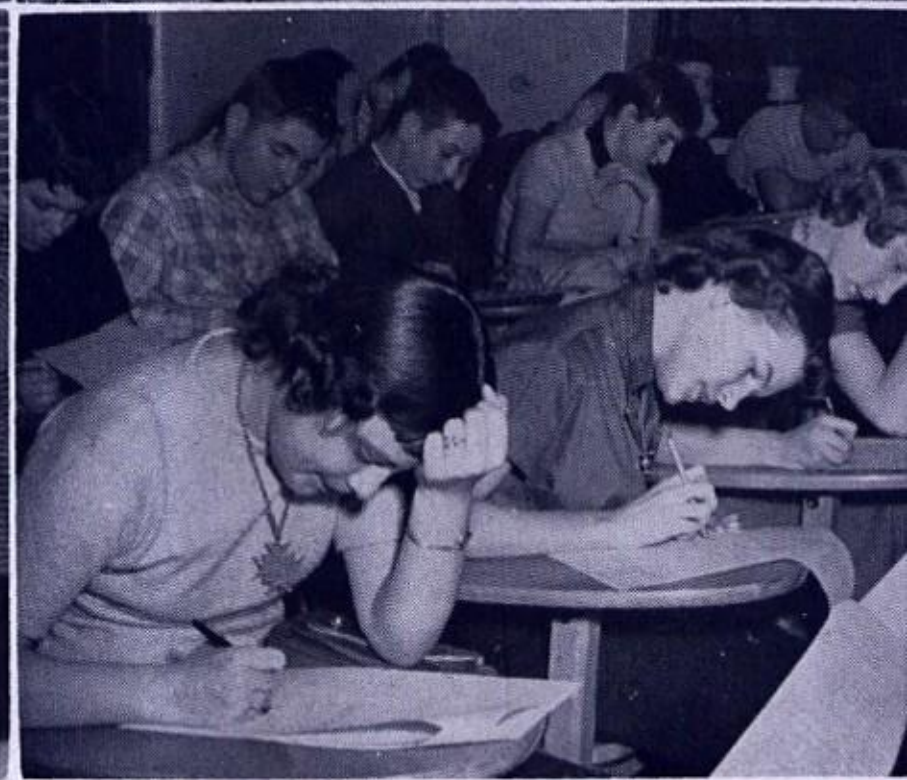

The Final Exams

*"January to December,
These are moments we remember's
New Year's Eve and ringing bells;
Tourney time with lots of yells;*

The "snowballs" seem to be made of rubber. Nevertheless, the Snowball Dance was a big success.

It walks, it talks, What is it?

Carolyn Catt, Lura Branch, and Nancy Dwiggins seem quite proud of their snowman.

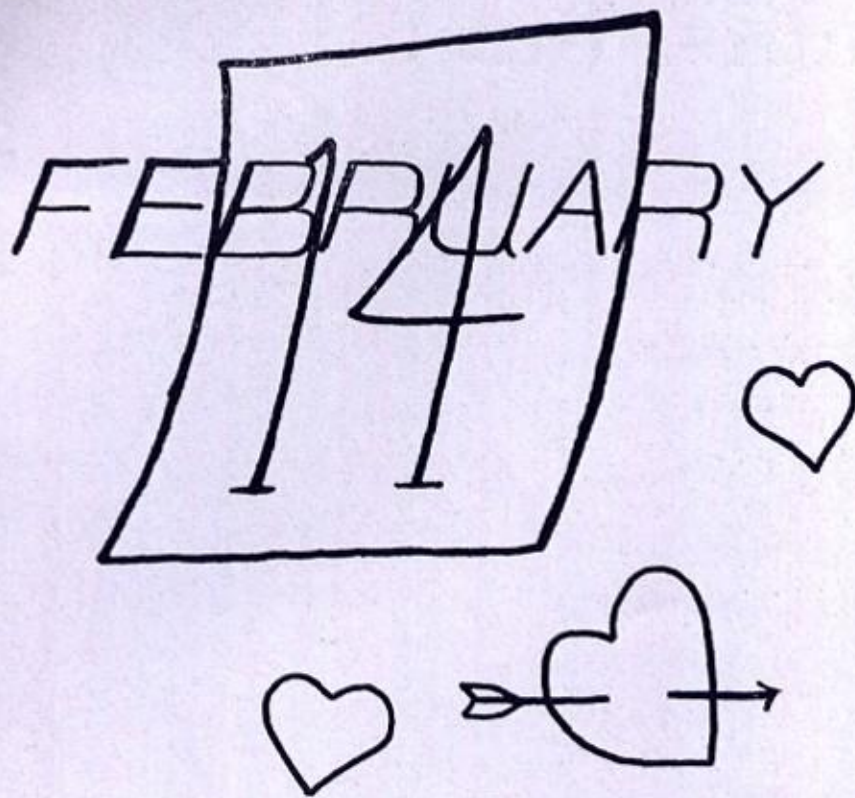

Exams are an awful strain!

Gave Us Our Doubts, But . . .

*Reference books that weighed a ton
To get that last term paper done;
Snowmen, "Snowballs," parties galore;
Skating and skiing that made use sore;
Semester exams to struggle through
When there were "better things" to do;
Happiness, laughter, heartaches, tears:
"Memories are made of this," it appears.*

Judy Tubbs, Judy Mock, Bill Bassett, and Daisy find that studying in a group has its advantages.

*"Hearts and Flowers," "Love in Bloom,"
This month + leap year = any boy's doom.
Valentines, candy, flowers, and kisses,
These are remembered by K. H. S. misses.*

*"Carousel," storybook, let's bring them back
With "Can-can," and football, and "Ballin', the Jack";
Smile big, kick high, and watch for your cue;
Of course you'll remember the Hullabaloo.*

*We did it again, as you can see,
The Wildcats are champs of the N. C. C.;
But Sectional plans just didn't klik.
Let's go on to next month, and quick!*

. . . Spring Vacation

*March brought in a "lion's share"
Of things for us to do:
Our books, lessons, and homework,
And Senior Class Play, too.*

*Basketball's all over
Since the Has-been Will-be game,
But spring's brought out some other teams
With out-door sports their aim.*

To reign throughout the day;
She and her court of beauties
Gave Relay winners their pay.*

With spring fever drawing near;
And many a classroom discussion

CLASSES

People at KHS enjoyed learning and practicing the three R's this year. New subjects and more modern classroom facilities added much to the school program. Within the walls of our high school, we gained the knowledge and skills that will help to make us useful citizens of tomorrow—future doctors, lawyers, mechanics, teachers, secretaries, and homemakers.

The pages in the following section have recorded the story of that progress toward the lamp of learning which united us in all of our efforts.

The library supplied an abundance of material for the students.

Library - "Silence Please!"

Our school library might well be called the "service center" of the school. It is used constantly by students in search of material for book reports, class reports, and various references.

This year a new system was initiated whereby the library went to the classroom instead of vice-versa. The mobile book units were very convenient, especially for use in the vocational building.

In gathering other information, we find that our library contains approximately 8,500 books and subscribes to 75 magazines and 2 newspapers.

Another pleasant addition to the library this year was the mint green venetian blinds, which gave the room a tranquil atmosphere.

Mrs. Ruth Gosma is our school librarian, assisted by a competent staff of students.

Jack Longfellow shows the class that Latin inscriptions are found everywhere from band hats to the dollar bills held by Marilyn Clark and Barbara Simpson.

Language - "Fiat Lux!"

"Britannia est insula. Europa non est insula." So starts the first Latin lesson. From these first simple sentences and the unforgettable "te amo" to conversational Latin and the study of Caesar's Gallic War goes the course of study in Miss Helen Railsback's Latin classes. Other students are gaining a knowledge of Spanish and French under the guidance of Miss Ruth Campbell and Mr. Urban Steckler.

The Romance languages may not seem very romantic to the pupils struggling through the intricacies of verb conjugations, but there is a real thrill in being able to translate smoothly a story written in a foreign language.

Besides being helpful in later life, the study of any foreign tongue in an informing as well as an interesting way to learn the history of the country and the customs of the people. Valeo!

Jack Brown regulates the tape recorder while Barbara Vess talks to the speech class.

English - "Ablative Absolute"

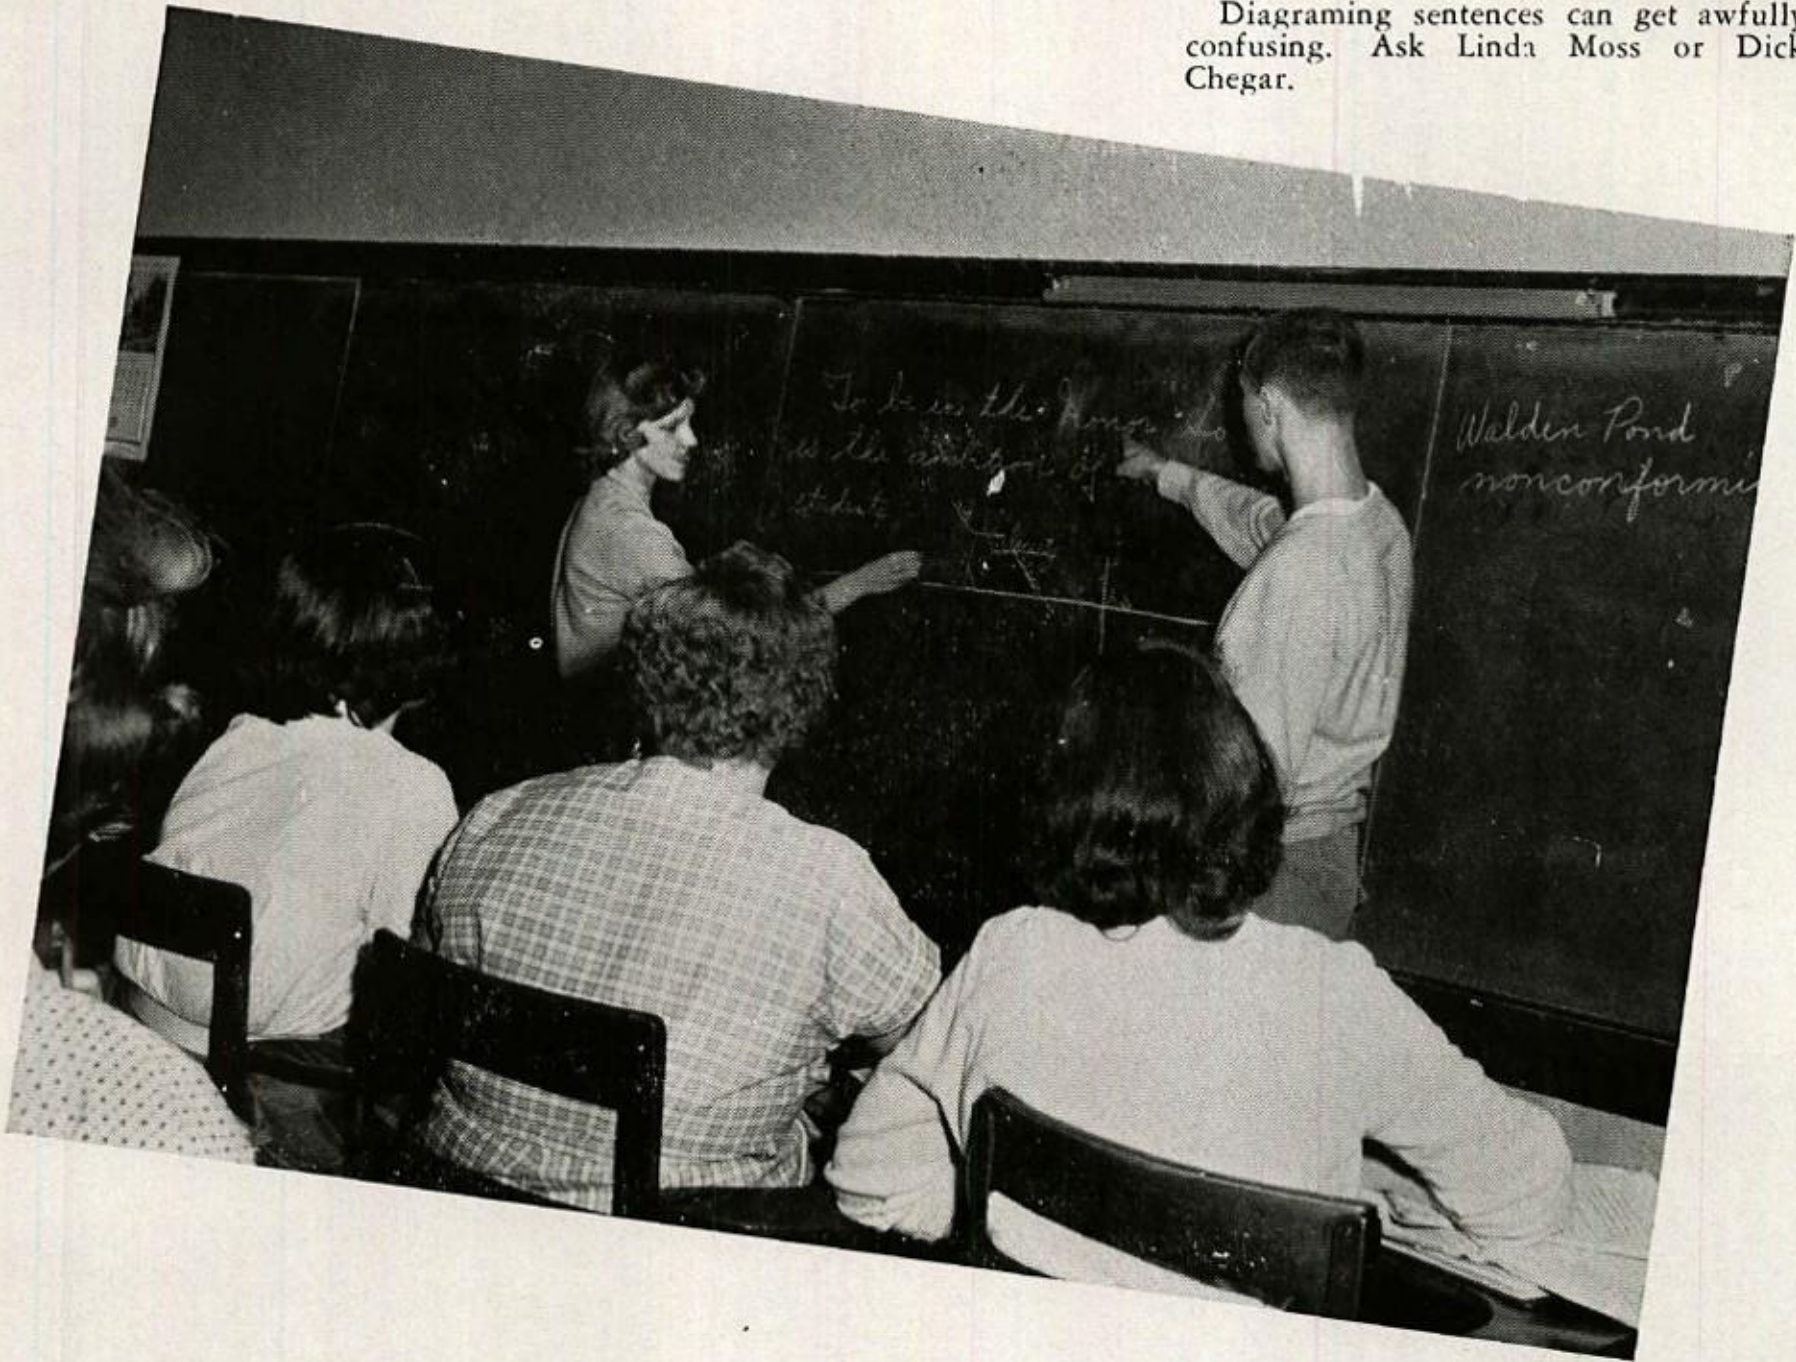

Sally Pyle has written a paper which Miss Helen Kay seems to think is worthy of being read in class.

In today's complex society, it is vitally important that each person be able to convey effectively his thoughts to others. Teachers instructing English and speech classes realize this need as they strive to improve written and oral communication.

The English department, headed by Miss Elizabeth Handley, offers each KHS student a thorough foundation in English. The freshman begins the study of English mechanics, such as spelling, punctuation, the parts of speech, and diagramming. In his sophomore year the student becomes acquainted with the American heritage in the field of literature. The junior

course delves into English literature and is highlighted with the study of Shakespeare's writings. In composition, the senior composes themes, studies letter-writing, and climaxes his high school English career by writing a 2,000 word term paper.

The student seeking additional training may enter the speech course where the skills of speech-writing and parliamentary procedure are acquired.

In addition to their teaching duties, members of the English department sponsor *Sargasso*, *Red and Blue*, dramatics, Speech Club, and the Hullabaloo.

Math - "Locate the Spherical Triangle."

Because mathematics is essential in many fields of endeavor, the Kokomo High School mathematics department, headed by Mr. Lee Dixon, offers the students a broad and integrated foundation in this course. As the student advances from beginning algebra to plane and solid geometry, and on through advanced algebra and trigonometry, he finds the problems becoming more complex. Thanks to the able instruction of the KHS math teachers, the student finds himself more capable of handling involved equations and intricate graphs. As the senior completes the course in trigonometry, he is well-prepared for the higher college math courses. As the graduate general math student knows, he is prepared to meet future problems, such as reading blue-prints or income tax forms.

Roger Bess locates the spherical triangle that Don McCoy describes from the text.

Science - "Explain Young's Modulus."

Let's take a trip through the KHS science department. In the biology classes students become familiar with such terms as osmosis and photosynthesis as they view the microscopic world of the amoeba.

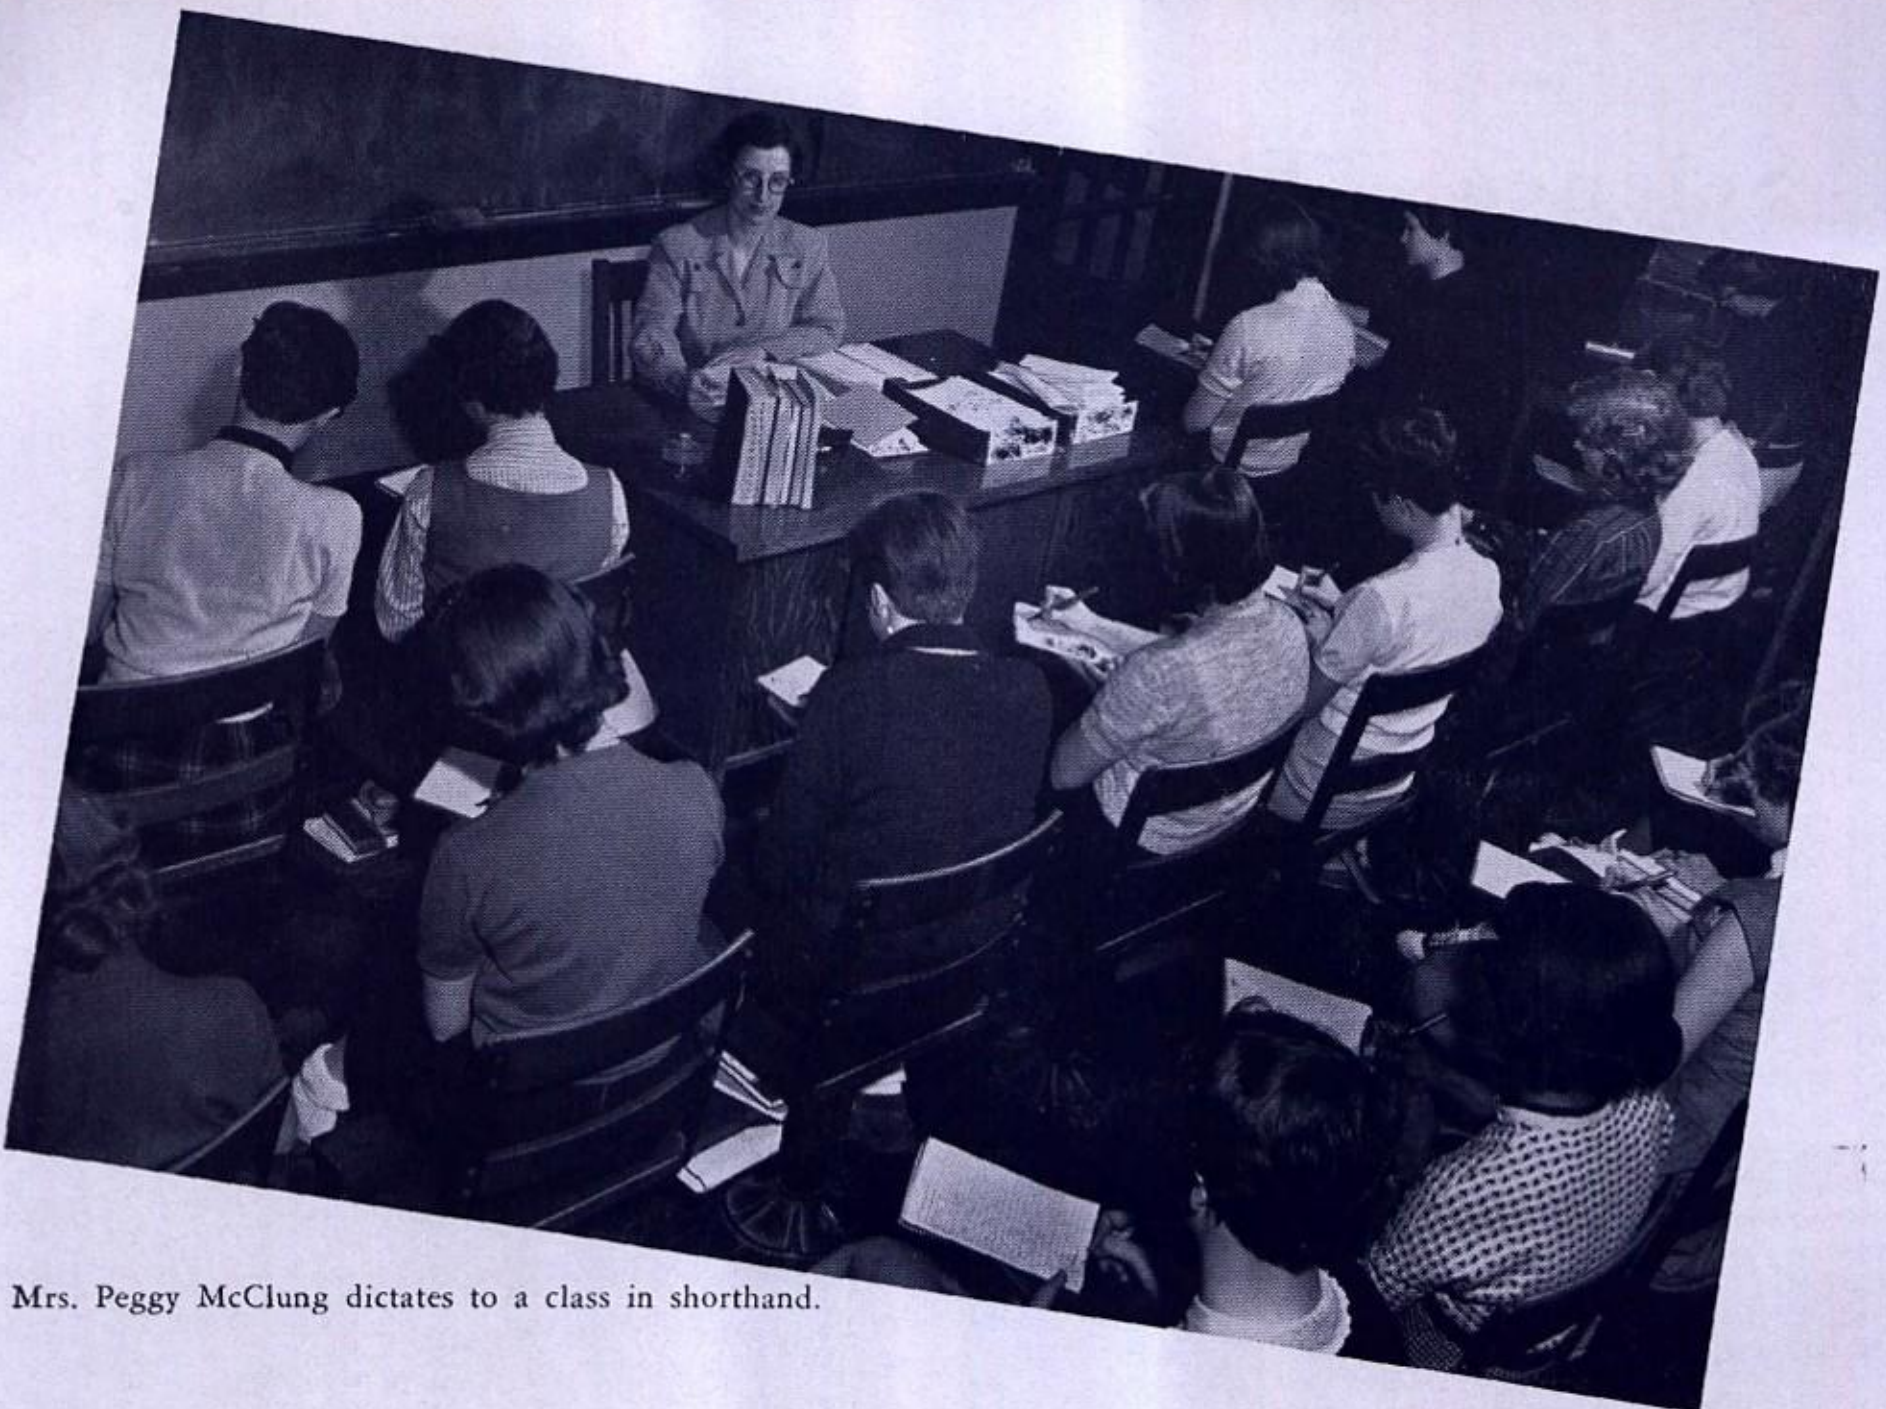

We now proceed to the physics laboratory. Here students watch electricity jump gaps, measure the force of a .22 caliber bullet, and listen to synthetic musical sounds.

Within the walls of the chemistry lab are concocted some of the world's evillest smells. However this is where the chemists of tomorrow balance equations and study atomic theory.

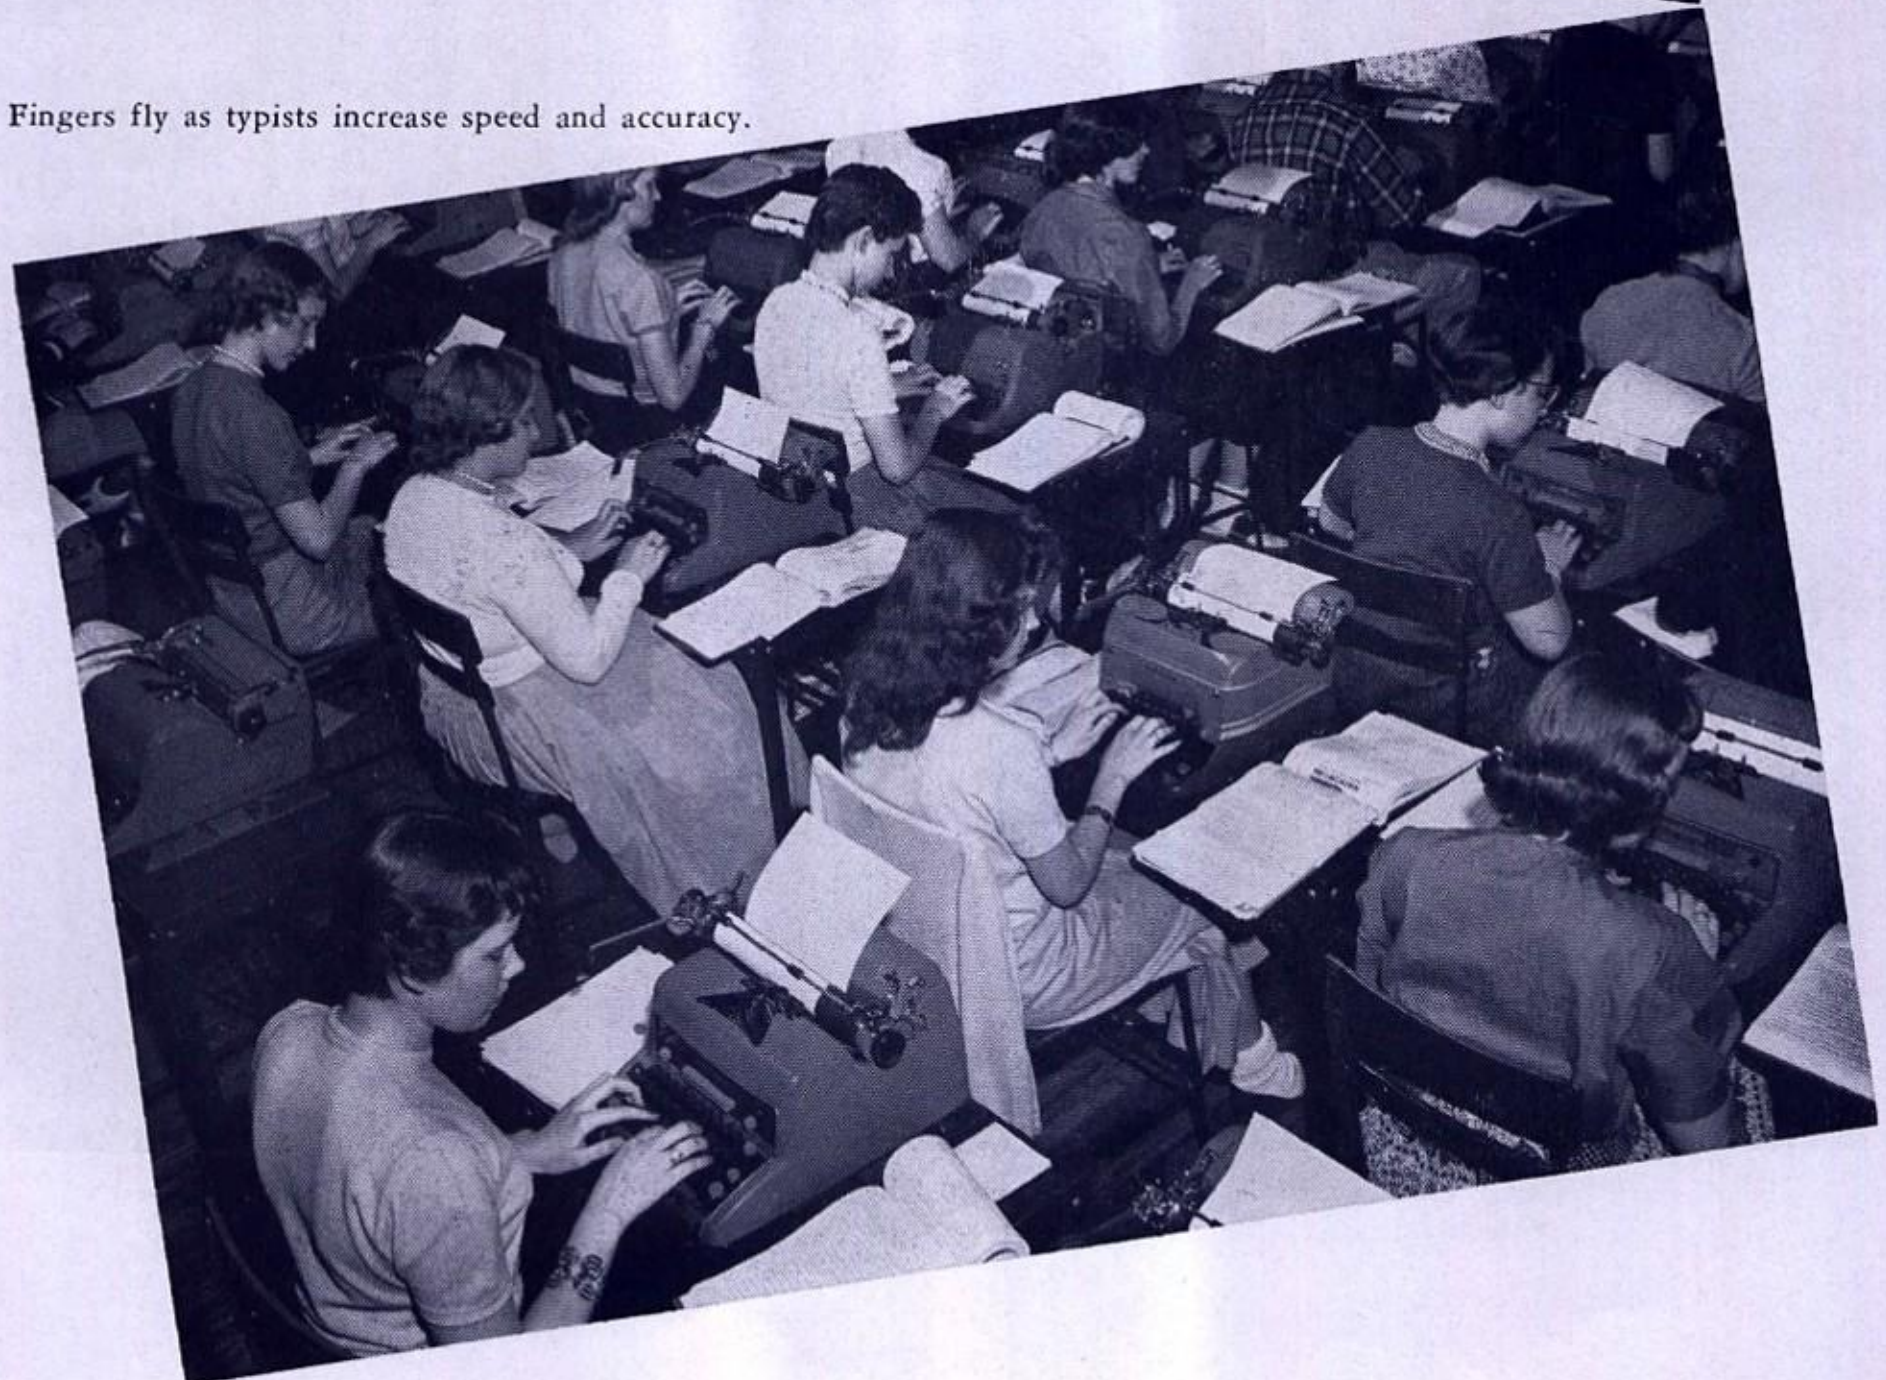

KHS can be justly proud of the science department headed by Mr. Lee Dixon. In this technological age the need for scientists is being emphasized. It is therefore comforting to know that KHS is furnishing its share of future technicians.

Bill Cavanaugh records the data as reported by Marjorie Nelson while Richie Elkins and Larry Miltenberger check for accuracy.

Mrs. Peggy McClung dictates to a class in shorthand.

Commercial Department

KOKOMO HIGH SCHOOL

KOKOMO, INDIANA

Dear Students:

When a Kokomo employer wants someone with commercial training, he asks the KHS commercial department for recommendations. In the past this department has been turning out stenographical wonders; and this year, with 20% of the senior class within its ranks, is no exception. There are two branches of training, stenographic and bookkeeping, to prepare students for future office work. A staff of eight competent teachers maintains the high departmental standing.

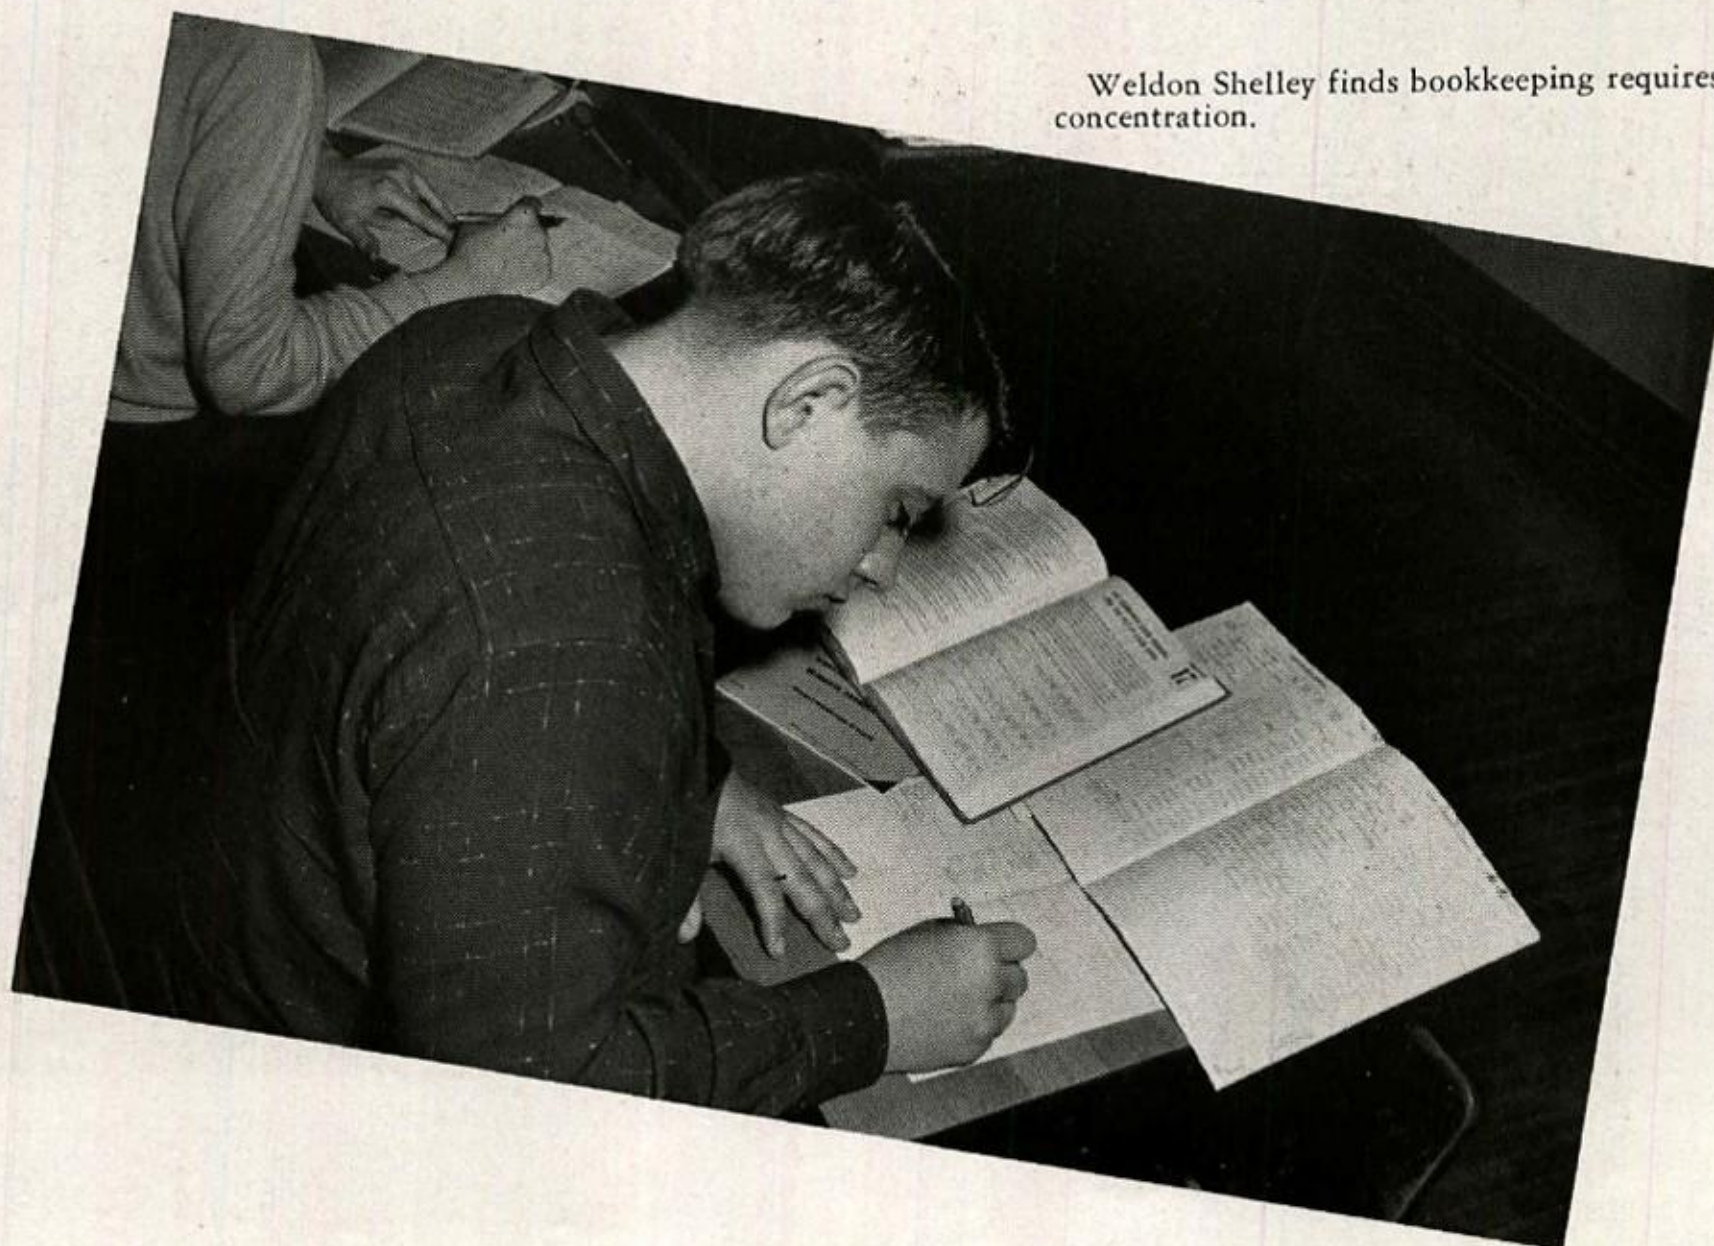

Sincerely yours,

Russell Bratton

Vocational - "T - Square . . .

One of the newest and most modern vocational buildings in the state is the Haworth Vocational Building. Here KHS students are training to be the mechanics, draftsmen, wood-workers, printers, and machinists of tomorrow. The modern facilities house first-rate equipment.

Those in auto-mechanics and radio get practical experience repairing cars and radios in addition to textbook instruction. The arts and crafts classes make jewelry, trays, and various other items from metal, wood, and plastic. The objective of the vocational program is to co-ordinate academic knowledge with manual skills.

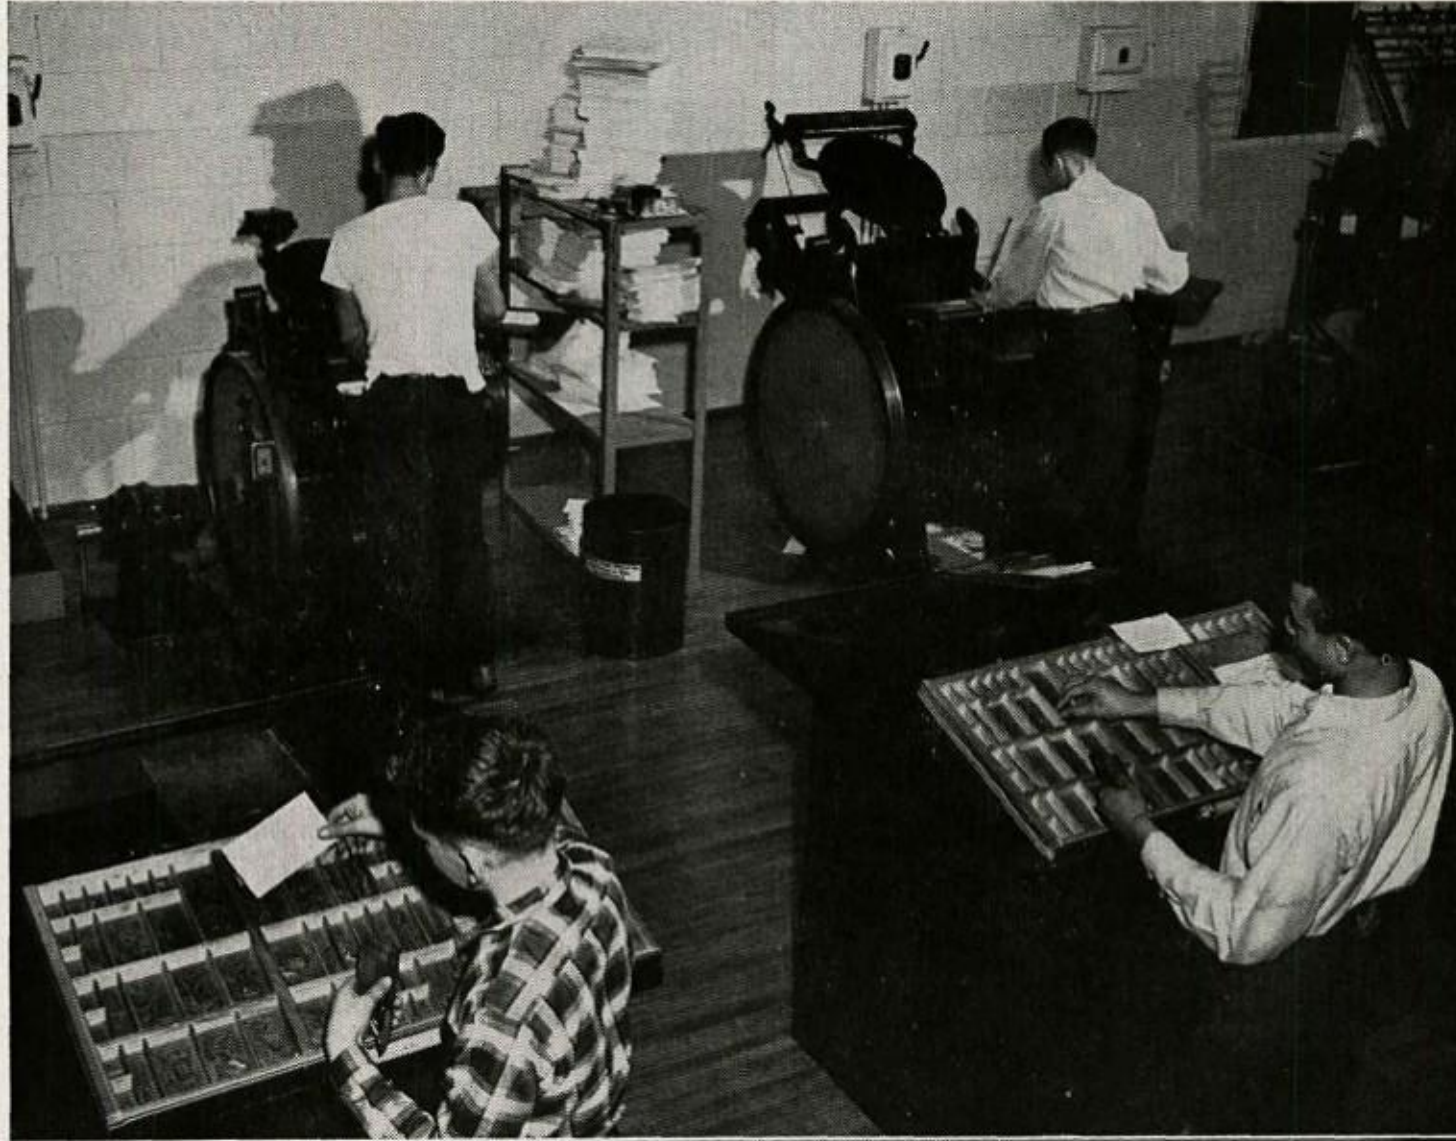

The importance of vocational programs in this technological age is greatly increasing, and Kokomo High School is justly proud of its well-equipped vocational department headed by Mr. Alfred A. Himelick.

Gym classes offer opportunity for physical development.

Phys. Ed. - "Running and Driving"

Students master driving under some of the worst weather conditions.

"Up and at 'em!" shouted the gym assistant as the guys and gals learned tricky stunts, sporting rules, and ways to keep physically fit and trim in gym classes. Approximately 240 girls were instructed in the art of swimming and life-saving.

Rules of the road and their application were subjects of study in driver training classes. Soon even the most unmechanical minded miss could easily change a tire. Through this training future citizens may become better and safer drivers,

First Aid prepares girls for accidents or home emergencies.

Guidance - "Mental and Physical"

Freshmen discover themselves and their relationship to others in orientation classes.

"'Dem dry bones," the circulatory system, and the senses were a few of the subjects of discussion in freshmen health classes. Here we learned just what makes us tick.

"Where do I go from here?" described the feelings of befuddled freshmen as they tried to learn the ropes at KHS. Orientation classes aided new students in high school adjustment, choice of a career, and character development.

Physical fitness, healthy bodies, school and life adjustments, and codes of the roads—these are a few of the benefits we gained through classes in KHS.

Home Ec. - "Oh, for an instant mix!"

Margaret Martin and Arlene Stock learn the fundamentals of being a good hostess from Miss Bernice Doody.

Someone once said, "The way to a man's heart is through his stomach." If that statement is true, the girls taking the home economics course in cooking have nothing to worry about.

However, the ability to prepare an appetizing meal is not the only talent which these girls possess. They also learn the art of sewing. This year a special problems class in tailoring was offered in which suits and coats were made.

Other courses offered pertain to family relationships, home management, home nursing, and child care. All of these subjects play a large part in actual homemaking and prepare the girls for the role they will play in their own homes someday.

The head of this department is Miss Chestina Williams.

The art proteges of Miss Bernice McKinley sketched, painted, and lettered their way to many awards and recognitions this year. The department also kept busy displaying works of art in the popular showcase across from 103, decorating the downtown windows during Halloween, and sponsoring the annual spring art exhibit. From freshman perspective to senior portraiture, pupils studied the masters and developed their own techniques. One of the highlights of this year's activities was the party held for the Kokomo Art Association by our local enthusiasts.

Students criticize each other's work in portrait class.

The Arts - "Plain and Fancy"

Was it a joke or the melodies of Carousel that lighted these faces?

Many potential musicians were found in the music appreciation classes as Mr. Joseph Ragains aided his students in a full understanding of the course. By means of a phonograph and radio, new heights in the world of music were reached. Every member expanded his interests from the symphonies of Tschaikowsky to the moody tunes of Hoagy Carmichael. Analyzing the composer's feelings was a different but interesting part of the study. Jazz, concert, opera, and other classical music were studied and enjoyed by all.

Government classes find the social science lab both educational and interesting.

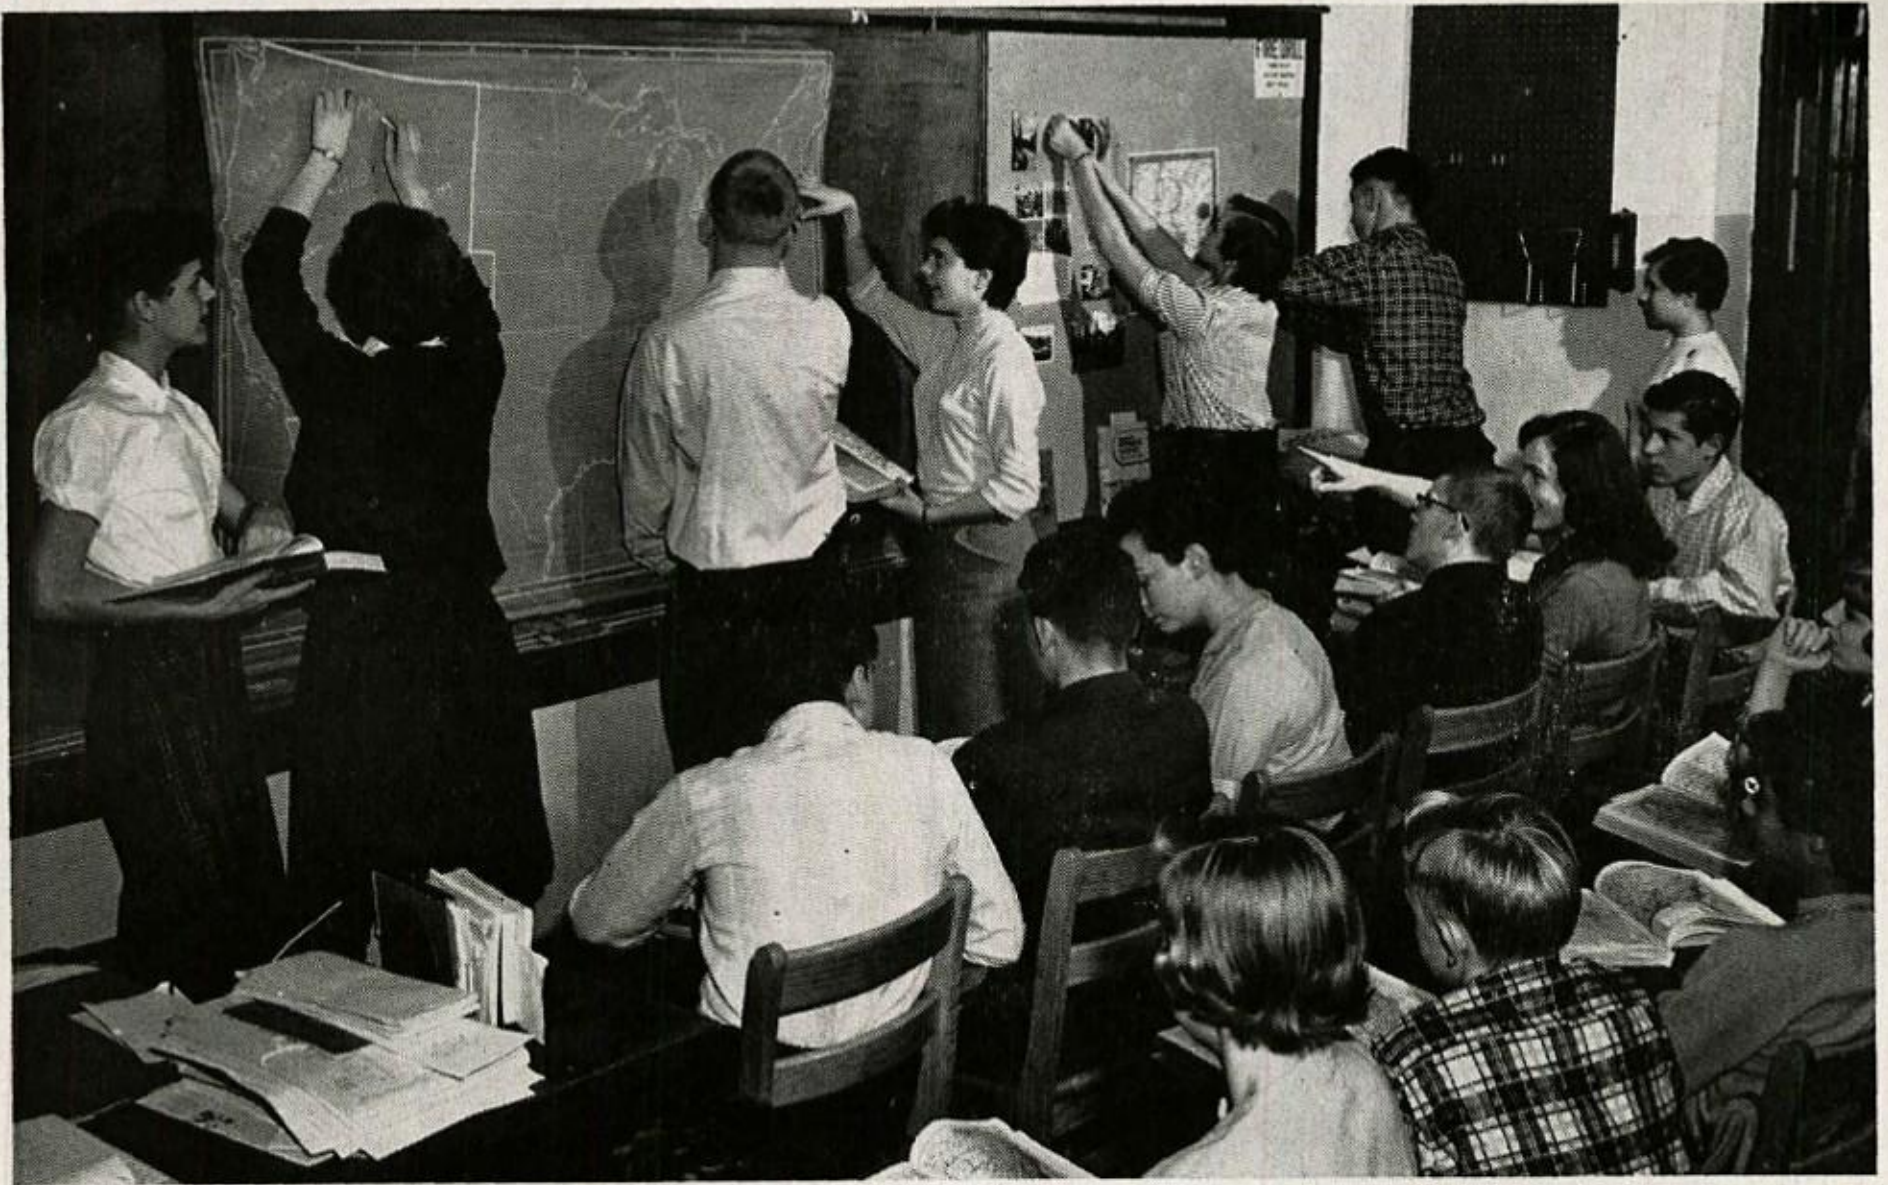

Social Studies - "Who was the Silent President?"

Let's explore the past and the present with the help of Mr. Fred Mustard, social studies department head.

First, world history takes us to every continent and enables us to understand how the present has grown out of the past.

Next on our expedition is American history. This gives us an appreciation of the steps necessary to make the United States the leader it is today.

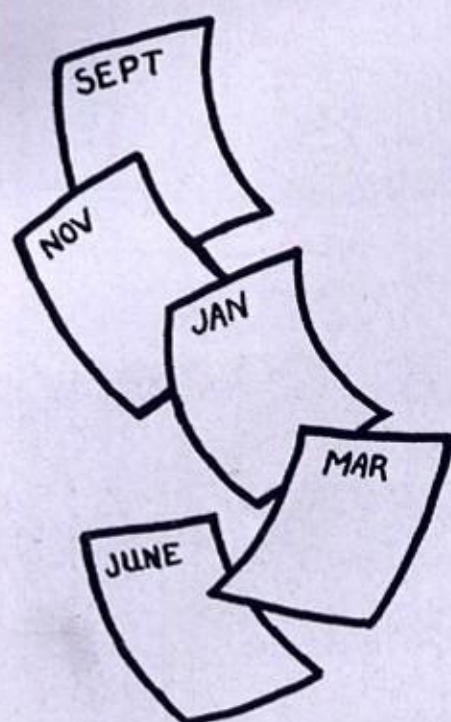

Other important subjects are government, economics, sociology, and geography, all designed to give us a knowledge of the political, economic, and social problems of the present complex society. Thus we will have a better understanding of our capitalistic and free enterprise system.

Geography students draw maps and identify states.

Dennis Goldsberry casts his ballot in the November election.

SPORTS

"Kokomo, great in sports, greater in sportsmanship." Whether in the Memorial Gymnasium, at Kautx Field, or on the baseball diamond, a keen competitive spirit along with the understanding help of the coaches and the unfailing loyalty of the fans made this slogan a reality. This philosophy, backed by an unquenchable desire to win, gave the Wildcats many victorious encounters. We won championships, ribbons, tournaments, and trophies, but most of all we developed a sense of co-operation and team devotion which only athletics can teach so well.

All These

Our athletic department, under the competent direction of Mr. Chet Hill and our coaching staff, has brought statewide fame and honor to our beloved high school down through the years. This year has definitely been no exception. Our teams have compiled a record which any school in Indiana would be proud to display. We love those Wildcats!

Just as our officers in the armed forces are responsible for the wins or defeats of the men on the front lines, our coaches are responsible for winning those games and meets for KHS. Our coaches know their duties, and they carry them out to the farthest extent of their abilities. They not only teach the basic principles of the game, but they instill in every participant's mind the ideals of sportsmanship, teamwork, and competitive spirit.

Football - N. C. C. Champs

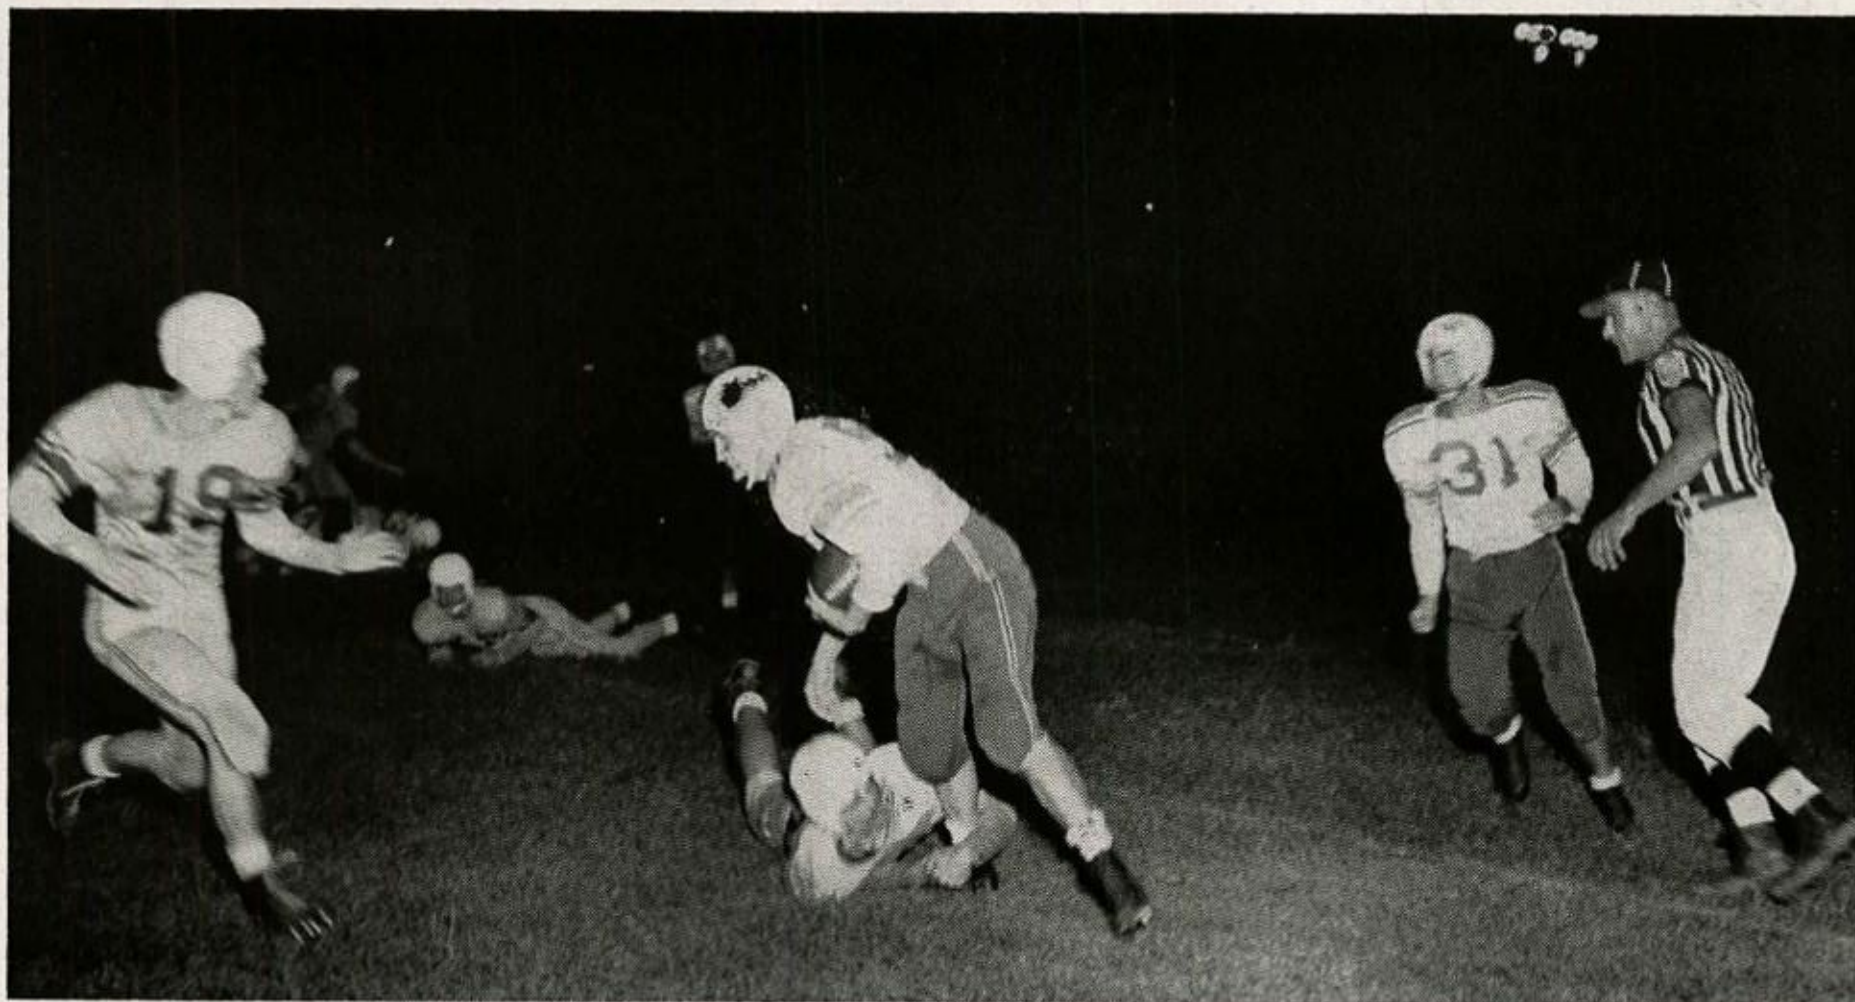

With the greatest team spirit ever, the Wildcat gridiron squad of 1955 finished a season that we will always remember. They compiled a season's record of 8 wins and 2 losses. In the North Central Conference the Kats had 5 wins, 1 loss, and came out on top as N. C. C. champs.

The Wildcats looked like veterans in their opening game against Peru. Starting the season off with a bang, they whipped the Tigers, 27-0.

Then, at the first home game the Broad Ripple Rockets were thumped by our Wildcats in a 35-0 victory. Bill Reel's accurate passing and Fred Douglas' timely interceptions were decisive factors in the winning of this game.

One week later Marion invaded Kautz field, but the Giants were sent home with an 18-0 defeat dragging behind them. It was a long hard

grind all the way; but as the final gun sounded, the Kats had gained their third straight victory. Our big gun in this contest was Jim Cameron in the backfield.

The Kokomo eleven journeyed to Lafayette the following week to meet the Jeff heroes. The Broncos had a strong line and plenty of spirit, but the Kats trimmed them to the tune of a

14-13 score. This game was a good example of the all-important extra point.

The fifth time definitely was not a charm as Coach Hamilton's boys bowed to the Elwood gridders in a 13-6 upset. The Kats tried to hold firm, but the Panther backfield unbalanced our line. Due to some costly fumbles, our eleven controlled the ball only a small percentage of the

ame. This was the first loss of the season for the Wildcats.

After a week of drills and practice, Coach Bob Hamilton rallied his forces to meet the Notre Dame of high school football, the Mooseheart Red Ramblers. This game turned out to be the biggest upset of the season as the Wildcats rounced the Ramblers, 27-7. Mooseheart's back-

field was fast but their line was too small as Dick Suter, Tom Simmons, and the other Kats plowed through to victory.

The next non-conference opposition was in the form of the Alexandria Terriers. The Kats completely smothered the Terriers in a 75-19 victory in which all of our reserves participated and gained some valuable experience.

For a Tremendous

Now leading the N. C. C., the Kats journeyed to Frankfort. The Wildcats immediately overwhelmed the Frankfort gridders as they romped to 39-0 decision that held the Kats in first place.

On Dad's night at Kautz field, Logansport handed the Kats their only N. C. C. loss. The Kats bucked the Logan squad all the way, but the Berries closed the game with a 19-13 score.

The last game of the season was a "do-or-die" contest with Muncie to decide the conference crown. This game was also a close one with the Bearcats making a last-minute drive to score

their touchdown. The Wildcats held firm to the very end and were rewarded with a 12-7 victory.

Our hats off to the Kats who were named North Central Conference champs and to Jim Meiring, our senior powerhouse, who was named an all-conference guard. Jim supplied a great amount of enthusiasm for this year's team. A final acknowledgement goes to Bob Hamilton, N. C. C. "Coach of the Year," and his assistants Robert Bushong and Russell Bratton, who helped train this team to be the champs they are. The 1955 gridiron squad will not easily be forgotten in the history book of Kokomo High School.

It certainly takes lots of equipment to keep a football team going! Harold Hutto and Bert Fridlin issue helmets and footballs to Fred Douglas and John Bennett.

Jim Douglas, Tom Simmons, and Jim Cameron interrupted their football practice to take their spelling over for Miss Elizabeth Handley.

Two-Mile Specialists

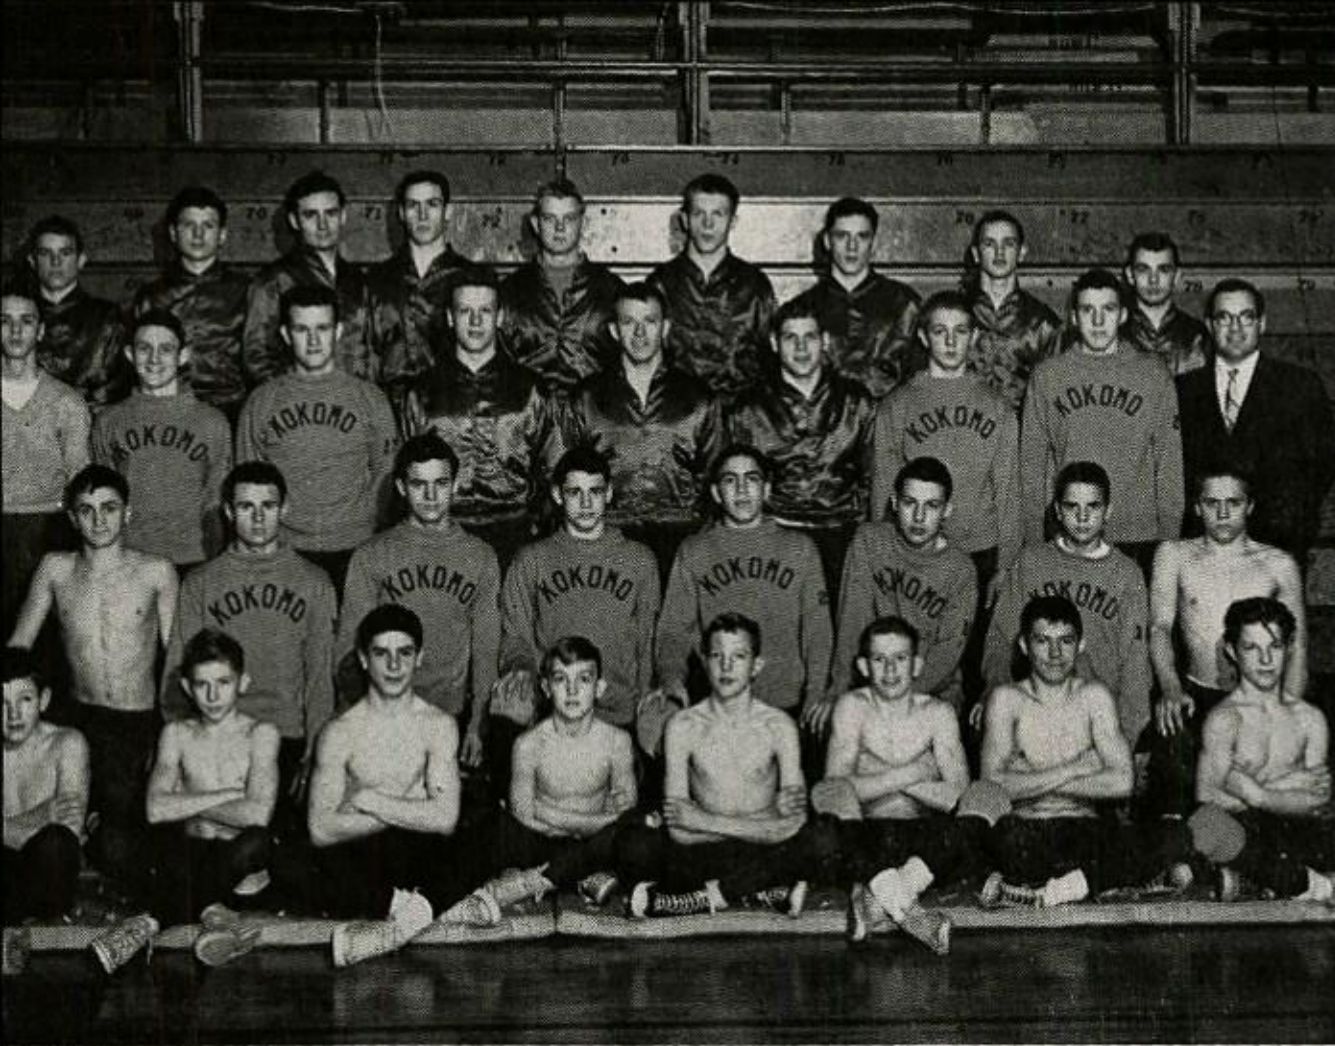

The Kokomo cross-country team experienced one of their greatest years ever. The long distance specialists began the season with a 11-45 victory over Lafayette Jefferson. They grabbed the next three meets from Wabash, 17-42, Muncie Central, 34-31, and Marion, 25-30. Continuing in the winning column, they won the next two dual meets by sending Fort Wayne Central and South Side of Fort Wayne to defeat 21-38

and 23-38, respectively. At the Shortridge Invitational Meet they tied with Shortridge for fourth place. The team finished the regular season in a whirl by finishing second to Anderson in both the N.C.C. meet and the sectional meet. To climax the successful season they placed 5th in the state meet—the highest a Kat squad has ever finished—while Larry Colvin took a sixth to place the highest a Kat has ever finished.

Grunt and Groan Artists

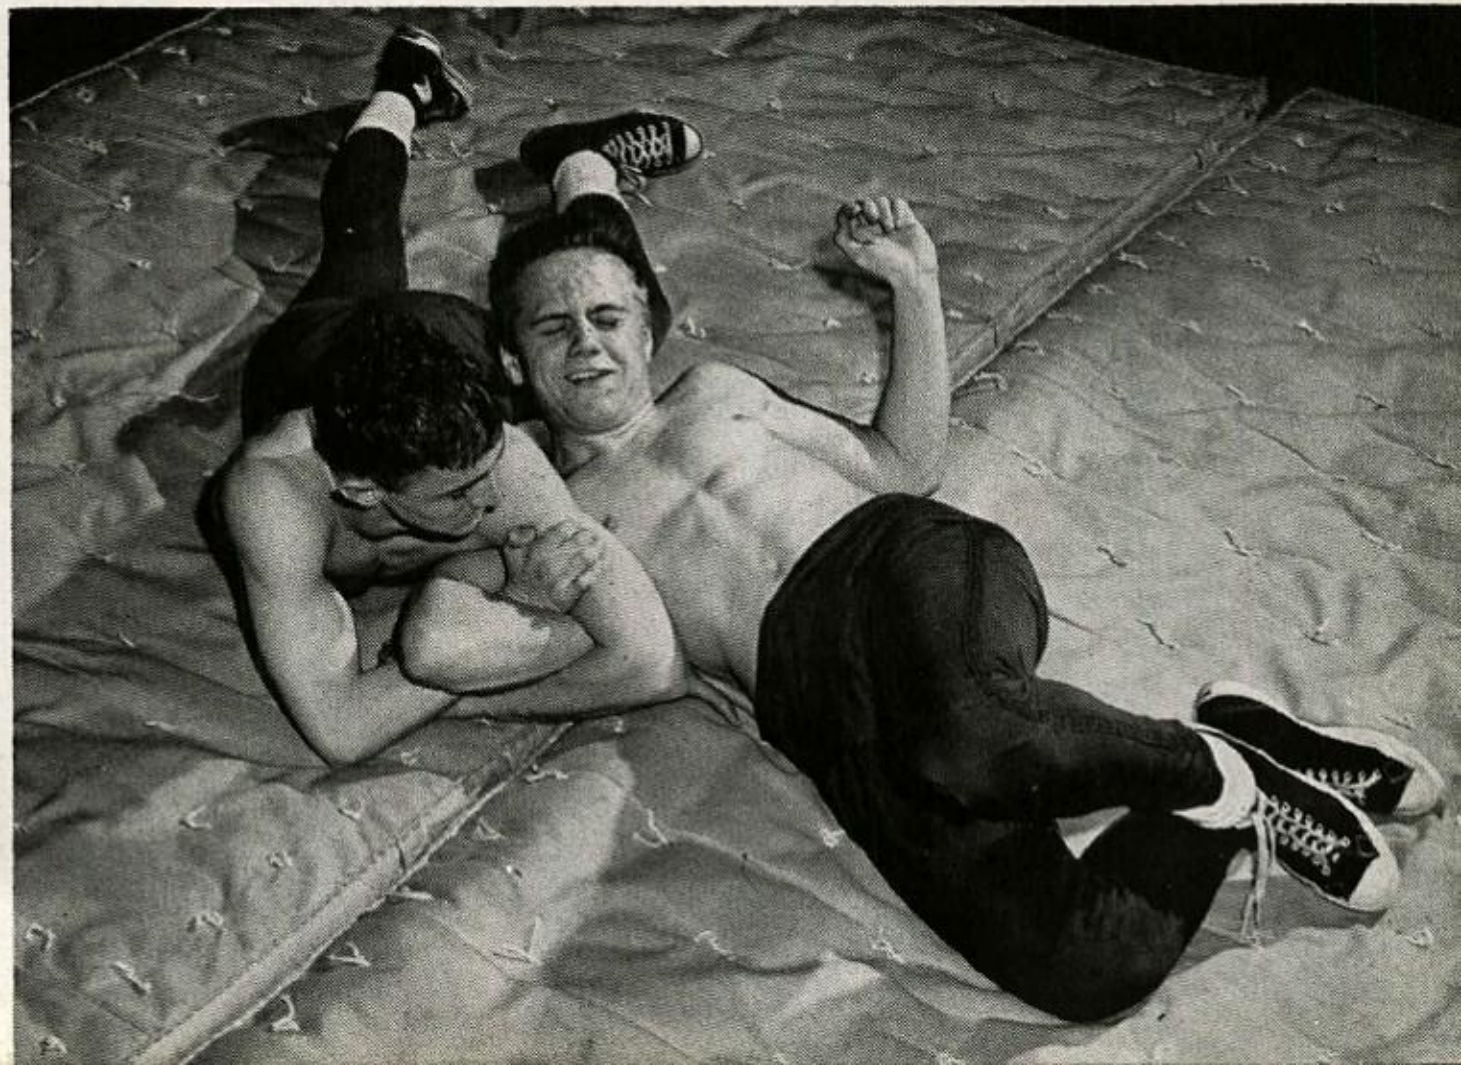

The local muscle men finished up a successful season for their fifth year at KHS with 4 wins, 5 losses, and 1 tie.

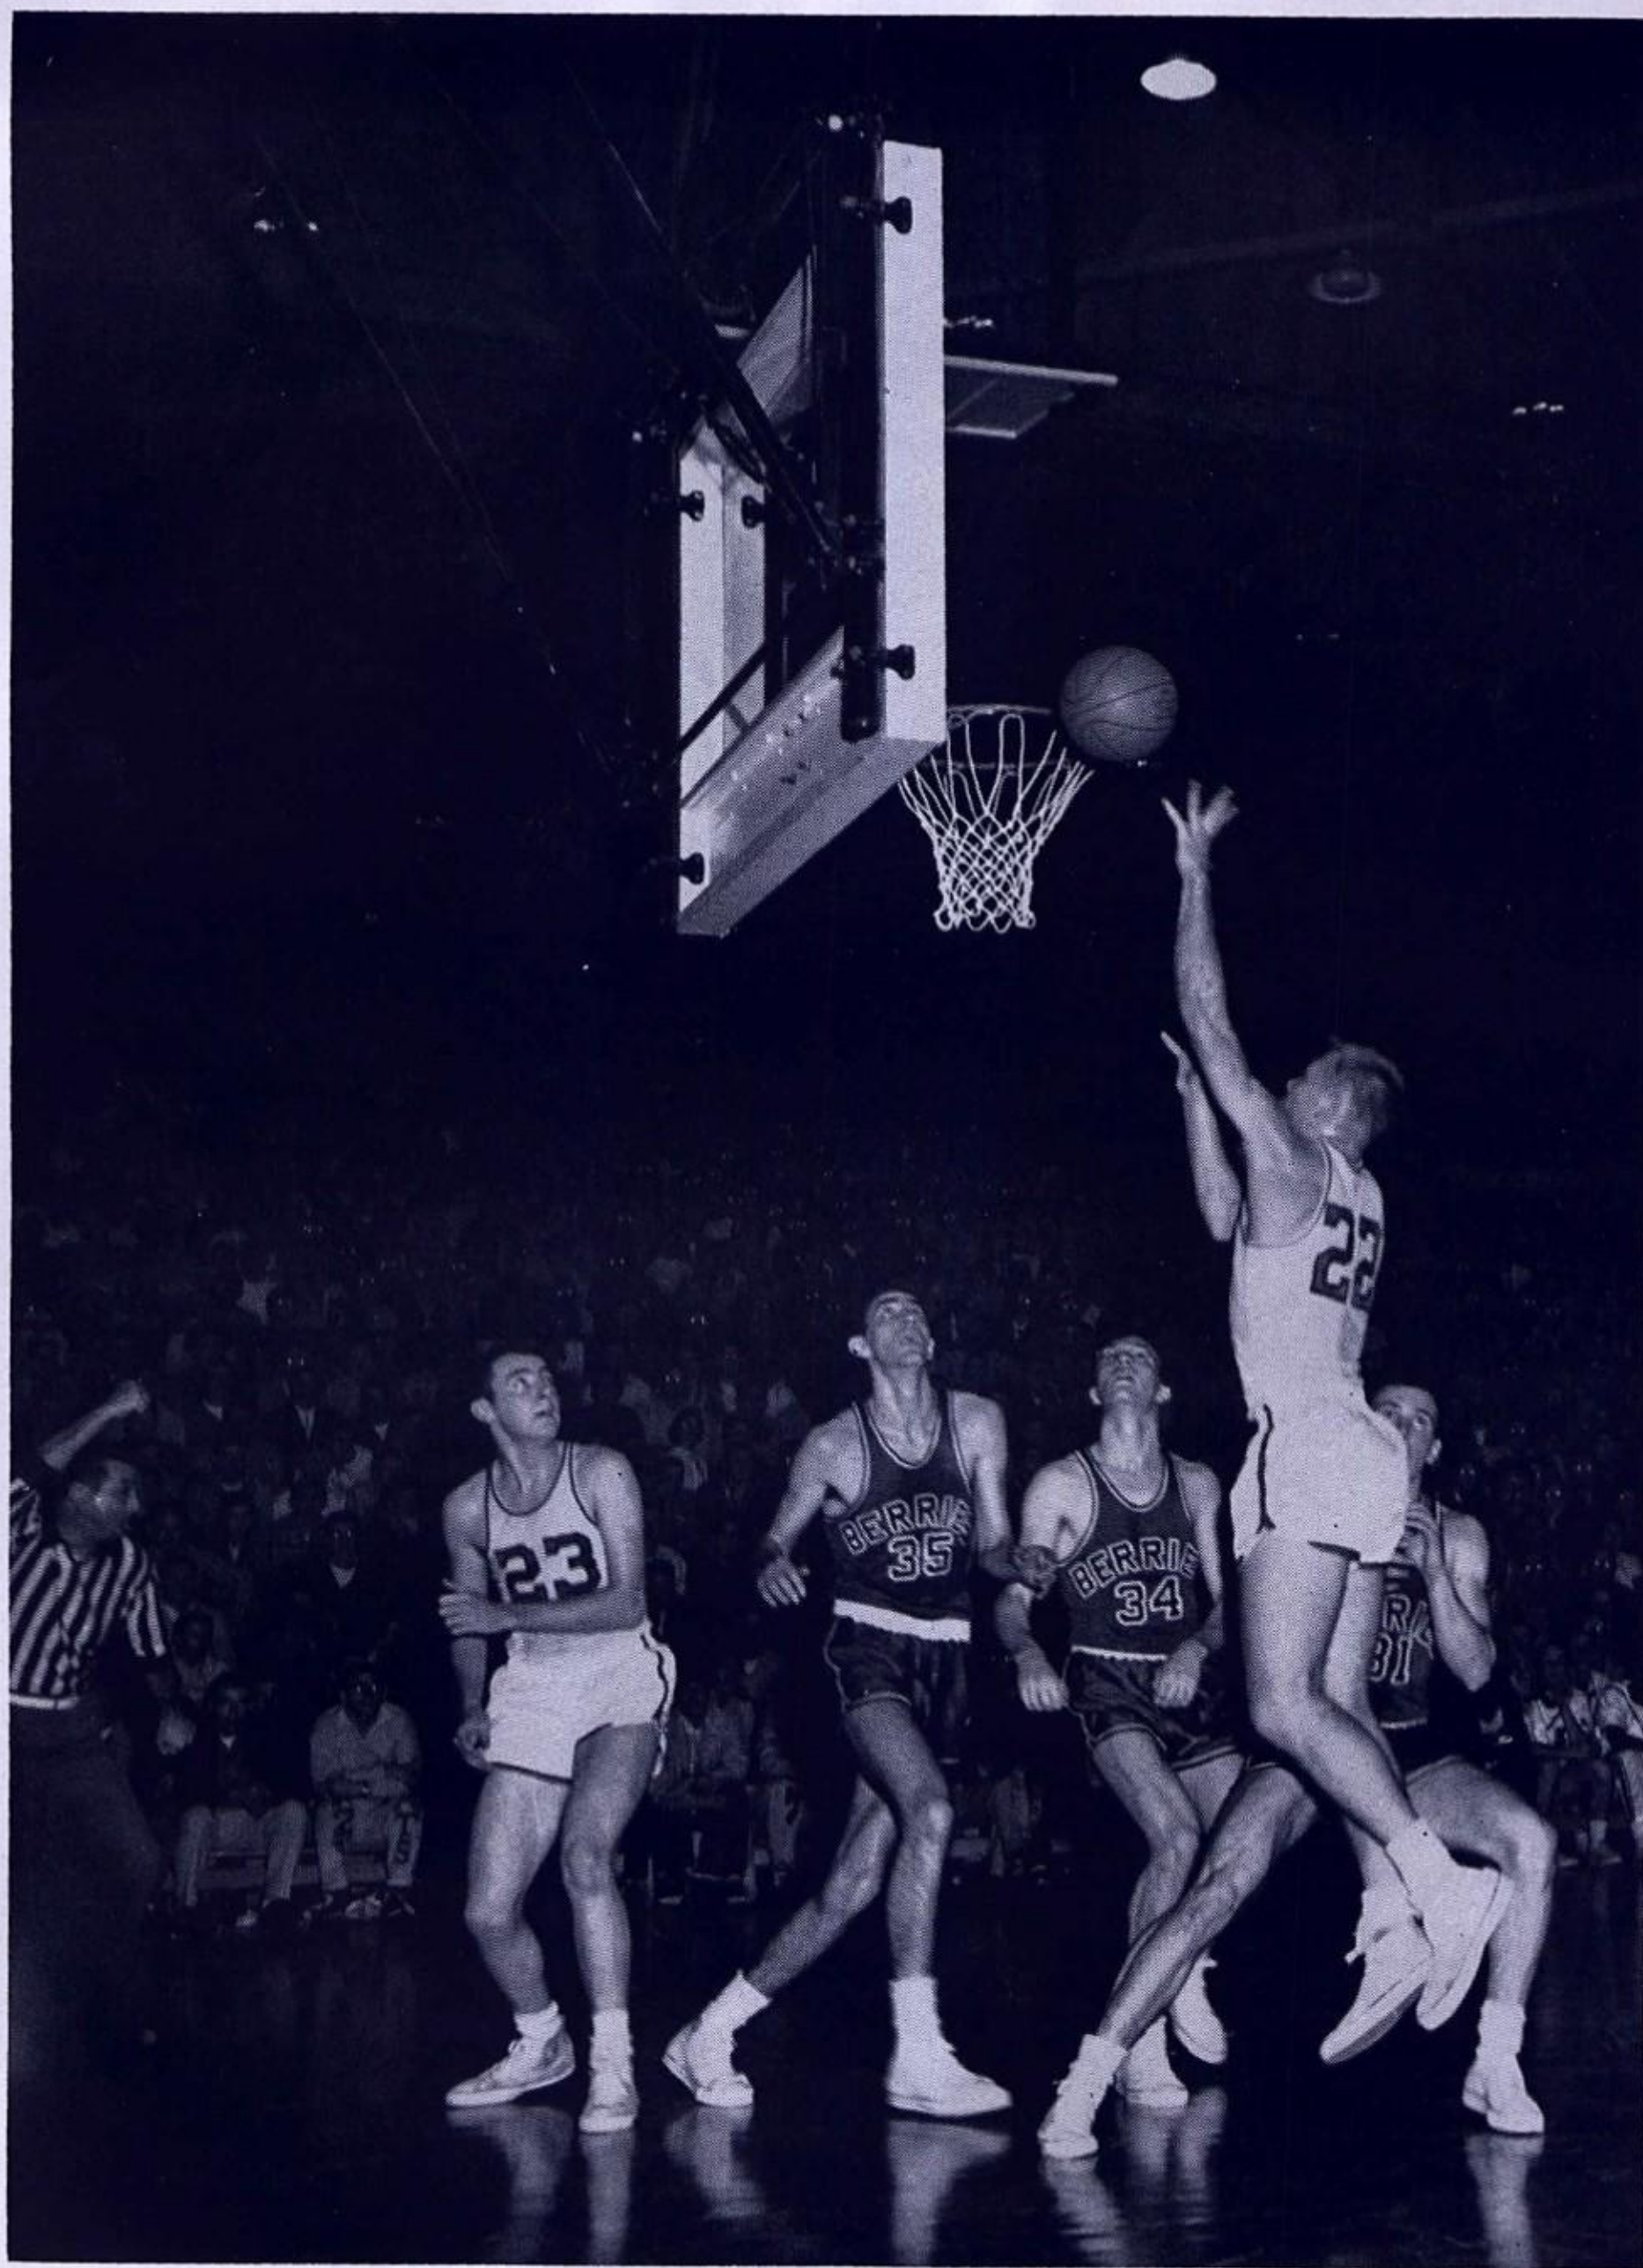

The Kat grapplers claimed victories over New Castle, Marion, Peru, and Muncie. The bows were given to Shortridge, Southport, Richmond, Lafayette Jeff, and Decatur Central. Broadripple

provided the tie.

The Wildcats grabbed 3rd in the four-way tourney, 2nd in the sectional, and 5th in the state. Kokomo qualified six boys for the state meet, and Fred Hawkins became our first state wrestling champion. Our heartiest congratulations go to Coach Bob Hamilton and his stalwarts.

Fred Hawkins seems to have Dennis McKee in a key-lock.

Basketball - N. C. C. Champs

Go! Fight! Win!

This was the cry of the Kokomo fans during the fabulous '55-'56 season.

Coach Joe Platt, N.C.C. "Coach of the Year," proved himself again by producing one of the finest teams in the state.

The Kats opened the season victoriously by trouncing the Apaches from Wabash, 62-50. One week later Kokomo gained its first conference win as the visiting Frankfort Hot Dogs were handed a 60-50 defeat.

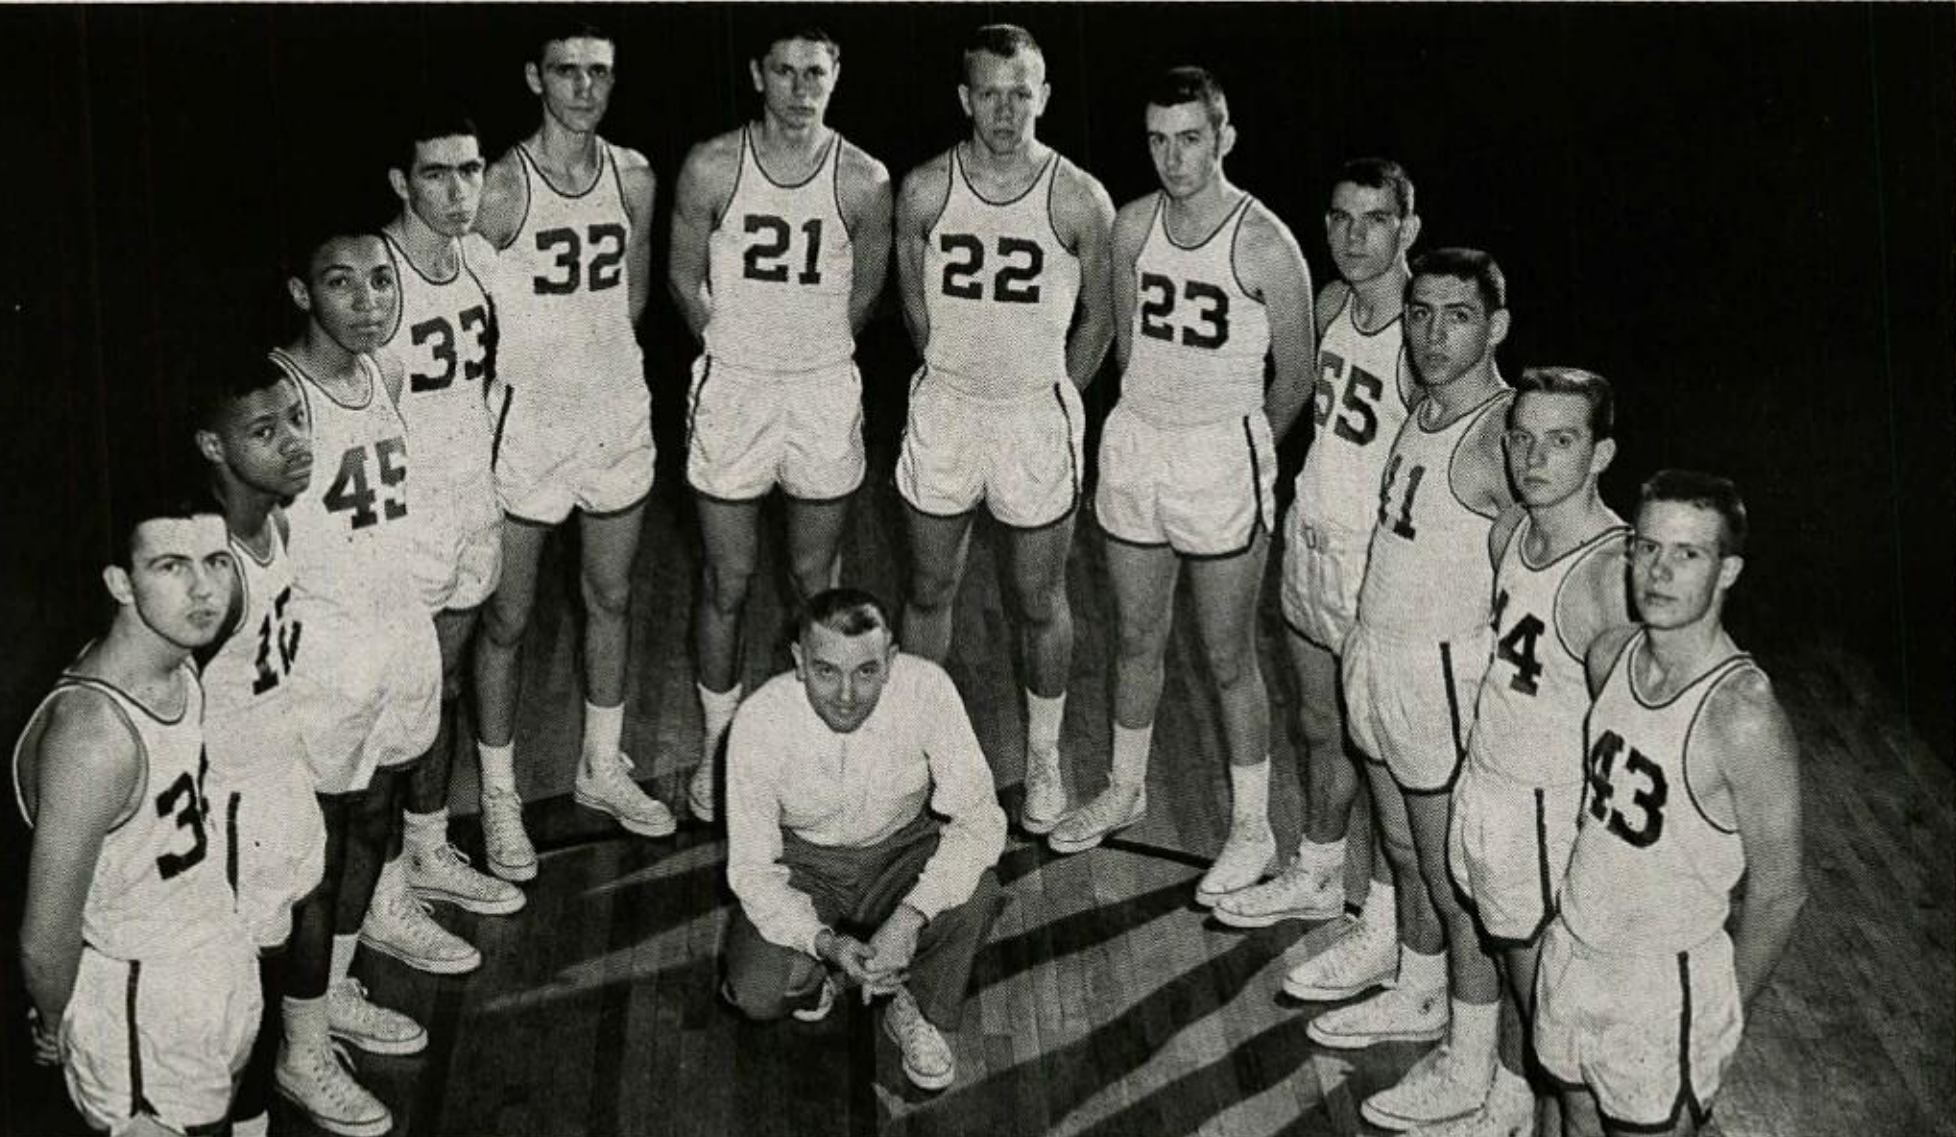

Paul Conwell threw in 29 points the night that the Tipton Blue Devils came to receive their 99-65 shellacking. The following week the Wildcats traveled to Lafayette, only to find a tough Jeff team waiting. The Broncos handed Kokomo its first setback, 67-59.

Paul Conwell leaps to score high for the Wildcats as Jerry Christie prepares to rebound. Logansport players look on.

We Never Stopped Developing . . .

Back in stride, the boys from K-town claimed their 4th victory by trouncing Marion, 71-53, as Jerry Christie poured in 27 points. After much difficulty, the Kats drove to a 70-54 victory over the Shortridge Blue Devils.

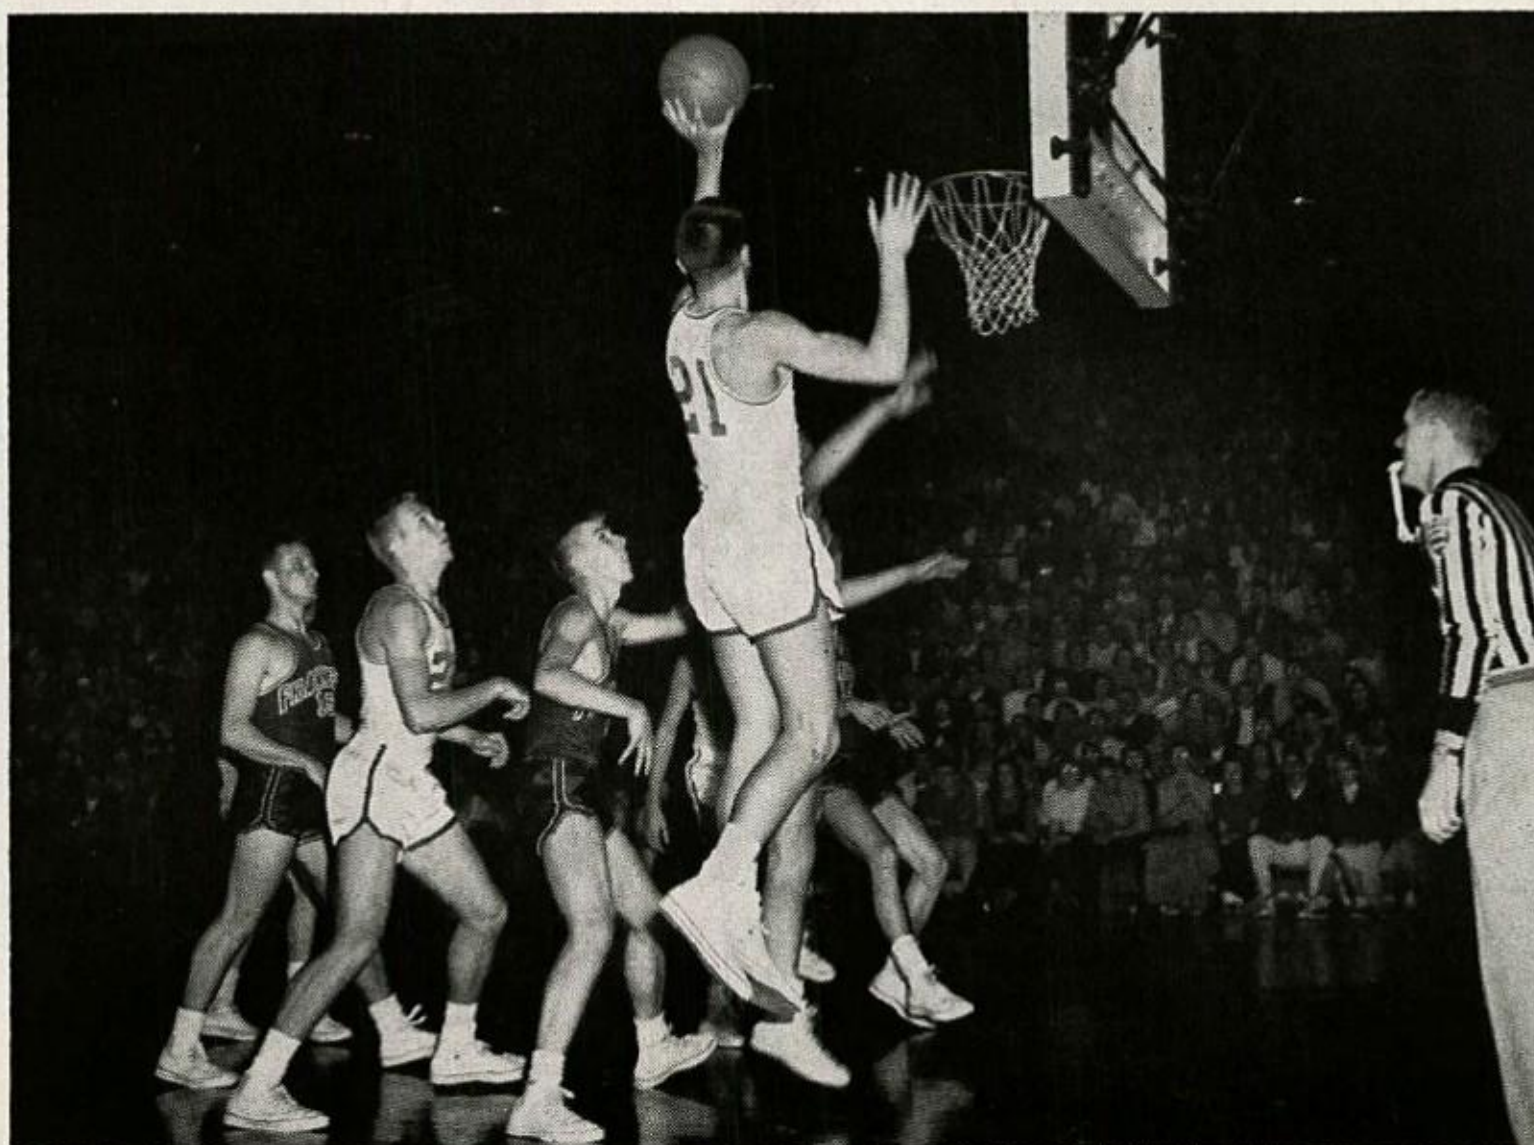

The Big Blue from Hamilton took a taste of Wildcat medicine and returned to Ohio dragging a 70-60 loss. Terre Haute Garfield's journey to Kokomo brought only sadness to the Purple Eagles. Tom Simmons pitched 20 points through the hoop to aid the Kat's cause in the 85-76 victory.

Anderson slipped by Kokomo with a 61-59 tally in an overtime contest as they drove through

the day to receive the Big 4 Tourney's laurels. The Wildcats bounced back that evening to hand Logansport a 69-57 drubbing.

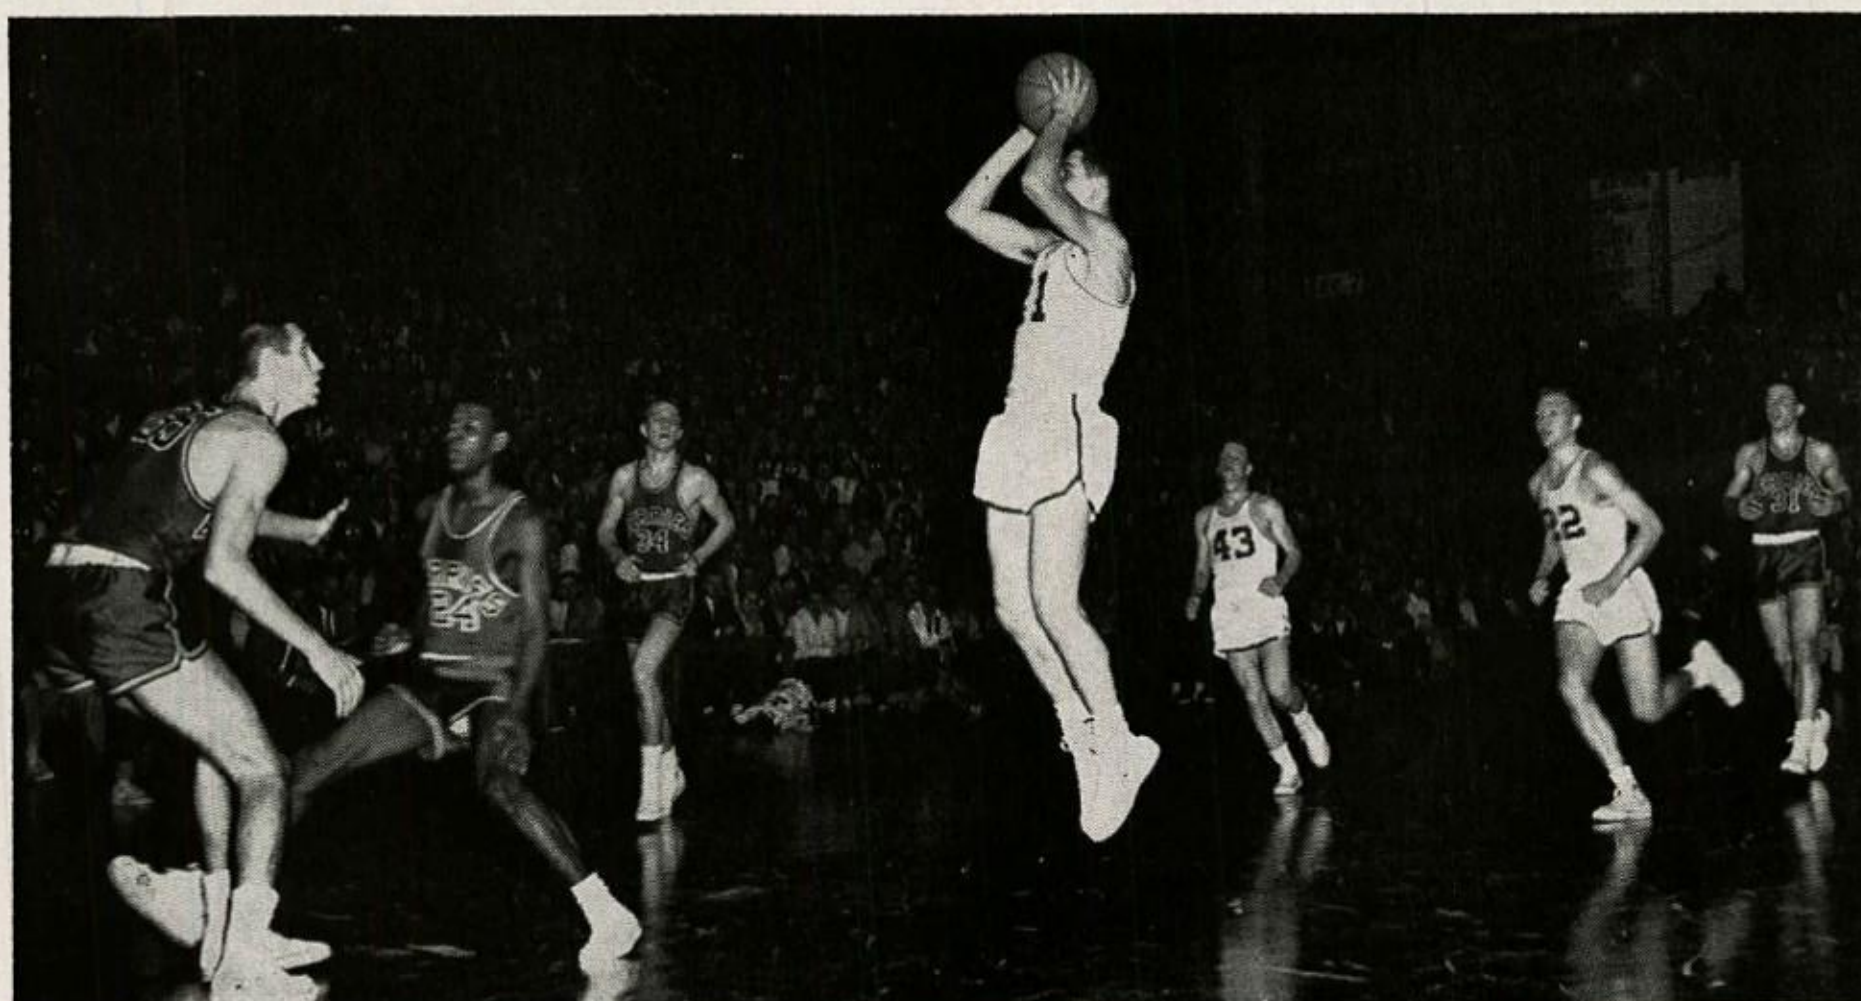

A tip-in by Dale Wise provided the winning margin as the Kats took a close one from the Logansport Berries, 55-54. Platt's heroes scored 81 points to the Frankfort Hot Dog's 49 to clinch victory number 10.

An attempted stall failed Flora's Badgers as the Kats snowed them under, 50-35. The aggressive Wildcats proved themselves again as they recovered from an 11-point deficit to thump Richmond, 66-61.

Frankfort soon discovered that Dale Wise seldom missed with that left hand.

Catching the Berries off guard, Bob Maxwell tries a jump shot.

... Our Teamwork and Improving ...

Paul Conwell cradled 32 points as the Anderson Indians bowed to the Kats, 73-63. Peru's Tigers were glad the night was over after losing to our ferocious Kats, 82-51. The Wildcats suffered their third defeat of the season from Muncie's Bearcats, 78-70.

For the first time this year Kokomo was given some terrific rebound competition. It was an exciting evening as the Kats squeezed past the Tech Greenclads, 56-53.

Bob Maxwell dropped in 18 points as Kokomo rolled over Marion's Giants, 59-49. The Kats easily routed the New Castle Trojans, 76-53, to bring the season to a close.

Kokomo hit the tournament trail by smashing Burlington's Polar Cubs, 101-28. Then it happened! Out of the east came the Eastern Comets who shot .421 as they downed the Kats, 70-64.

The Wildcats had won the N.C.C. title and were ranked 4th in the state. Their final record was 18 wins against 4 defeats.

We shall miss the incomparable performances of seniors Paul Conwell, Jerry Christie, Tom Simmons, Phil Pennell, Bob Maxwell, Larry Colvin, and Don Miller.

It was a great season for coaches Joe Platt and Russell Bratton. Everyone will remember the Wildcats and the spirit of '56.

Paul Cossell, Don Schorm, Bob Finn, Tom Beety, and Lynn Davenport prepare for a "B" team game.

Love Set

Members of the tennis team practiced nearly every afternoon in Foster Park.

Mr. Olin Meritt's tennis team provided very stiff competition for its opponents in the spring of '55. The 2-won-and-7-lost record is rather misleading when inspected lightly. Kokomo's racqueteers lost three contest by one match each. The 7-0 shutout by Anderson is completely deceiving when you take into account that every match was highly contested.

The Kat's first loss came at the hands of Frankfort as they were downed, 4 to 3. Kokomo defeated Tech by a 6 to 1 tally and in turn was defeated by Richmond by the same score. Anderson's Indians and Muncie's Bearcats then slipped by the Wildcats with tallies of 7-0 and 4-3, respectively. Kokomo's second win was at the expense of Peru, 7-0. The Kats ended the season with losses to Logansport, 6-1, Marion, 4-3, and Jefferson of Lafayette, 6-1.

Those Wildcats who knock the little white balls all over the grass posted a .500 season by winning four of their eight dual meets. The Kats started the season off with a bang by swinging to an easy 15 to 0 victory over Elwood. Peru sneaked past Kokomo by posting an $8\frac{1}{2}$ to $3\frac{1}{2}$ score. The Wildcats' next victory was over Tech, 9 to 6. Marion then took a $9\frac{1}{2}$ to $5\frac{1}{2}$ match. On a re-match with the Greyclads, Kokomo was victorious, $10\frac{1}{2}$ to $4\frac{1}{2}$. Frankfort went down before the Kats, $4\frac{1}{2}$ to $5\frac{1}{2}$, while Marion and Logansport put the skids under Kokomo by chalking up scores of 14 to 1 and $12\frac{1}{2}$ to $2\frac{1}{2}$, respectively. The Wildcats placed fourth in the four-way tournament and ninth in the Conference. In the sectional match, Kokomo's golfers placed third with a 326, which qualified them for the state meet. In the state contest, our Kat's stroked and putted their way to 13th with a 359. Our congratulations go to Russell Bratton and his Wildcats for their successful season in '55.

Masters of the Track

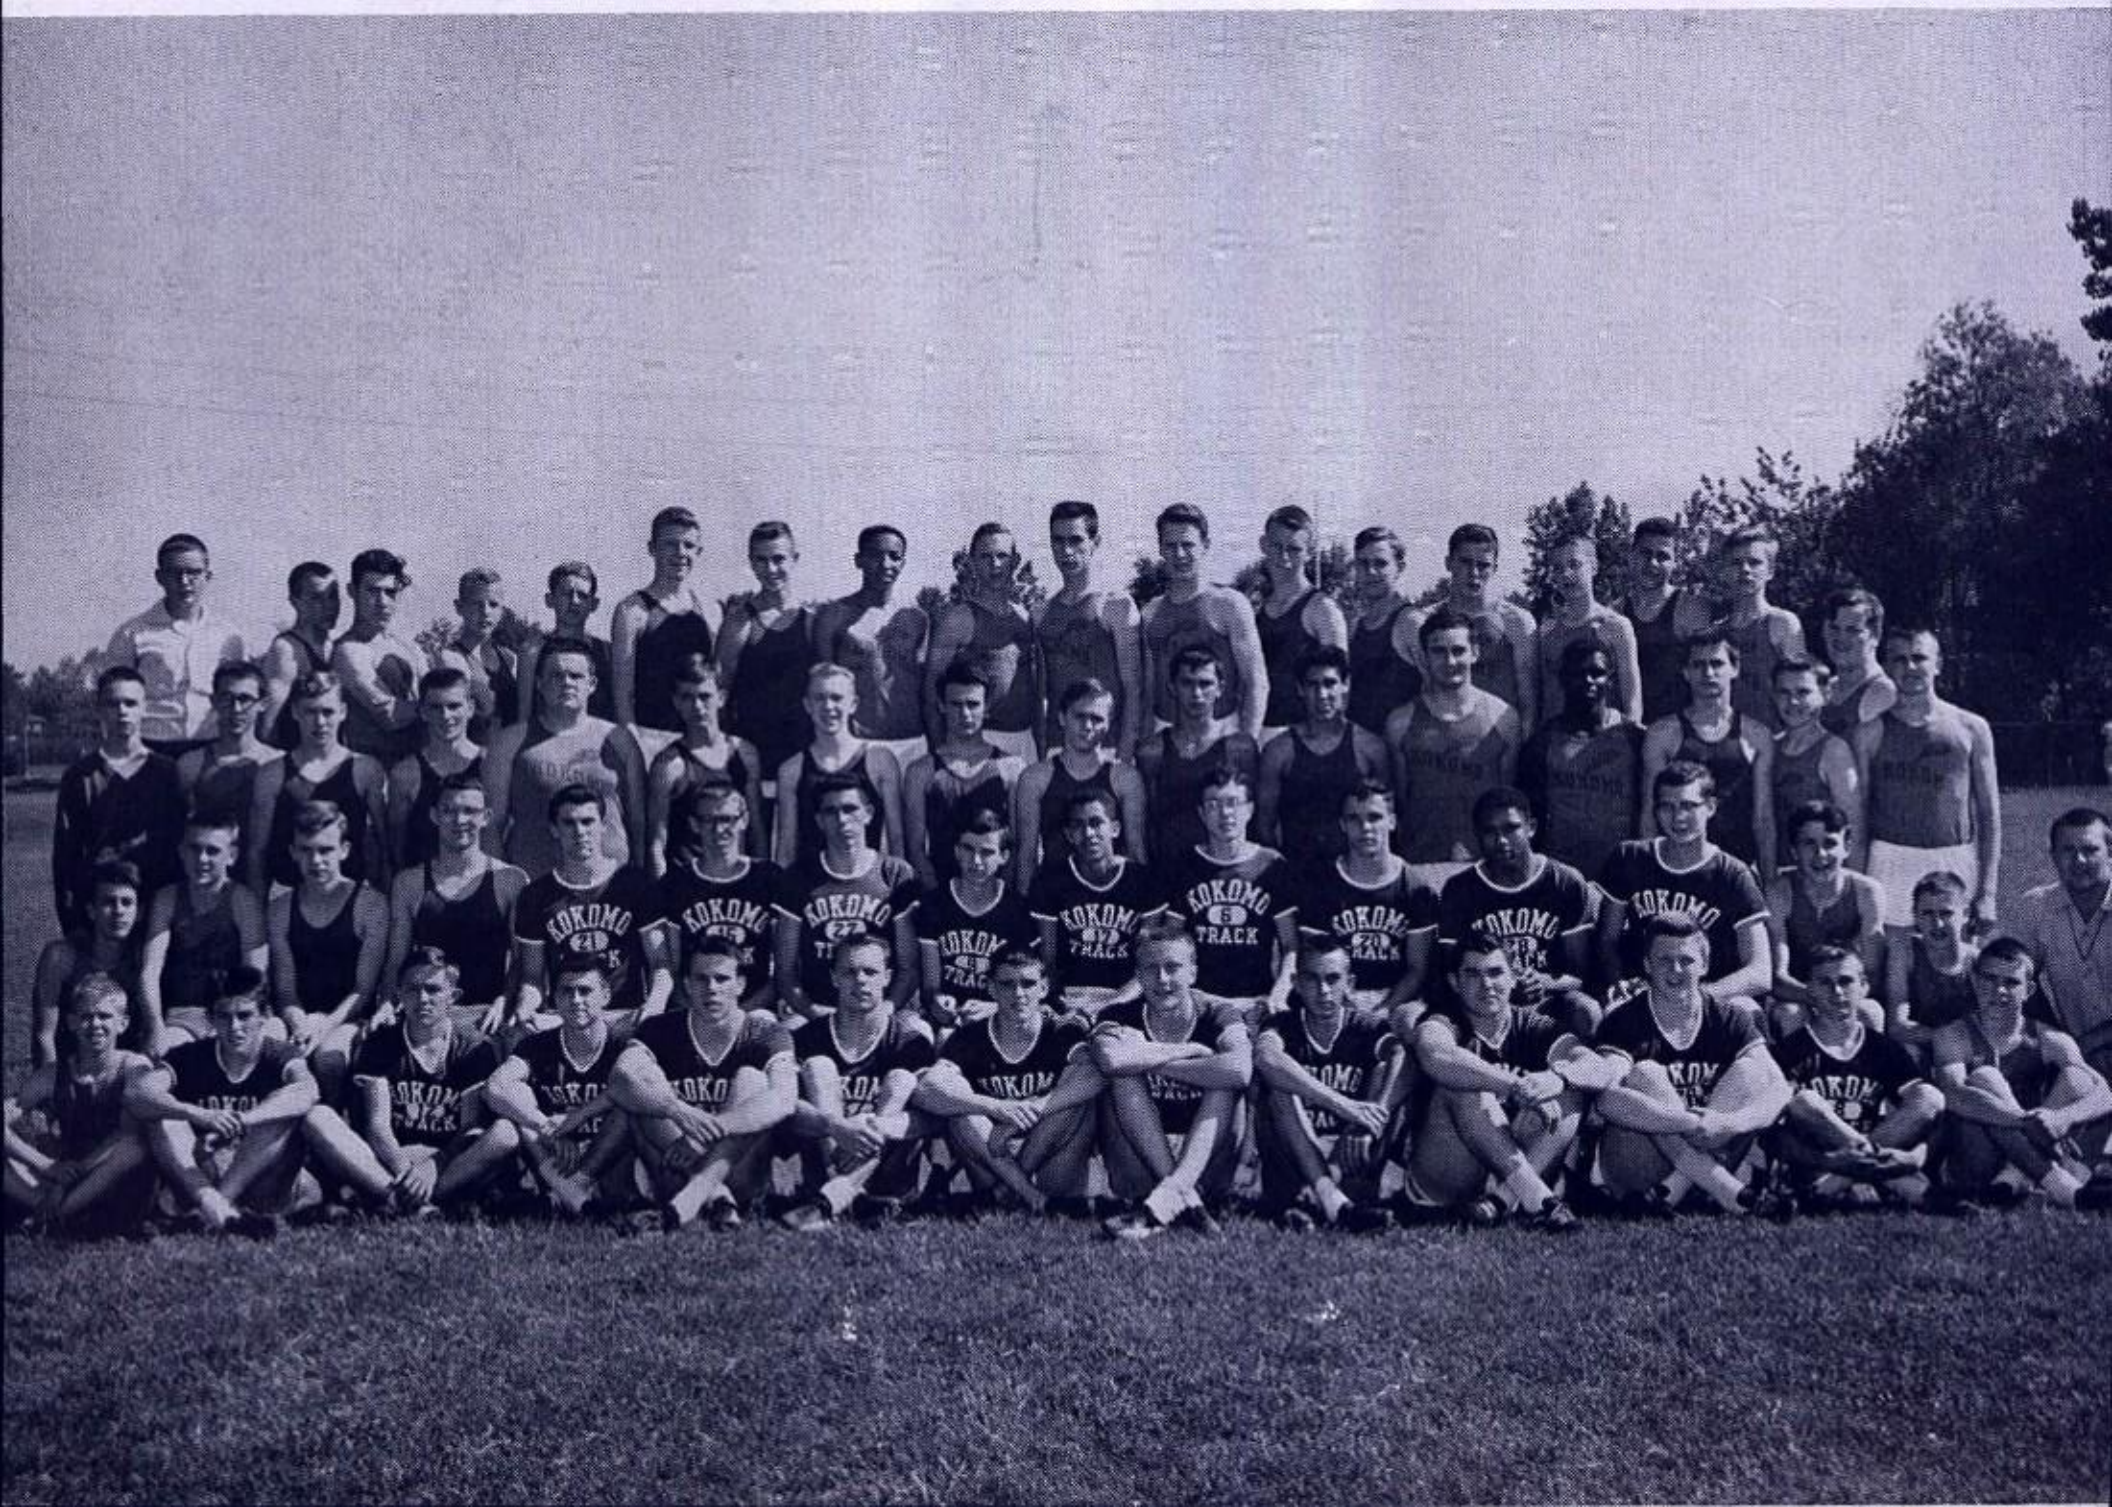

The Wildcat track squad of 1955 was much wiser from experience at the end of the season. To begin the year the Kat thinlies lost to Marion, 39 to 70, and to Fort Wayne South Side, 40½ to 68½. The Kat trackmen, however, overran the Logansport Berries with a final tally of 72 2/3 to 36 1/3. At the Muncie Relays, the Wildcat cinder-grinders nailed down the fifth spot. The Kokomo boys then received a set-back of 37 1/3 to 71 2/3 at the hands of the Indianapolis Greenclads, and another from the Anderson Indians, 25 to 84. While Judy Kessler was reigning as queen, the Wildcats placed 9th in their own Kokomo Relays. The Kats placed 7th in a field of 14 in the Kokomo sectionals. The highlight of the season came at the Logansport Relays. Our boys did a great job by taking first place in the two-mile relay in an outstanding time of 8 minutes and 24 seconds.

They Rule the Diamond

"Whack!" This was the sound of the Wildcats' bats in 1955. The 6-won and 7-lost season record was quite an improvement over recent campaigns. They captured 7th place in the N.C.C. with a 4-won and 5-lost record.

To start the season, Bennett and North Manchester slipped by the Kats with scores of 10-8 and 7-3.

Laymon's nine broke into the win column by defeating Logansport, 5-4. The Anderson Indians, whose pitcher hurled a no-hitter, and the Muncie Bearcats proved themselves too much for the Wildcats and downed them, 11-0 and 14-4.

The Kats emerged the victors in a tussle with New Castle by an 11-8 tally.

The boys of KHS went down before Lafayette, 4-1, as both teams touched the opposing pitcher for 4 hits apiece. Kokomo provided the stiffest Conference competition the Broncos faced during the season.

After losing to Marion, 12-3, the Kats regained their winning ways by taking a nip-and-tuck battle with the Hot Dogs of Frankfort, 3-2. Tech in turn set the Wildcats on their heels with a 5-3 defeat.

Kokomo's stalwarts then ended the season in a winning whirlwind by defeating Richmond, 9-3; North Manchester, 8-2; and Bennett of Marion, 7-6.

ACTIVITIES

Through the year, our guys and gals found time in spite of busy class schedules for having fun and enjoying our extra-curricular life. To supply this growing interest, KHS offers a galaxy of clubs and activities for the enjoyment of the students. Participation in these organizations helped us to develop qualities of leadership and responsibility.

As we reminisce about the hours spent decorating for dances, rehearsing for the Hullabaloo, and writing last-minute copy for the **Red and Blue**, we realize that they were experiences we shall never forget.

Student Council

The Student Council meeting was called to order by the president, Joe Noel. The minutes were read by the secretary, Judy Tubbs, and were approved as read.

Judy Grawcock, vice president, and Mike Dalzell, treasurer, were responsible for the distribution of the new Student Council jewelry.

Bob Schwindt, chairman of the Extra-Curricular Committee, reported that the Kat Kaller will be sold next Tuesday. There will be a basket placed in each room to put food in for the needy. Lu Ann Shank reported from the Student Welfare Committee that the patch tests will be given January 13. She urged students to make posters for this purpose. Bob

The Student Council Executive Committee meets every Monday noon to discuss the agenda.

Miller, head of the Public Relations Committee, told of the success of the Junior Red Cross Drive. A total of 68 boxes and \$158 was collected. Chairman of the Student Relation's Committee, Sandra Brackin, announced that the distribution of New Year's tourney tickets would be Monday.

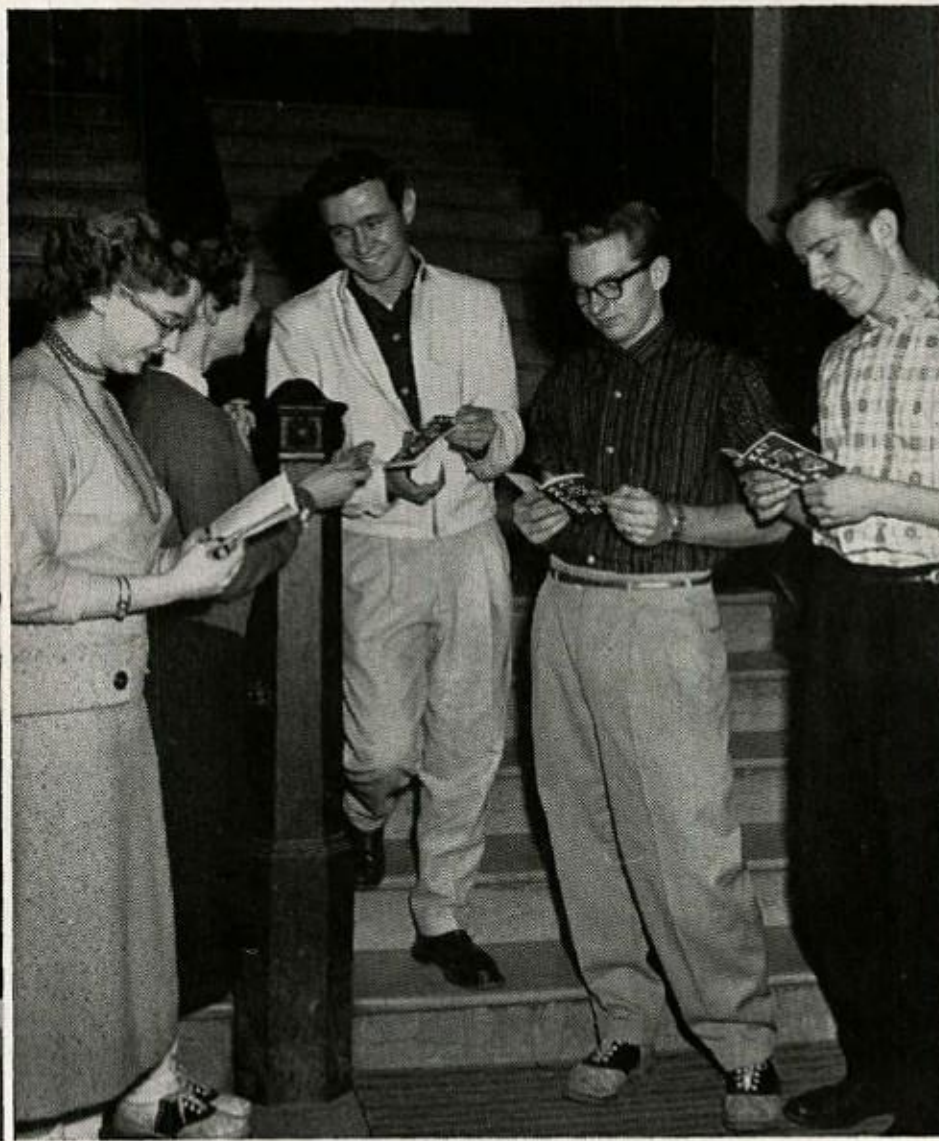

New business was attended to and the meeting adjourned in regular order.

National Honor Society

Membership in the National Honor Society is the highest goal a student can achieve during his high school career.

In order to attain this, one must have the qualities of leadership and character, and perform outstanding service to his school.

Scholastic ability is also weighed. A "B" average must be maintained by the student in high school before he may be considered for entrance into the society. Five percent of the junior class and fifteen percent of the senior class are eligible for membership.

Officers of this year's Honor Society were Robert Miller, president; Larry Fewell, vice-president; Carolyn Dixon, secretary; and David Hoover, treasurer.

The newly-elected members were initiated in a candlelight ceremony held in the Memorial Gymnasium before the entire student body. Later in the spring an annual banquet for members and sponsors brought the year's activities to a close.

Organization Board

Did you ever stop to wonder how the many clubs of KHS can operate with such precision and efficiency? All of the many intricate problems are solved by the Organization Board.

Our very effective Board checks the purpose, constitution, and year's agenda of every club in KHS. Each club must submit a general outline of its events for the coming year.

The Organization Board regulates club meeting nights so that a student may belong to several

clubs and still attend meetings of each one. Visiting club meetings is another duty of the Board members.

The members of the Organization Board have a big responsibility, and they certainly do a terrific job. The teachers sponsoring the Board are chosen by the principal and the four students by the Student Council. This year Jerry Neal served as chairman and Linda Vaught as secretary.

Girls' League

With every KHS girl automatically a member, the Girls' League was bound to succeed.

Their first activity was the annual Autumn Prom on October 22. This gala occasion was the only dance during the year when the gals invited their favorite guys.

Our German exchange student, Barbara Vess, was partially financed by the sale of "Wildcat" bumper stickers and Girls' League cookies.

"Get your Christmas wreathes in room 205!" At Christmas the girls again waged sales campaigns.

The girls gathered to honor their mothers at the year's final event, the Mother-Daughter Reception.

The officers were Judy Kessler, president; Barbara Vaught, first vice-president; Mary Ellen Harnish, second vice-president; Sandra Brackin, secretary; and Judy Phillips, treasurer. Each class also elected two representatives to serve on the Council.

Autumn Prom

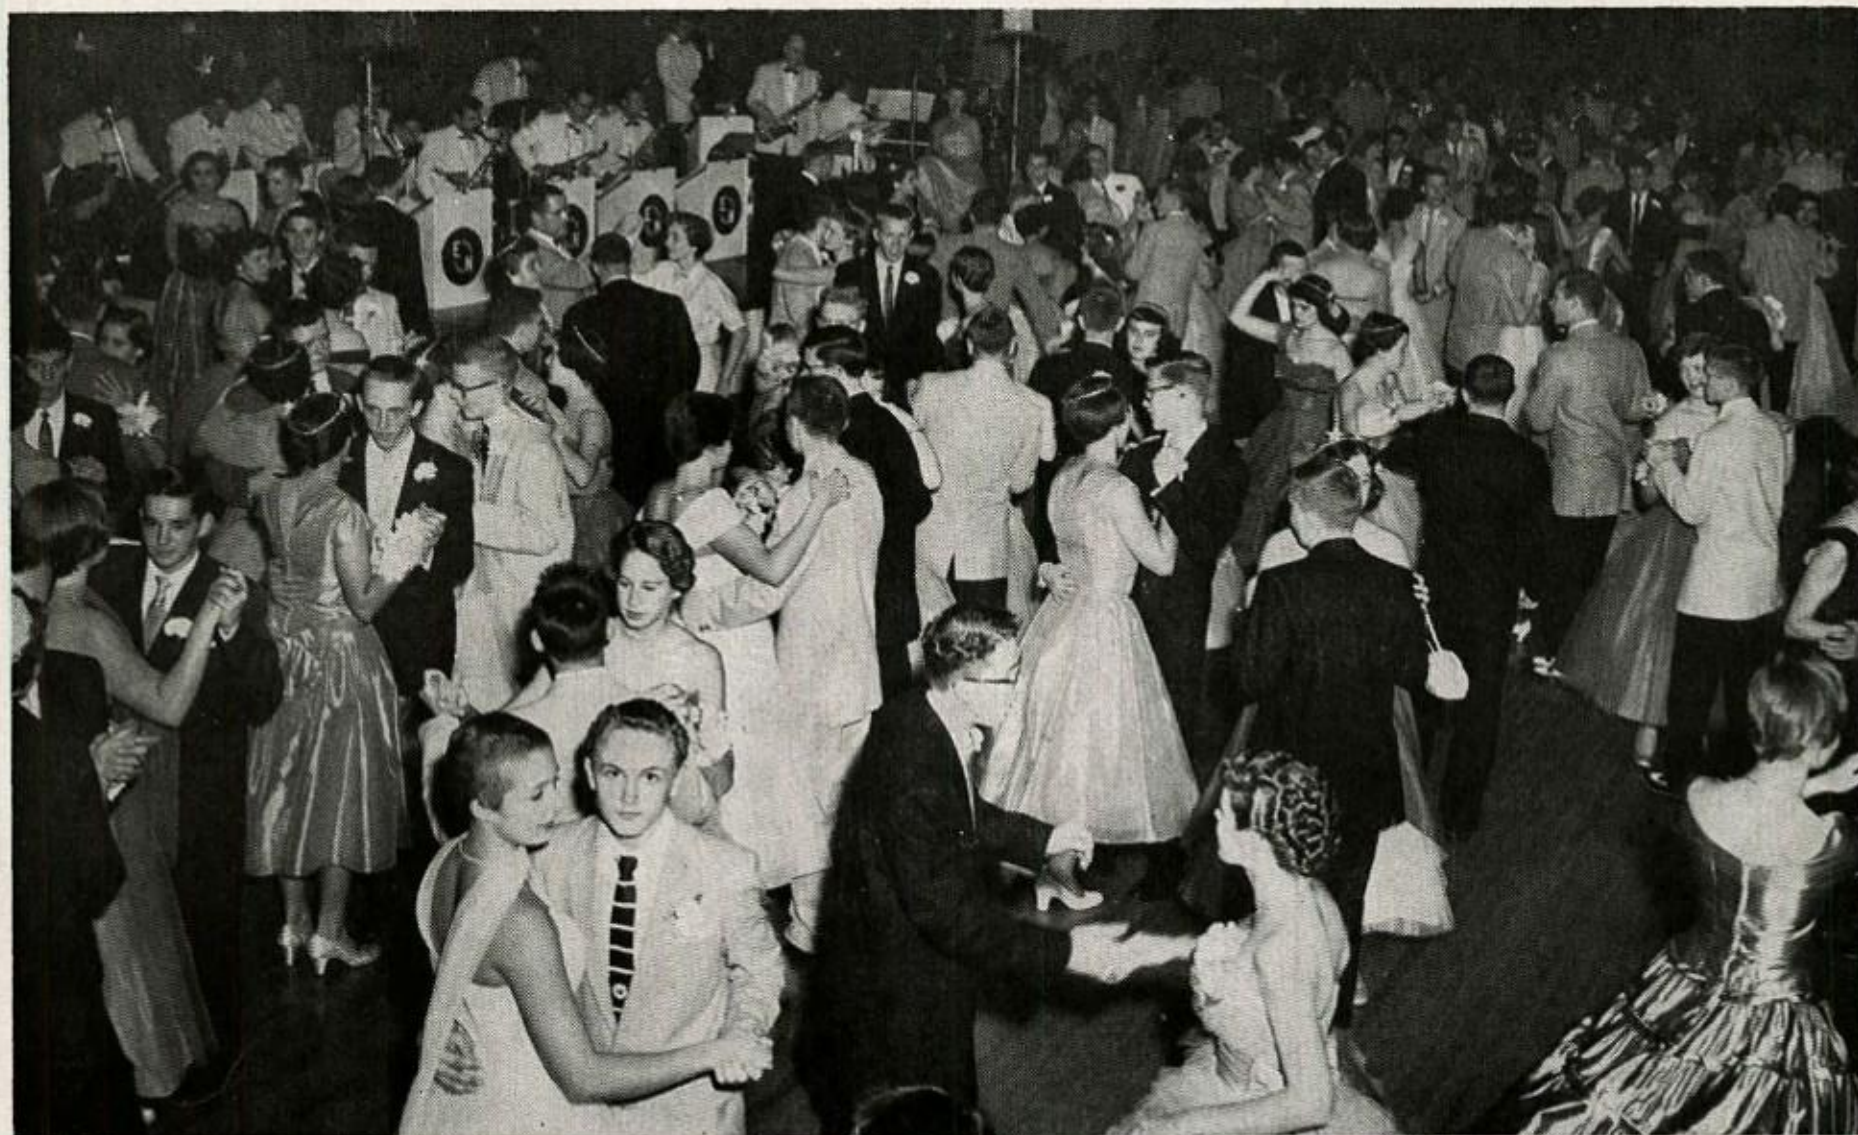

On October 22, 1955, several hundred starry-eyed dancers ascended the "Stairway to the Stars." The occasion was the Girls' League's Ninth Annual Autumn Prom. The music was provided by Earl Newport and his orchestra.

General chairmen for the celestial event were Sue DeCroes and Judy Grawcock. Their heavenly helpers were Ione Benham, Judy Craig, Donna Graf, Betty Jo Graves, Becky Harmon, Mary Ellen Harnish, Nancy Holt, Kay Kelly, Jane Pence, Lu Ann Shank, Becky Shuss, Elizabeth Simpson, Sara Trobaugh, Judy Tubbs, Barbara Vaught, and Judy Winslow.

Paul Conwell reigned as Rex; and his court was composed of Jim Cameron, Larry Cook, Bob Maxwell, Larry Miltenberger, and Tom Simmons.

Serving as co-sponsors were Miss Estella Pearce and Mrs. Audra Lindley.

The dancing angels at the Autumn Prom enjoyed heavenly music.

Senior girls entertained their first loves—their mothers—with a Valentine Tea.

The announcement of new officers and the unusual decorations combine to make the Mother-Daughter Reception one of the most interesting social functions of the year.

Boys' Legion

Take your choice of the boys who head the KHS Boys' Legion for 1956, and you'll have a hard worker as well as a good citizen.

The boys this year were under the able leadership of Paul Conwell as president and Tom Simmons as vice-president. Jerry Christie was secretary; Larry Cook, treasurer; and Bob Maxwell, sergeant-at-arms. Dean Jones is the founder and sponsor of the Boys' Legion.

These men of KHS have two main projects which they sponsor annually: the talent showcase of KHS, Hullabaloo; and the Stardust Ball. For the first time, the Legion this year also erected an outstanding Christmas display in front of the gymnasium.

Helping the officers to make the projects successes are the Board of Directors. On the Board were seniors Fred Douglas, Mike Dalzell, and Dick Suter; juniors Dale Wise and Jerry Martin; sophomores Tom Beety and Walt Ligon; and freshmen Bill Kessler and Jack Herr.

The choir delighted the ear and eye as they swayed in their pink and charcoal to the harmony of "If I Loved You."

Hullabaloo

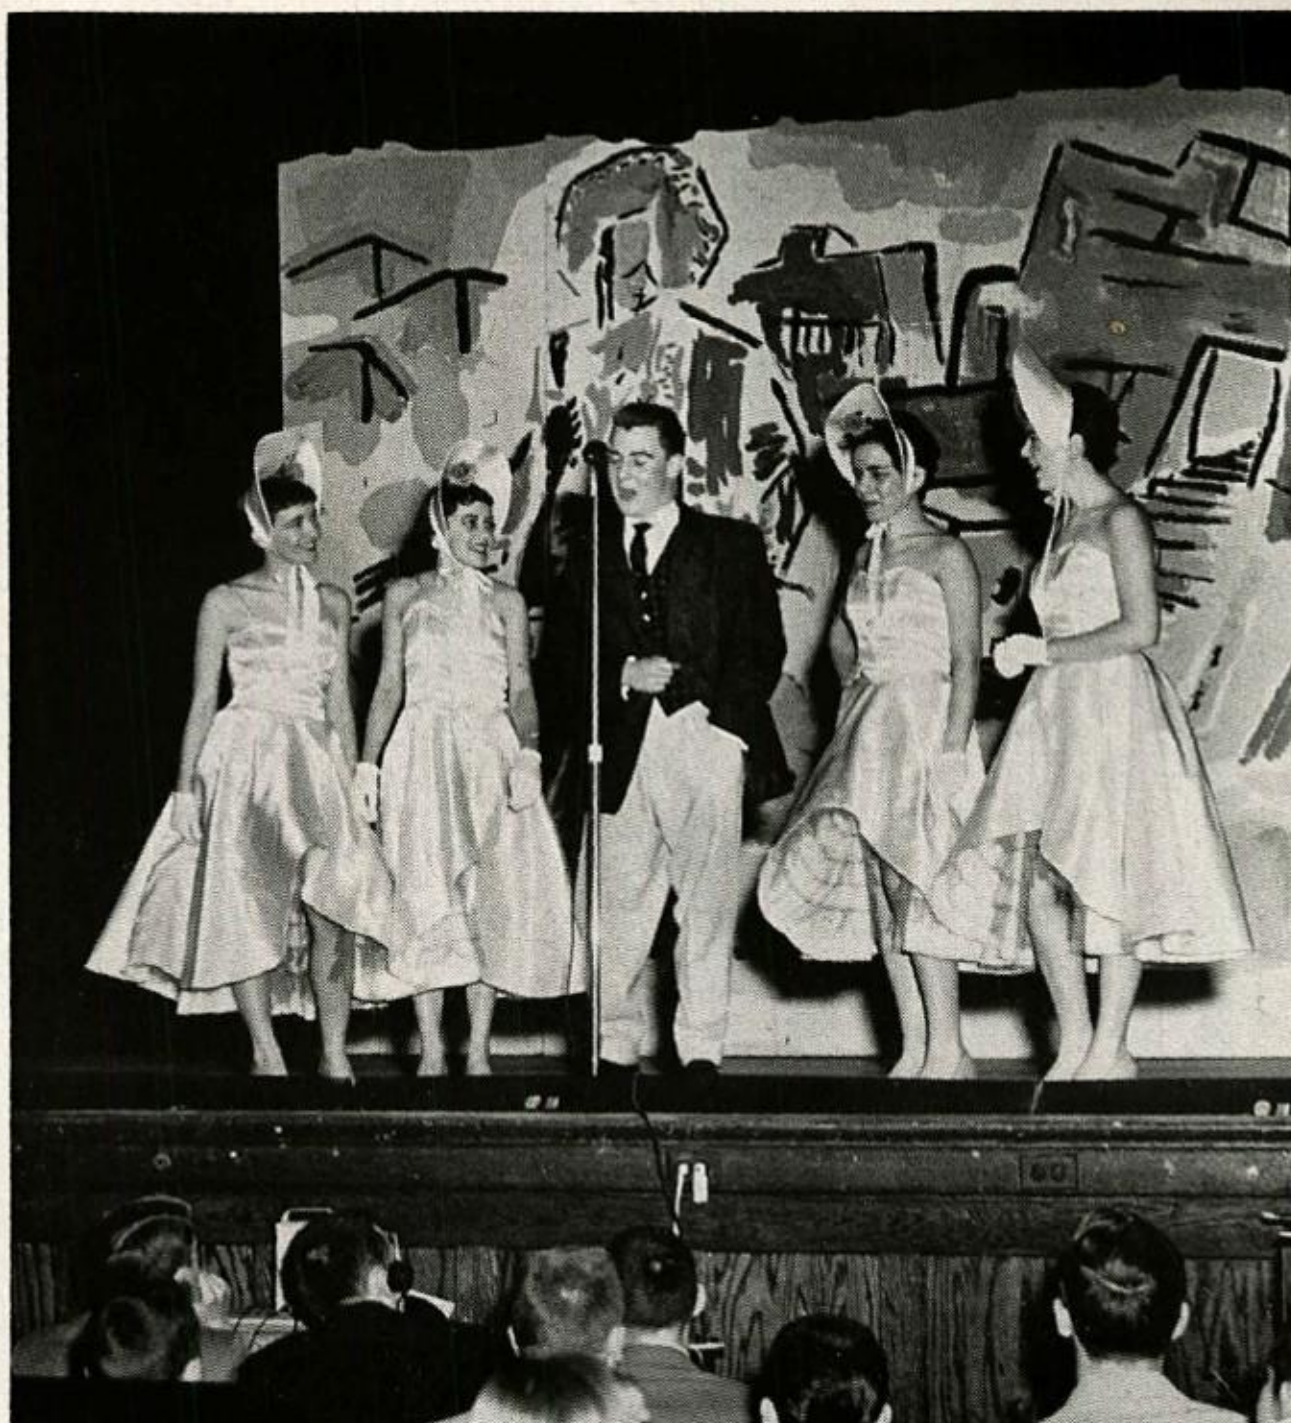

Hullabaloo—the word means comedy to some, songs and music to others, and dazzling costumes to still others. In reality it is all of these and much more. In all the splendor of costumes, lights, and background music, the show of shows presents a variety of characters and routines invented by the students of KHS.

Under the direction of Kent Blacklidge, general chairman, this year's show was the best ever. Amid the color of a college campus Mike Dalzell, Emcee, led the cast of fairyland favorites, danc-

ing girls, and a great variety of other acts to a hit show.

Faculty members assisting in the production were Mrs. Frank Kern, Mr. Karl Kiger, and Mr. Douglas North. The co-chairmen were Dee Saul, Bob Schwindt, scenery; Bob Miller, Bob Leffert, tickets; Dave Toney, Jack Brown, P. A. system; Jim Reith, Larry Fewell, lighting; Larry Cook, Everett Harris, ushers; Jim Winslow, Joe Snyder, publicity; George Howell, Ron Bargerhoff, properties; and Joe Jansen, Fred Granson, stage crew.

Mike Dazell found Carolyn Wagoner, Joann Hord, Jo Hayes, and Judy Thrasher something to sing about.

Red and Blue

Looking over past issues of the Red and Blue are the newspapers editors Judy Winslow, Jerry Hartley, Susie Striebel, Elizabeth Simpson, Mollie Buckley, Ann Pearce, and Danny Grecu.

"Get those cuts for the six-inch ad!" "Fill that hole on page six!" These exclamations may seem confusing to you, but to the Red and Blue staff, the problems were part of their daily work.

Every two weeks, the Red and Blue presented the latest in news and sports, spiced with features and editorials concerning KHS occurrences.

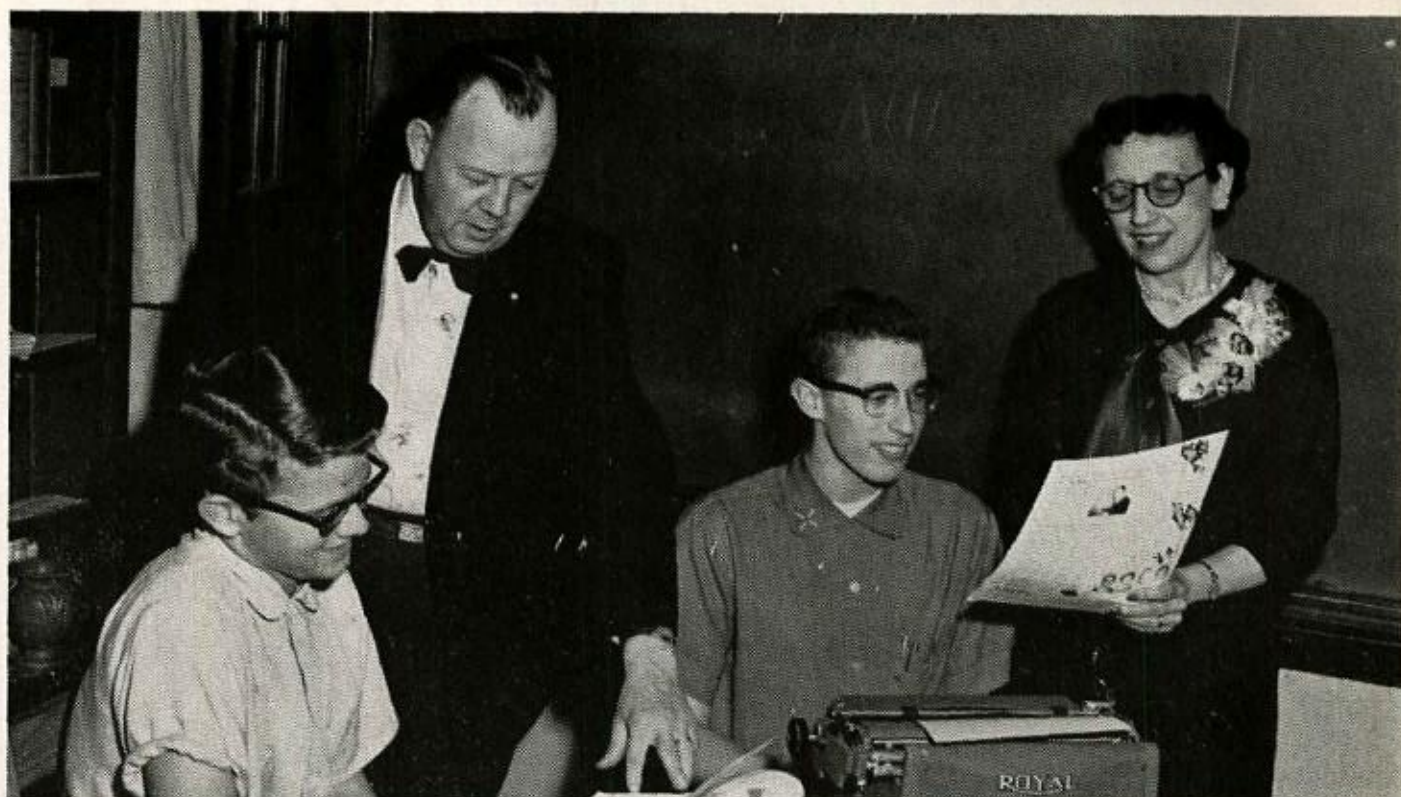

Subscription campaigns, too, were important to the Red and Blue's success. First semester, skits were presented in the auditorium by various students. Second semester, race cars and record sessions combined to help subscriptions climb to almost 1450.

Heading the news staff was Mollie Buckley; editorial, Judy Winslow; feature, Susie Striebel; and sports, Jerry Hartley. Mrs. Frank Kern was editorial advisor, and Elizabeth Simpson was editor-in-chief.

Managing the business portion of the paper was Jim Winslow, assisted by Janet Smith, advertising; Lewis Poe, circulation; Sue DeCroes, corresponding secretary; and Ralph Williams, production manager.

Throughout the trials of deadlines, disagreements, and dilemmas, each member of the Red and Blue staff has many "moments to remember."

The Lens

Every summer when the rest of the gang are having the time of their lives at the swimming pool, the editorial staff of the *Lens* is at work! All this toil is worth the effort, however, for the *Lens* is a big aid to the new students of KHS. This handy guidebook, published by the Student Council, also helps the upperclassmen because it lists new teachers and room changes.

Sargasso Staff

Did you ever wonder what goes on throughout the year behind the doors of 211 and 116x? Come with us, and we'll take a peek at the production of the 1956 Sargasso.

The time is September, and the dummy, with the assistance of Mr. Frank Moore's drafting facilities, nears completion. The editors, under the direction of Miss Elizabeth Handley, are conferring with the pictorial editor about the positions of certain pictures to be taken by Mr. Evart Adams, our photographer. While this planning is going on, the business department is busy selling the annual through its school and downtown sellers. Mr. William Gatlin, a new face around KHS, has assumed control of the business and pictorial staffs and reports a sales record of 1850 books.

When October rolls around, writers have been chosen and assignments made. The staff then finds time for a jaunt to the country for a hamburger fry.

with copy provided by the editorial staff. When the heads, plates, captions and copy are all complete, the presses roll.

March and April spell proof-reading. The newly printed pages have the usual mistakes which the staff soon discovers and corrects. This is also the time when last-minute photographs are scheduled and copy deadlines posted. All of this takes a lot of time, but one evening is reserved for a dessert party where presentation of awards to staff heads is made by Mr. O. I. Farmer.

May is definitely the closing chapter. Everything has been turned in. The book has been printed and sent to Anderson for binding. Here it is mated with the much discussed and little known cover and sent back to those secret doors for distribution. The final banquet comes next, and the last step you know—you are given your 1956 Sargasso. To you it is probably just a record of 1955 and '56 at KHS, but to the members of the staff who worked so hard in its conception, it is something far greater. It is a diary of rich experiences and wonderful memories.

Choir

In room 315 each sixth period, the Kokomo High School Choir rehearsed under the capable direction of Miss Mary A. Fausset. Chosen as officers were Mike Dalzell, president; Joe Snyder, vice-president; Judy Mock, secretary; Kay Kelly, treasurer; Carol Eades and Estella Balog, librarians; and Carol Coe, accompanist.

Some of its programs have become traditional, such as the Christmas concert. No one would feel that it was time to start Christmas vacation until he had gathered with the choir around the tree in the front hall to sing Christmas carols. During this season, the choir also fills engage-

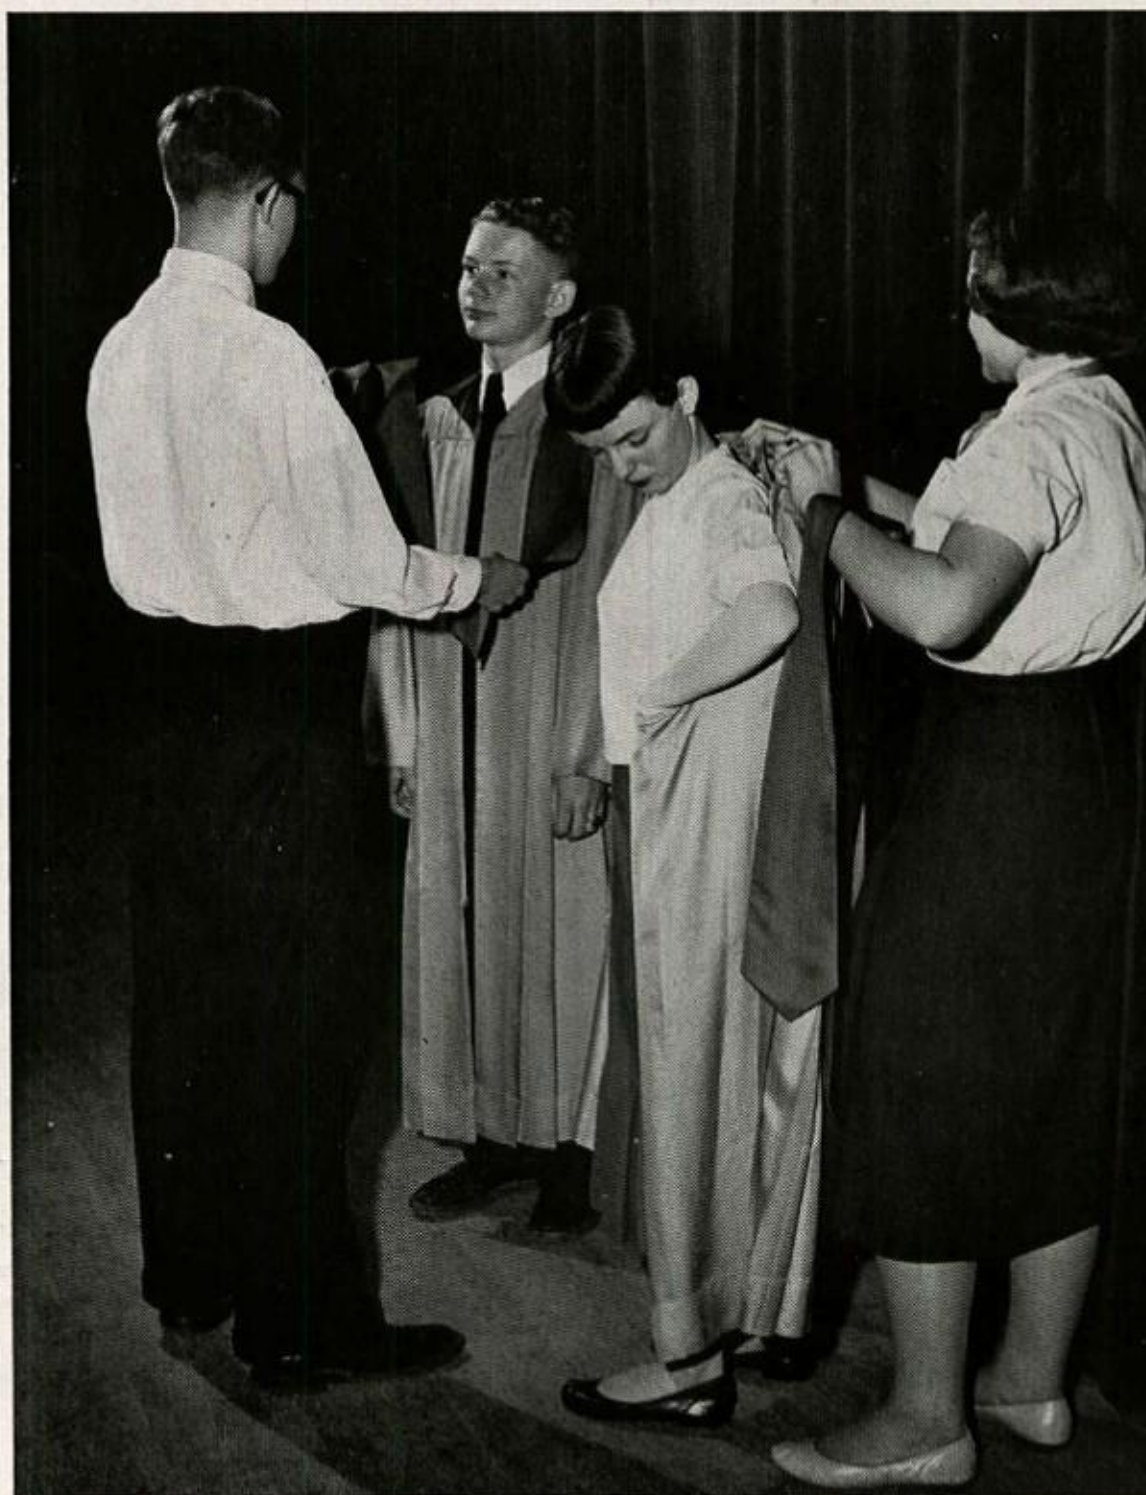

ments with various service clubs and sororities in Kokomo. Selections by the choir from *Carousel* added much to the success of the Hullo-laballoo. The choir also took part in the District Choral Festival, Four City Music Festival, All City Festival, and the Band Concert.

Climaxing the year's activities is the Choral Cavalcade. When the glee clubs join the choir in presenting this program, everyone is assured of good music and pleasant entertainment. On this night the seniors sing goodbye to Miss Fausset, and the new choir members proudly don the robes of the reluctant graduates.

Christmas at KHS means the Choir and Christmas trees.

The official robing ceremony welcomes new members into the Choir. Jon Bailey, Bill Perry, Jill Baker, and Judie Henry.

Band

Where would the music lovers be without the music makers? Some of the best music ever heard is produced by the Kokomo High School Band under the direction of Mr. Joseph Ragains.

If you like everything in rhythm from military marches to ragtime, then lend an ear to the KHS Band. From Kautz Field to the Memorial Gym the band annually entertains fans with our school song, popular music, rock 'n roll, and the military marches of John Phillip Sousa.

It's hard to tell who enjoys the music more—

those in front or those behind the instruments. But regardless of the answer and regardless of the occasion, be it Music Festival, Hullabaloo, or sporting event, the band plays on, bringing entertainment and enjoyment to all those within hearing distance.

The officers this year were Bob Miller, president; Dee Saul, vice-president; Jack Jarrett, secretary-treasurer; Mike Fenn, drum major; Bob Thrasher, assistant manager; Diane Ragains, assistant drum major; and Carolyn Catt and Janice Hutson, librarians.

Y-Teen Activities

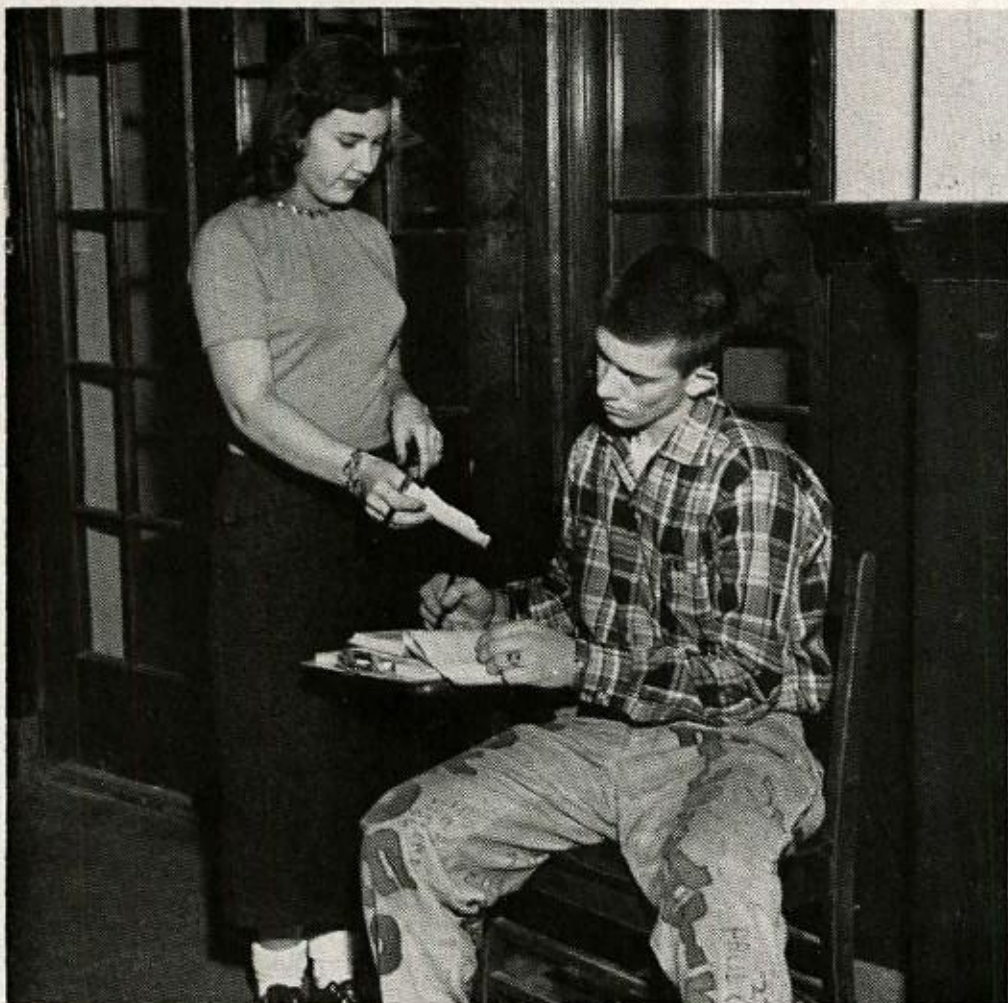

The annual Snowball Dance is one of the Y-Teen's many activities.

They had fun this year sponsoring after-game dances, the annual Snowball, social and religious activities, and drives for needy persons, as well as making a scrapbook to send overseas.

Two new musical groups were added; the Y-Teen Sextette and the Y-Teen Cor-dettes.

The friendships made in Y-Teens will always be treasured.

Let's see your pass! Nancy Fierke is stopped by an alert monitor, Joe Jansen.

As the police department is a servant of the people of Kokomo, the monitor system is a servant to the students of KHS. The system is altogether useful and necessary. It provides for students being stationed in the halls at strategic spots to regulate the flow of traffic during classes. Although it is sometimes inconvenient to have that "pink slip," we can all realize its importance in maintaining order. Monitors are also very helpful in escorting visitors and delivering call slips for the various offices. Each period a faculty member is responsible for the monitors, and a monitor captain coordinates their efforts.

"Charley's Aunt"

Much to the approval of a delighted audience, the Senior Class of 1956 chose the three-act comedy "Charley's Aunt" as their "play of the year."

The opening scene takes place at St. Olde's College, Oxford, England, where two undergraduates, Jack Chesney (Larry Fewell) and Charles Wykeham (Jerry Hartley) anxiously await the arrival of their sweethearts. Also due to make an appearance is Charley's aunt, Donna Lucia D'Alvadorez (Susie Striebel) who is to chaperon the rendezvous. Upon learning that Donna Lucia will be unable to arrive in time, the frantic boys persuade Lord Babberley (Mike Dalzell) to masquerade as the aunt.

The girls, who are completely charmed by the aunt from Brazil "where the nuts come from," agrees to spend the afternoon.

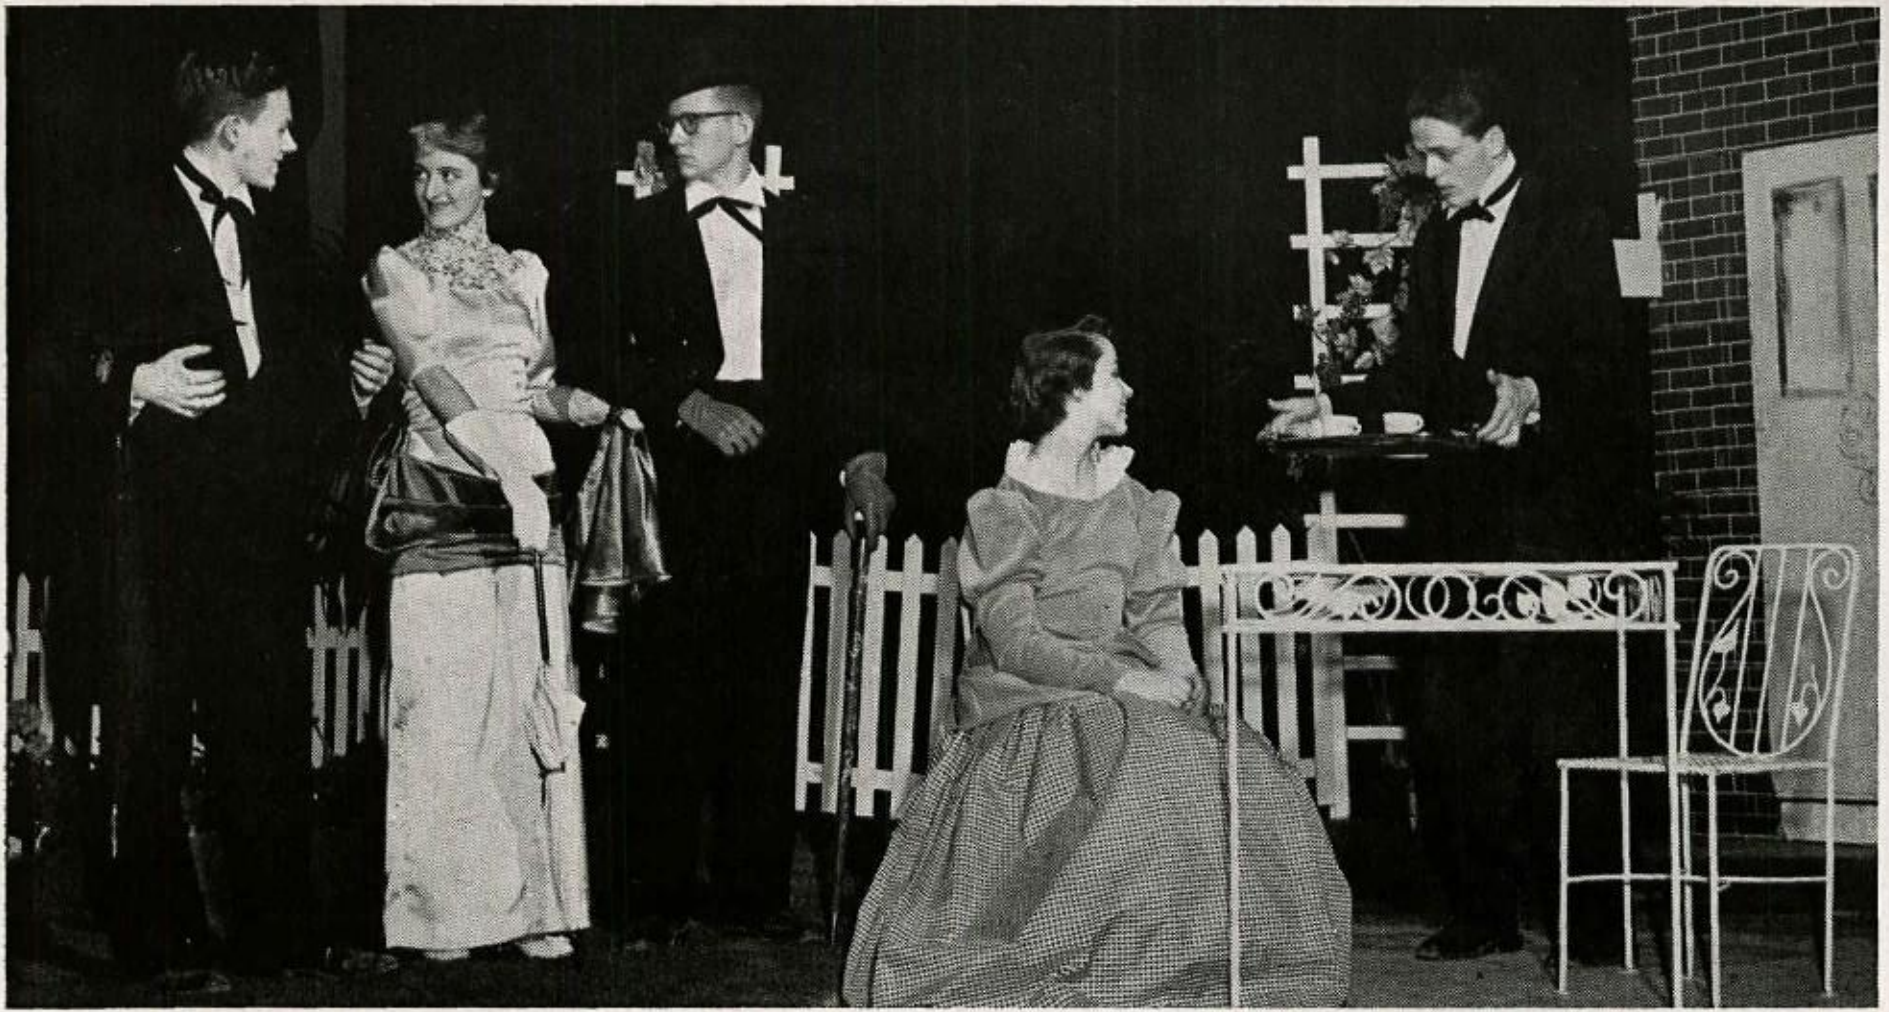

When Stephen Spettigue (John Hawkins) learns of this affair, he immediately proceeds to the college to rescue his niece. An unexpected visit from Jack's father (Joe Snyder) also disrupts the boys' well-planned afternoon. To complicate matters, both Colonel Chesney and Stephen Spettigue fall in love with the fake aunt.

The awkward situation comes to a hilarious climax when the real Donna Lucia arrives and all is disclosed.

As the curtain rang down on the happy couples, the audience showed their appreciation of a fine performance by their loud applause and hearty laughter. The cast was expertly guided by Mrs. Frank Kern, Mr. Douglas North, and Mr. Karl Kiger.

"I'm Charley's aunt from Brazil—where the nuts come from." Left to right: Kay Kelly, Jerry Hartley, Joe Snyder, Susie Striebel, Mike Dalzell, Judy Winslow, Dick Woolley, John Hawkins, Larry Fewell, and Judy Kessler.

"Donna Lucia!" "Allow me." John Hawkins and Joe Snyder vie for the attention of Susie Striebel as Dick Woolley serves tea to Judy Winslow.

Junior-Senior Reception

This year the Junior Class joined together to present the biggest project of the year for the upperclassmen, the Junior-Senior Reception for 1956.

Co-chairmen and committee heads were selected by faculty members and students, each junior hoping that he would be one of the lucky few to be chosen. Then a theme was decided upon and carefully kept "tucked under their hats" until the big night.

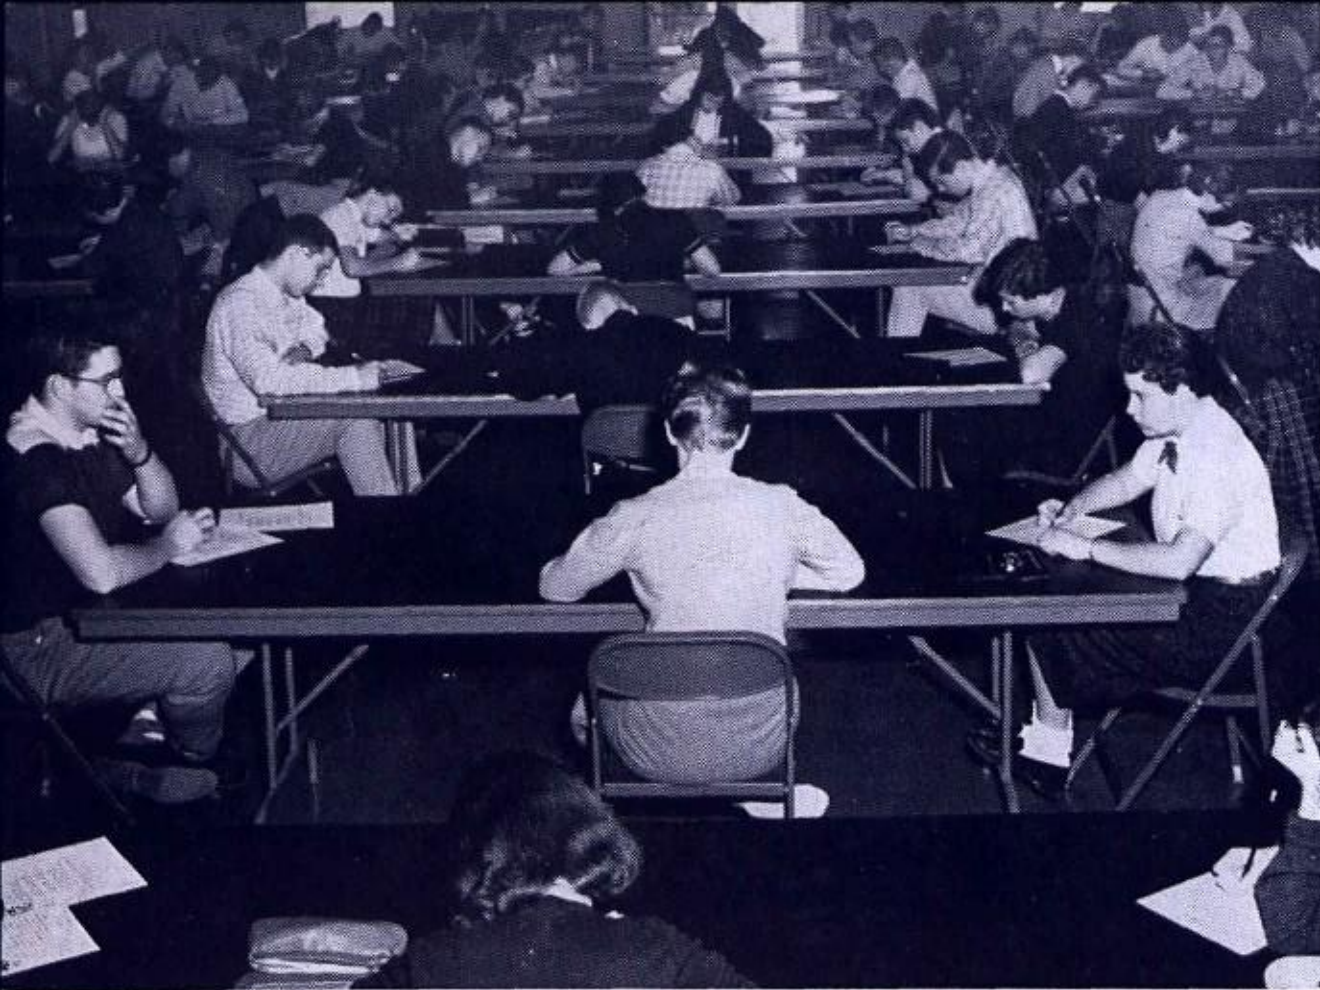

Each junior personally contributed his share to making the dance the best ever presented. Making arrangements for the band, checking eligibility and issuing invitations, preparing refreshments, and working on decorations caused many to spend long hours of tiring work. Upon seeing their accomplishment finished the night of the dance, however, they forgot everything except having a wonderful time.

Boys from each of the senior roll rooms nominated three candidates for Queen, and narrowed the list by another election to five nominees. The junior boys, however, were the deciding factor as each cast his ballot for one of the five girls for Queen of the Junior-Senior Reception.

Seniors found the Indiana State Scholarship Tests took all morning.

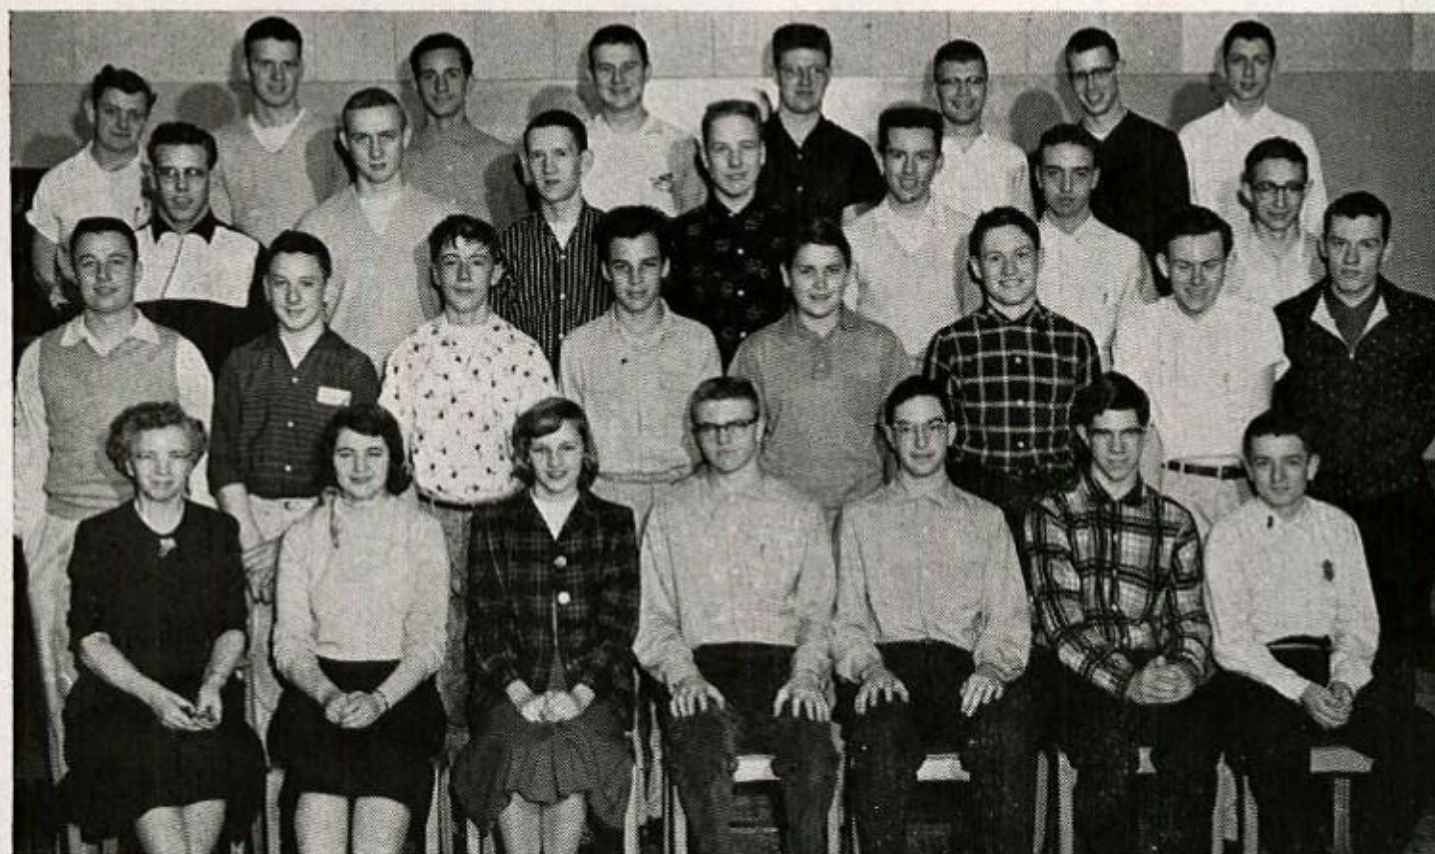

Test Of All Kinds

The General Motors Scholarship program and the National Merit Scholarship Corporation offered opportunities, this year, for ambitious seniors to win scholarships. With these and many other opportunities available, no senior could complain about the absence of funds if he really wants to attend college.

Many a student felt a glow of pride when he won a medal in the Indiana University Achievement Tests in January. Included were contests in Latin, math, Spanish, and English. They began with a local elimination contest and concluded with the finals at Bloomington in April.

Many backs were bent as students participated in the I. U. Achievement Tests.

A lighting problem is being worked out during dress rehearsal of the Dramatic Club Play.

Operators

Whenever the need arose for someone to run a projector, set up a public address system, or perform some similar school service, an operator, trained in this field, was always on hand. Although not in a club, they were organized to the extent that services could be rendered during all seven periods of the day and frequently at evening programs. Volunteering their services, they were sponsored by Miss Fay Cover.

Debate Team

Resolved: That the federal government should guarantee higher education to qualified high school graduates through grants to colleges and universities.

Under this general topic, several students from KHS went bravely into the field of battle this year armed with such powerful weapons as federal control, dilemmas, student need, several debate handbooks, and a well-worn copy or two of Noah Webster.

This year's team had only four members left from last year. It gained, however, about sixteen new debaters. With the guidance of their coach, Mr. J. Paul Kendall, the team went to several different schools throughout the year, such as Peru, Delphi, and Ball State.

On January 14, Kokomo was host to several other schools at its own debating conference.

Winning most of its interscholastic debates and a large percentage of the tournament debates, the team experienced a very good season.

Speech Club

The Speech Club had a very active schedule this year, participating in several interscholastic speech contests.

Aside from its main activity of debating, members also took part in extemporaneous speaking, original oratory, dramatic and humorous declamation, oratorical interpretation, poetry reading, and radio announcing.

The Speech Club is a member of the National Forensic League. Points are earned toward the N. F. L. by participation in the various speech contests during the year.

International Relations Club

The International Relations Club really went international this year! This fact was proved by the memberships of Barbara Vess from Germany; Albert Kudsi-Zadeh, Iran; and Frances Banbury, England.

The highlights of the year was the annual Model United Nations Assembly. It was held at Anderson College on March 16. There the delegates gained experience in parliamentary procedure and met other students interested in foreign affairs.

The meetings of the club were highly entertaining because of the movies and talks concerning life in foreign countries. At the Christmas party, members gave short talks explaining traditional Christmas celebrations in other countries.

Under the sponsorship of Mr. Fred Mustard, the officers, Albert Kudsi-Zadeh, president; Judy Grawcock, vice-president; Donna Graf, secretary; and Mary Ellen Harnish, corresponding secretary, worked with other members to help the club obtain the goal of another highly successful year.

Future Teachers' Club

Would you like to serve your country? There is a national crisis for teachers, and the Future Teachers Club has been organized to help fulfill this need.

The club's purpose is to learn about opportunities in teaching and to foster the development of student leadership.

Programs for the year included speakers in various phases of teaching. Other activities were panel discussions, questionnaires, and a box lunch social.

The club is under the sponsorship of Mrs. Lena Coombes and Mrs. Peggy McClung. They, with the officers Kay Kelly, president; Carol Brown, vice-president; and Becky Shuss, secretary-treasurer, led the club through another successful year.

Future Teacher Girls entertained the teachers with a box supper at Christmas time.

G. A. A.

There is always excitement in the gym each Monday after school when members of the Girls' Athletic Association enjoy one of their favorite sports. Basketball, socker, volleyball, and bowling are some of the activities offered.

The G. A. A. was very active this year. In the fall five girls went to a basketball clinic at Purdue where they learned the new rules of basketball. Our G. A. A., with other schools, enjoyed play-days when a special sport was played with awards given to the winners.

Climaxing the year's activities was the annual Mother-Daughter Banquet. Awards were presented to the girls by their sponsors, Miss Nancy Wheeler and Mrs. Mary Nelson.

Even the girls played basketball on the G. A. A. Play Days.

Jim Thatcher thoughtfully studies a display in the art showcase.

For future Rembrandts and Michelangelos there was the Palette Club. The main activity of this group was painting the windows of downtown stores with Halloween pictures. The profit from this project was returned to the community through donations and contributions.

At the regular meetings the members had lectures and demonstrations by people known in the field of art. During the school year the members prepared work to enter in art exhibits.

The club is under the sponsorship of Miss Bernice McKinley and its officers are Villa Willsey, president; Norman Baugher, vice-president; Marcia Kull, secretary; and Sue Fisher, treasurer.

Dramatic Club

"No, no, no, a thousand times, no!"

Maybe these words aren't familiar to you, but they are to the Dramatic Club members. Becoming a member of this skilled group is a skill in itself. Tryouts are held at the beginning of each school year. The students passing tryouts then have to endure the initiation before becoming members.

Needless to say, all members of the Dramatic Club will not become George Gobels, but they do present the students and citizens of Kokomo with some inspirational plays.

This year's three-act play was Irving Stone's *Love Is Eternal*, which portrays the love story of Mary Todd and Abraham Lincoln. Another achievement was the one-act Christmas comedy, *Miss Brooks and the Christmas Carol*.

The young artists enjoyed their trips to the Purdue Playshop productions, where they studied lighting, make-up, and acting.

The club was under the capable sponsorship of Mrs. Elsie Seagrave, Mr. Charles Klinger, and Mr. Urban Steckler. The officers were Jane Pence, president; Sharon Reder, first vice-president; Sandra Brackin, second vice-president; Sally Pyle, secretary; and Judy Winslow, treasurer.

National Thespian Society

"There's no business like show business."

No business is like show business is so very true. Behind all the glimmer and lights go endless hours of work, work, and more work. In order to gain membership in the Thespian Society students must have ten points. Each point is made up of ten hours on any dramatic production.

"There's no people like show people; they smile when they are low."

If you don't believe this, just ask any member who just had an attack of laryngitis or an equally annoying mishap on opening night. The person most likely to know is Mrs. Elsie Seagrave, advisor and founder of Troop 979 of the National Thespian Society.

The Thespians usually present one three-act play or three one-act plays. A meeting is held each month at which a vote is taken among the members. The proceeds from such plays are for the following year's costumes, royalty fees, and scenery.

The officers are Sharon Reder, president; Sally Pyle, vice-president; Jim Winslow, secretary; and Elizabeth Simpson, treasurer.

"In the final accounting, your Mary's life will be profoundly rewarding."

Susan Taylor, Marjorie Nelson, Peter Libby, Eddie Seagrave, Jon Bailey, Charline Williams, Marcia Aldridge, J. D. Button, Jane Pence.

"Love Is Eternal"

Was she a spy or a patriot? Many historians have pondered this question concerning Mary Todd Lincoln.

Staged from the book by the same name, *Love Is Eternal* was under the able direction of Mrs. Elsie Seagrave, one of the Dramatic Club's faculty advisors. The elaborate costumes were styled to display the fashions of the time.

The play was unique in the fact that each of the three acts takes place in a different setting. The first act presents the background of Mary Todd at her home in Kentucky; the second takes place at her sister's home in Springfield; and the third finds the Lincolns at the White House in Washington, where he signs the Emancipation Proclamation.

Mary Todd (Jane Pence) falls in love with Abraham Lincoln (Larry Fewell) in the early stage of his career. With the intense desire to further his political career, she finds that she has to overcome the objections of her high-born family and the attacks made by Lincoln's political enemies. As a symbol of his love for Mary, Lincoln has the words, "Love Is Eternal" engraved in her wedding ring.

Bible Club

The Bible Club was organized to create an interest in the Bible.

Meetings, held every other Tuesday, feature special speakers, Bible quizzes, hymns, and Bible study. These meetings provide fellowship for teenagers of all religious denominations.

The club, jointly sponsored by Mr. Donald Bartlett and Mr. Earl Hoover, elected as officers Janet Ulsh, president; David Meyer, vice-president; Margaret West, secretary; Julia Webb, treasurer; and Robert Atkinson, songleader.

Camera Club

The "shutter bugs" of the Camera Club are exposed at meetings every other Tuesday to demonstrations on developing film, making contact prints, printing with an enlarger, and other basic elements of good photography.

The Camera Club officers were Bob Wilson, president; Wayne Miller, vice-president; and Mary Sue Franklin, secretary. Mr. Frank Moore was sponsor of the club.

Science Club

The Science Club members lead interesting lives. This year they took trips to the General Tire and Rubber Company, the Pittsburg Plate Glass Company, and the Alcoa plant. Besides participating in outside activities, the members plan scientific programs for their own enjoyment.

The sponsors were Mrs. Patricia Christman, Mr. Charles Franklin, and Mr. Shirl Wray. The officers were Jim Reith, president; Mike Fenn, vice-president; and Ione Benham, secretary. If you have a scientific mind, the Science Club is for you.

Library Club

Would you like to be a librarian? Join the Library Club. It is of vast importance to anyone interested in the school library or in library work as a career. Mrs. Ruth Gosma is the club's very capable sponsor.

By the end of the year, its members have mastered the operation of the vertical file, the card catalog, and the Dewey decimal system.

The officers were Sondra Roe, president; Irene Lemieux, vice-president; and Mary Ann Herbert, secretary.

Future Nurses Club

Under the capable direction of Miss Esther Edwards fifty-six girls formed themselves into the Future Nurses Club this year with these objectives in mind: to interest high school students in personal and community health and nursing school facilities; to encourage consideration of nursing as a career; to help members decide wisely whether to enroll in a one, three, four, or five year program of study for nurse's training.

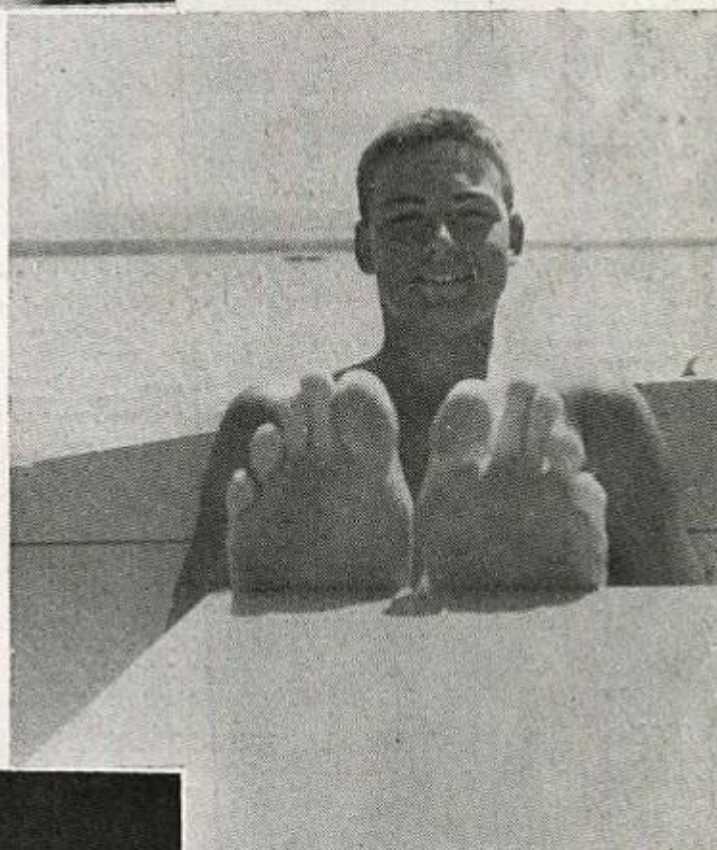

Student nurses from various hospitals visited the meetings and discussed their duties. The members also helped with the tuberculosis X-ray mobile unit as a follow-up to the patch tests, with which they assisted.

Nancy McClain was elected president of the newly organized club. Carol Finley was selected to fill the position of vice-president and program chairman, and Sharon Grable handled the duties of secretary and treasurer.

FRIENDS

We at KHS had fun all year, meeting new friends and acquiring greater knowledge. It started at the beginning of school in September when friends met at lockers and in the cafeteria to compare programs and gossip about summer fun. As the year progressed, we found that many friendships were formed over homework assignments. New romances became current history when guys ran to beat the clock after walking their girls to classes. This fun continued right through June, and we were a little misty-eyed to think of leaving our friends as graduation time grew near.

A Helpful Administration

Every successful large organization needs a board of directors to make laws which govern its operations. The Kokomo-Center Township Schools, of which our high school is a part, is no exception.

Head administrator is the school superintendent, Mr. O. M. Swihart. The legislative body of this organization is the school board, composed of seven members; five of them are appointed by the City Council. Judges of the Circuit and Superior Courts appoint the other two members from Center Township.

This group must pass all school policies before they can go into effect. Under their jurisdiction come money matters such as teachers' salaries and school budgets, building projects such as the Maple Crest and Bon Air Crest schools which will be completed next year, and school schedules for the length of school year and vacations.

The competent members of the School Board have devoted much time to the problems of our school system.

The Kokomo-Center-Township Consolidated School Board.

Seated: Mrs. Katharyn Fell, Mr. L. J. Evans, and Mr. L. O. Williams.

Standing: Mr. Max H. Comer, secretary; Mr. J. O. Finley; Mr. Charles F. Hathaway, president; and Mr. Merrill A. Brunk, treasurer.

Superintendent O. M. Swihart and principal O. I. Farmer plan for a better school year.

Directed Our Efforts

Commander-in-chief of educational operations in Kokomo and Center township is Mr. O. M. Swihart, Superintendent of Schools. With the rapid increase in the number of students enrolled in city schools, Mr. Swihart is mainly concerned with budgets, buses, and buildings.

In command of Kokomo High School is the principal, Mr. O. I. Farmer, who has his headquarters in room 207. His office is the center of activity for our busy school where things are constantly happening and problems must be met. Meeting these problems with a fair-minded approach is part of the work which Mr. Farmer faces daily.

These busy men in our midst will always command our respect and gratitude for the help they have given us in our years at Kokomo High School. They will always be included in our memories of high school as men we may call our advisors and friends.

The Deans Are Busy

Who are the two busiest women around KHS? It didn't take three guesses to decide; they are Miss Estella Pearce and Mrs. Audra Lindley, the Deans of Girls. They are kept continually busy writing tardy slips, listing absentees, filing excuses, and sending call slips. Between them they hear the problems of 1,100 girls. No matter how busy they are, they always have time to listen to any girl tell about her latest flame.

Collecting antiques is one of Mrs. Lindley's many interests. In addition, she enjoys traveling with her family. They often spend their vacation in Maine.

Just mention fishing and Miss Pearce will be ready to join in the conversation. During the summer she is most apt to be found fishing in some northern trout stream or lake. She is also an expert philatelist.

Besides their job as deans, they have many other duties around the school. Both of them teach orientation classes and advise Student Council by serving as faculty sponsors on the various committees. They are also co-sponsors of Girls' League.

Counselling girls is fun! Look at Miss Estella Pearce and Mrs. Audra Lindley smile.

Helping All of Us

Step into room 208, and you will find yourself in a world of boys, ringing telephones, problems, basketball tickets, blue slips, pink slips, yellow slips, and tardy boards. Ruling over this anything but docile domain is the familiar figure of Mr. J. P. Jones, Dean of Boys at Kokomo High School.

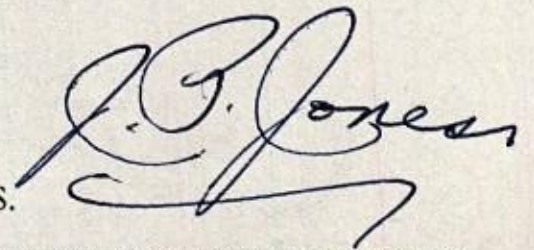

Dean Jones is a combination of friend, counsellor, and disciplinarian to all the boys enrolled in KHS. He is never too busy to offer a helping hand to anyone who is in need of advice.

In his spare time Mr. Jones acts as sponsor of the Student Council, Boys' Legion, and yell group; distributor of tickets for ball games; and assistant to the principal.

To help him with his monumentous work, a staff of office assistants and an attendance secretary are on duty during the day.

So many times the boys fail to appreciate the tireless effort that Dean Jones puts into his work to make the life of the male half of high school less complicated and more interesting. Let's give thanks to a wonderful dean, Mr. Jones.

Dean J. P. Jones enjoys advising the male population at KHS.

Faculty - Helpful Friends

A piece of cake and a cup of punch started a teachers' meeting off on the sweet side.

The members of our faculty are responsible for presenting those facts and figures called lessons. In high school our primary purpose is to acquire an education that prepares us for various fields of endeavor. Through many hours of classroom training, our competent teachers helped us fulfill this purpose.

In addition to teaching in the classrooms, our faculty members are found in the offices, bookstore, gymnasium, and cafeteria where they discharge various duties we often take for granted. We become better acquainted with our teachers at 3:30 when they sponsor extra-curricular activities. Besides serving in professional capacities, our teachers participate in civic affairs and clubs. Many faculty members also perform religious functions and execute the duties of governmental offices.

We give our thanks to the faculty for the knowledge and fun they have helped us to share this year.

Freshmen - Flighty and Fascinating

Mike Astell and Dean Wilson contrast in size, but both are eager to meet the challenge of their freshman year at KHS.

One-way stairs and locker combinations were only two of the things that caused the freshmen to be in the language of "Rock and Roll," a little bit "shook up." But they soon adjusted to this complicated life. By joining various clubs and entering into a variety of school activities, they began to participate in the whirl of athletics and social events of the school.

Their able representatives in Student Council were Dee Ann Alexander, Marjorie Baugher, Emily Burger, Judy Capshaw, Maureen Dalzell, Darlene Deardorff, Connie Garbert, Kati Hagman, Sara Howell, Javonna Lawson, Jeanne Mason, Jane Miller, Sue Myers, Bill Pinkston, Rebecca Reed, Barbara Simpson, Paul Stanley, Robert Taylor, Carol Wright, and Kay Walsh.

The best of luck, Class of '59. You have shown great ability for carrying the responsibility of the years to come.

Sophomores - Unpredictable Skills

Charles Hill, Larry Elson, Carol Salmons, and Carol Finley find that sophomores aren't the only things sprouting around KHS.

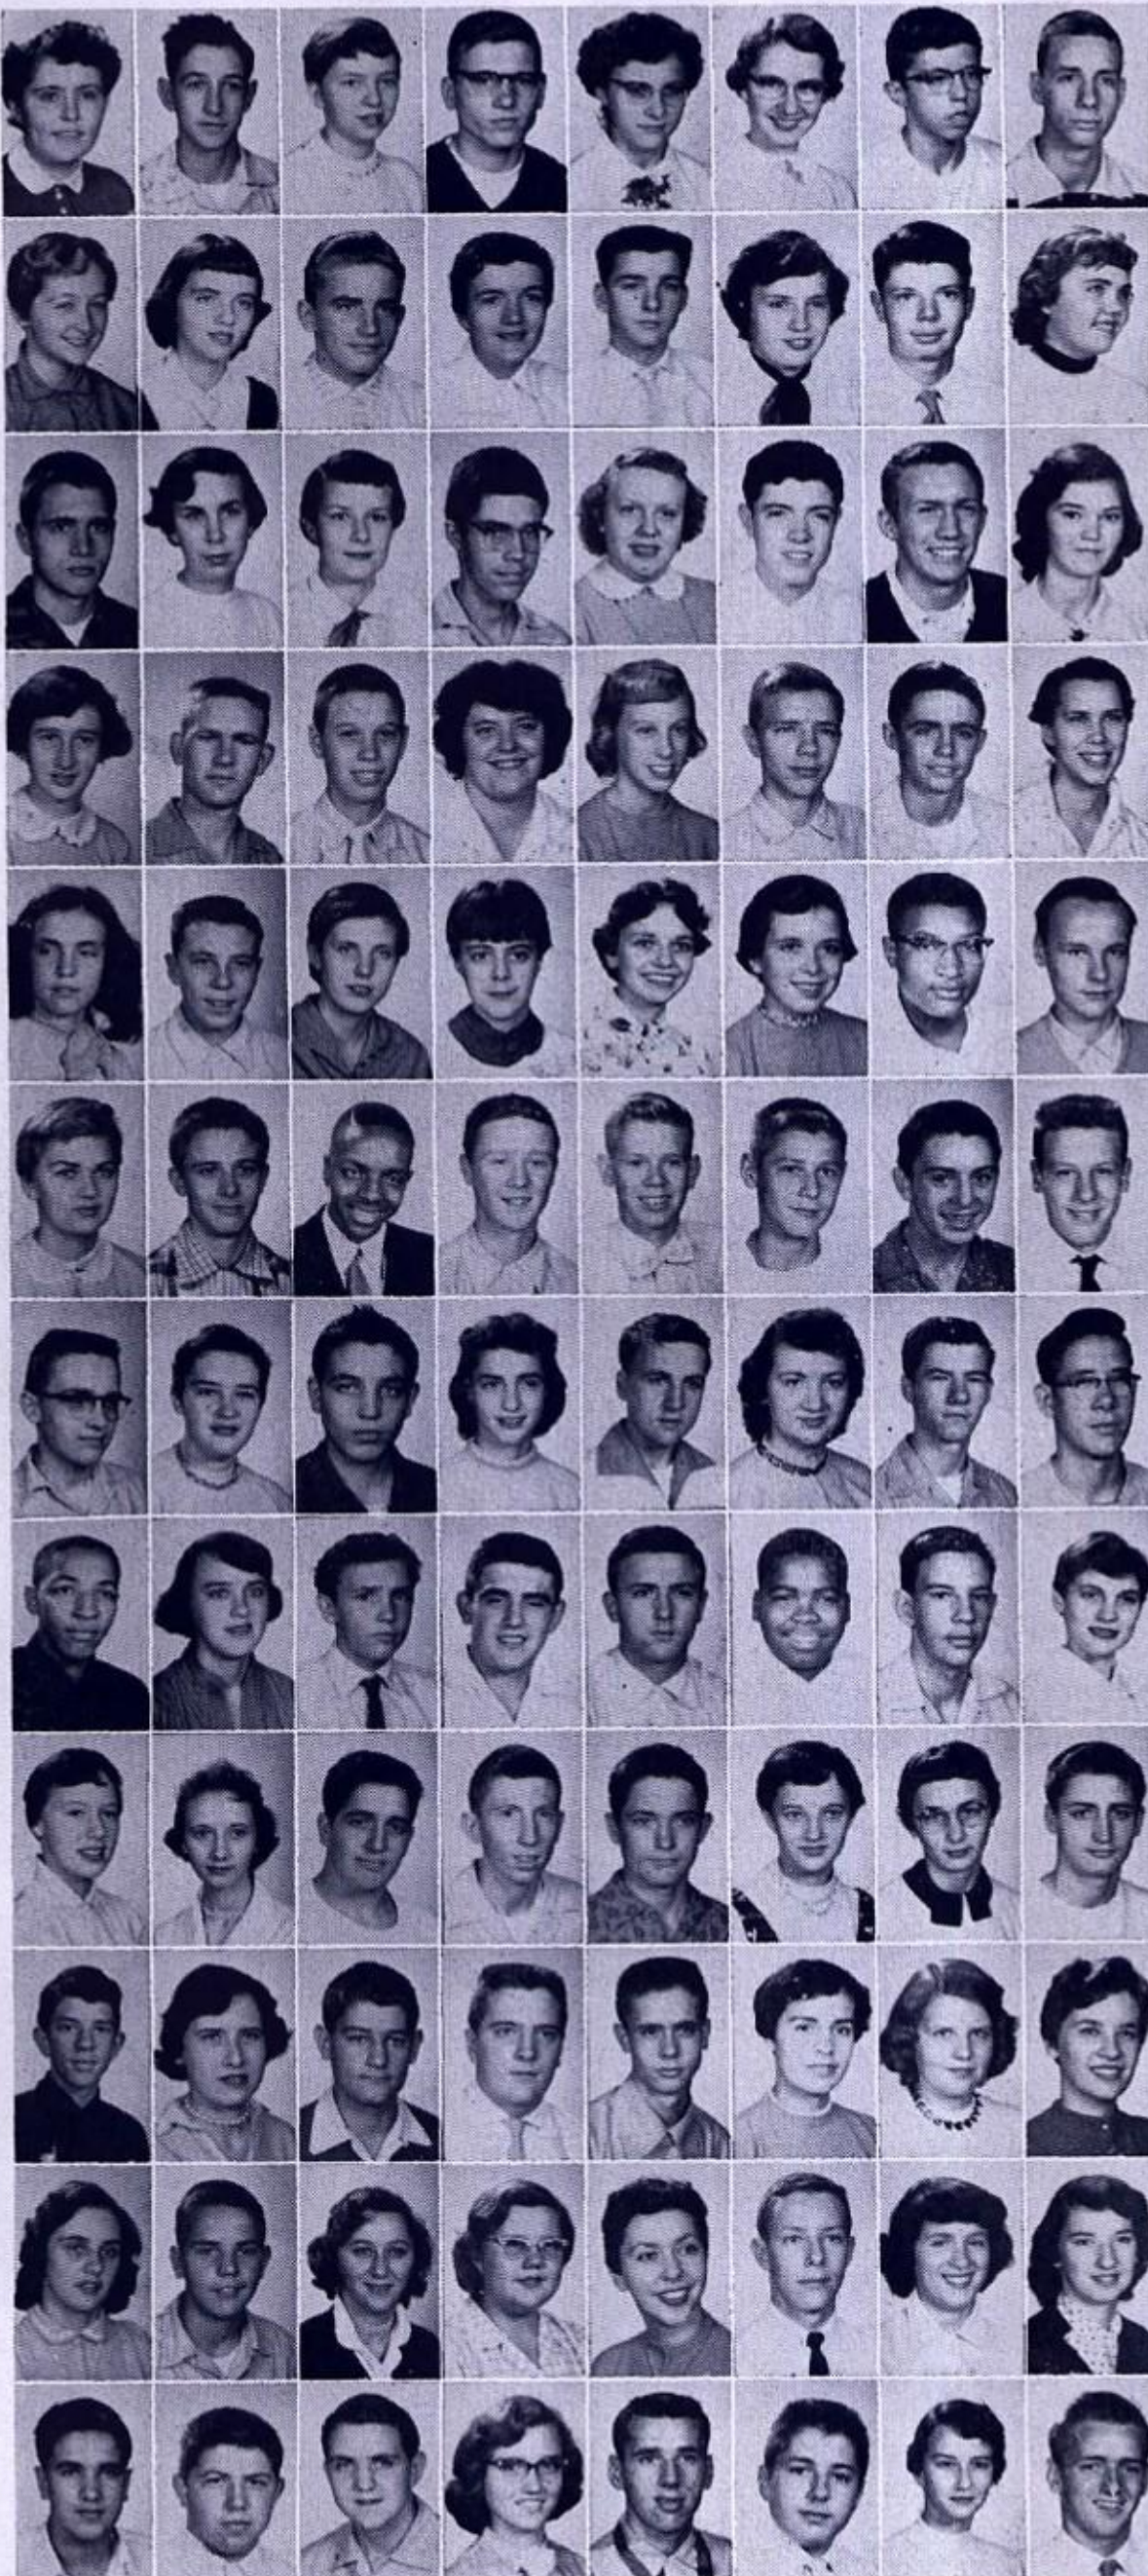

Someone said that sophomores are the forgotten class—not green enough to be freshmen and not wise enough to be upperclassmen. The sophomores of '56, however, will not let themselves be overlooked. Already they are preparing to take their places as leaders in the coming two years.

The sophomore girls chose Nancy Smiley and Nancy Utterback to represent them in the Girls' League Council. Representatives to the Boys' Legion were Walter Ligon, Tom Beety, and Jerry Ashburn.

Sophomore Student Council members were Phyllis Aldridge, Sara Brown, Mary Dempsey, Carol Coe, Mary Davis, Joan Fredrick, Joyce Green, Kay Hankins, Barbara Jonsson, Nancy Maher, Ray Meyers, Pat Noland, Marjorie Poynter, Sara Shuss, Sue Stratford, and Ronnie Wines.

With this fine foundation of leadership, the sophomores can build for a future of fun and success in their coming years in high school and after graduation.

Juniors - One Year to Go

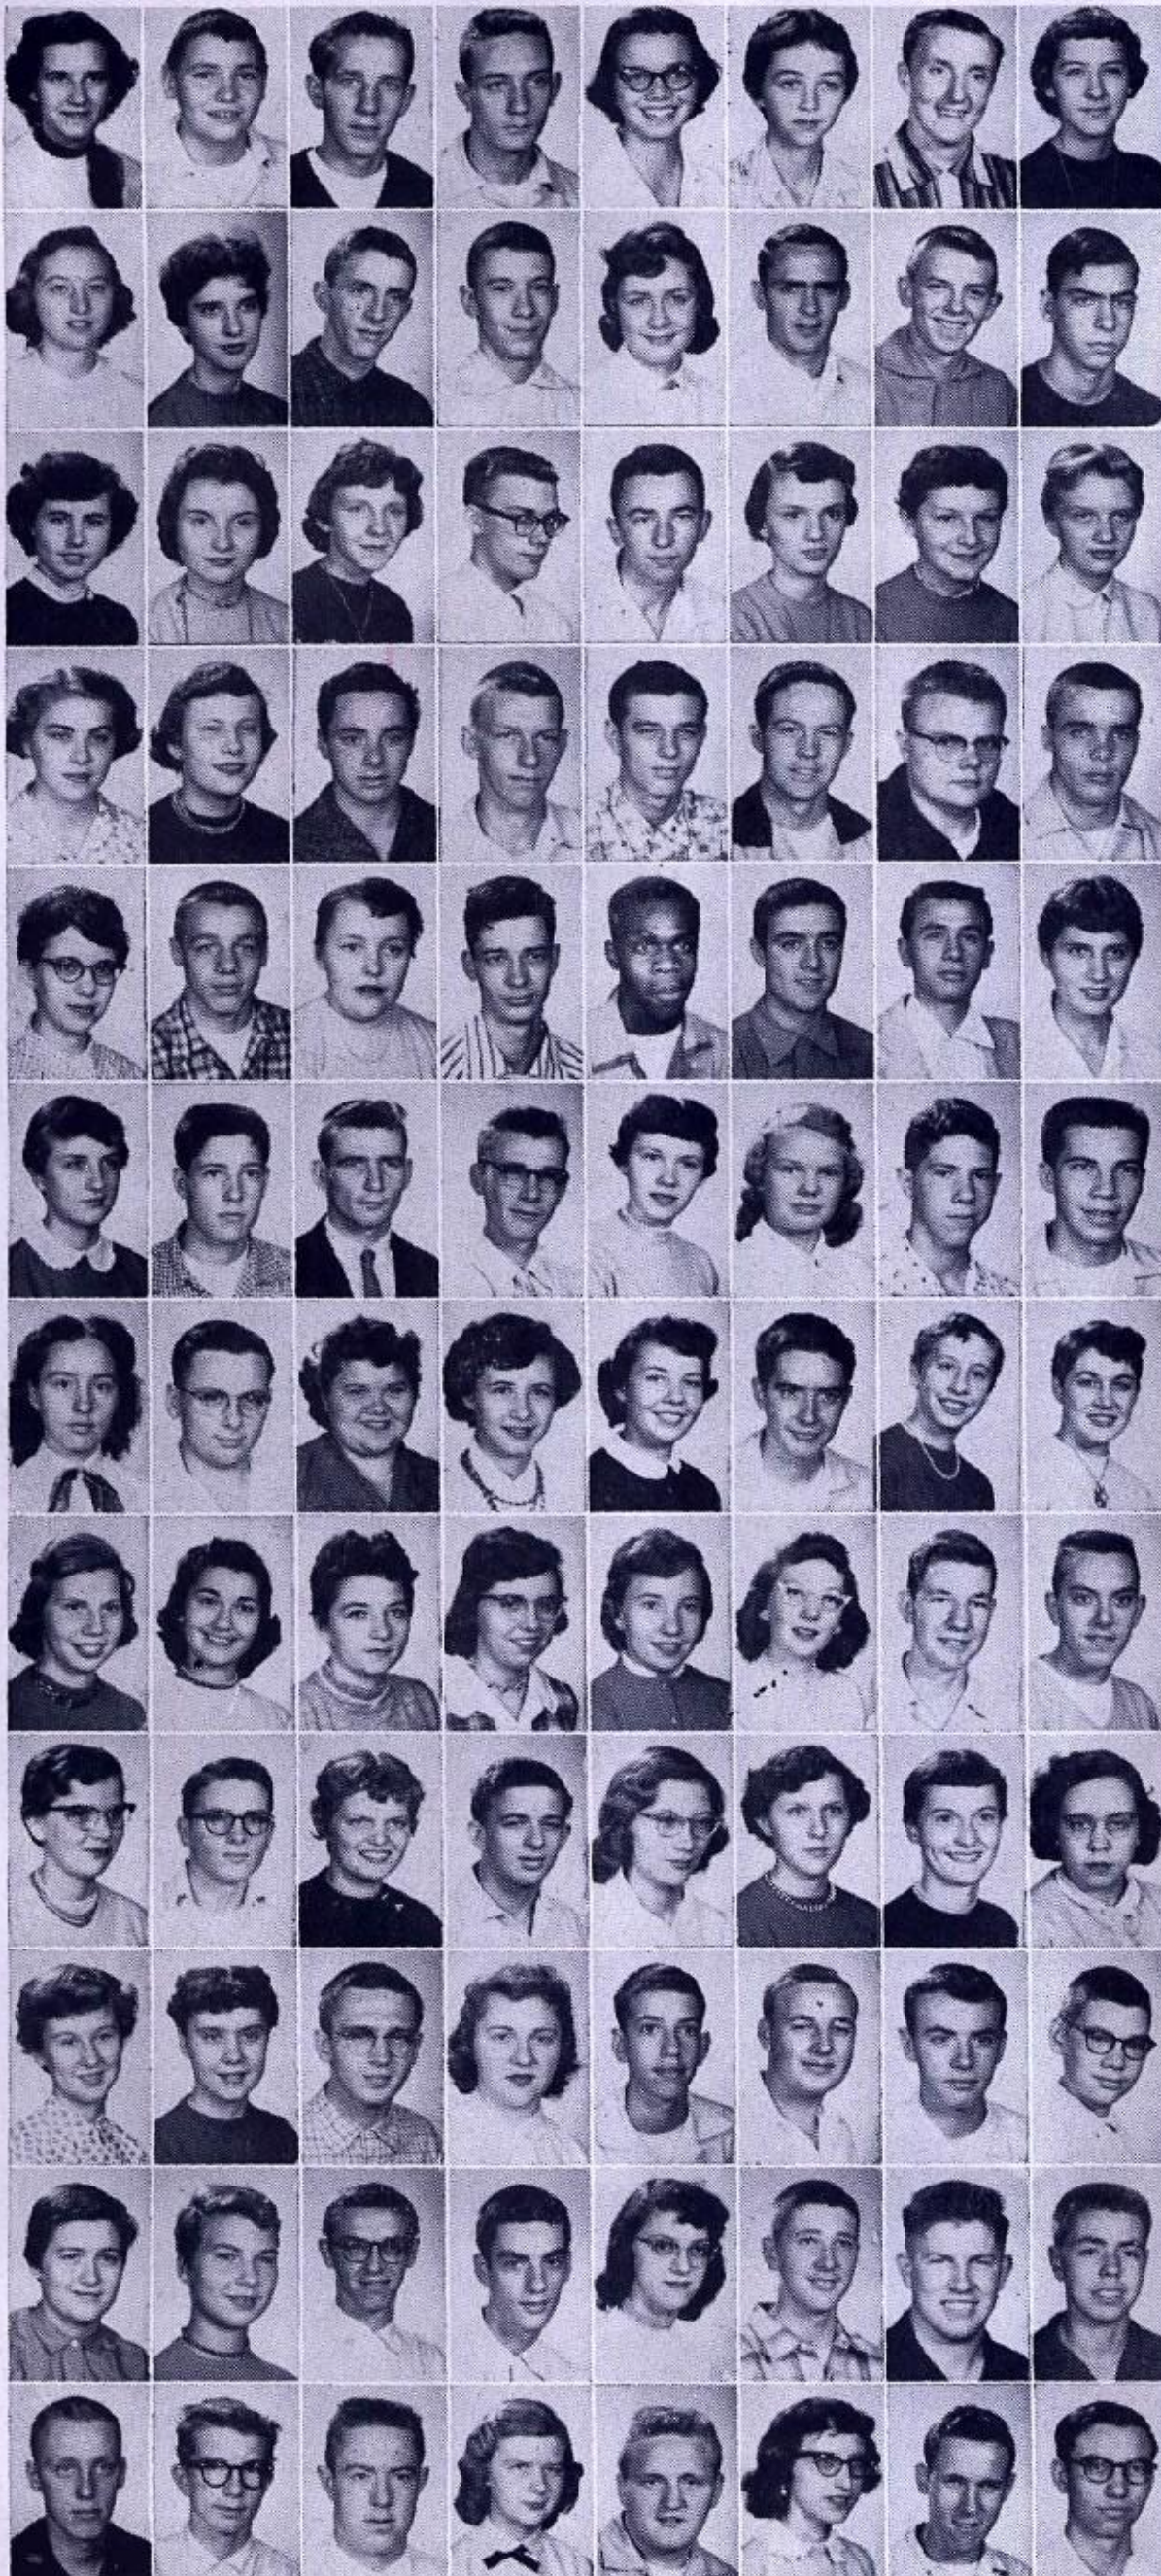

Junior officers are (left to right) Jerry Neal, Dale Wise, Sandra Roe, and Linda Vaught.

Many things occur when a student becomes a junior. He joins the upperclass, obtains a class ring (which he usually gives away), and dents the fenders on dad's car by means of a newly acquired driver's license.

The class also had responsibilities. There were seventeen juniors in Student Council and considerably more arranged for the Junior-Senior Reception. They also participated heavily in extra-curricular activities.

The class chose Jerry Neal as their president with Dale Wise, vice-president; Linda Vaught, secretary; and Sandra Roe, treasurer. Faculty advisors were Mr. Joe Mullins and Mr. Edward Phillips, co-chairmen; Mr. Robert Barngrover, Miss Elizabeth Calhoun, Mrs. Louis Blanche Greenlee, Mrs. Haven Jones, Mr. Paul Kendall, Mr. Ed Maddox, Miss Elizabeth McIntosh, Mrs. Geraldine Philapy, Miss Helen Railsback, Mr. Kenneth Warthen, Mr. Earl Wilson, and Mr. Shirl Wray.

Seniors - Touching Success

Mike Fenn, Barbara Vaught, Larry Cook and Joe Snyder led the senior class through a successful year.

At last, after three years of hard work and expectation, the confused freshmen of '52 have become the confident seniors of '56.

The class accepted their responsibility with pride and enthusiasm. They showed their leadership by participation in Student Council, a wide range of clubs and athletics, and by managing such organizations as Boys' Legion and Girls' League. Excelling in journalism, they handled the various publications with ease, and with similar talents in dramatics they gave us many outstanding performances on the stage. The class also has established a high scholastic average. To head their efforts, they chose as officers Mike Fenn, president; Joe Snyder, vice-president; Barbara Vaught, secretary; and Larry Cook, treasurer.

Always there when needed were the class sponsors, Mr. Kenneth Crook, Miss Lilith Farlow, Mr. Charles Franklin, Mrs. Frank Kern, Mr. Fred Mustard, Miss Lyla Sill, and Miss Chestina Williams.

A lot of us came up with the same answers in physics class, but that was because we worked together.

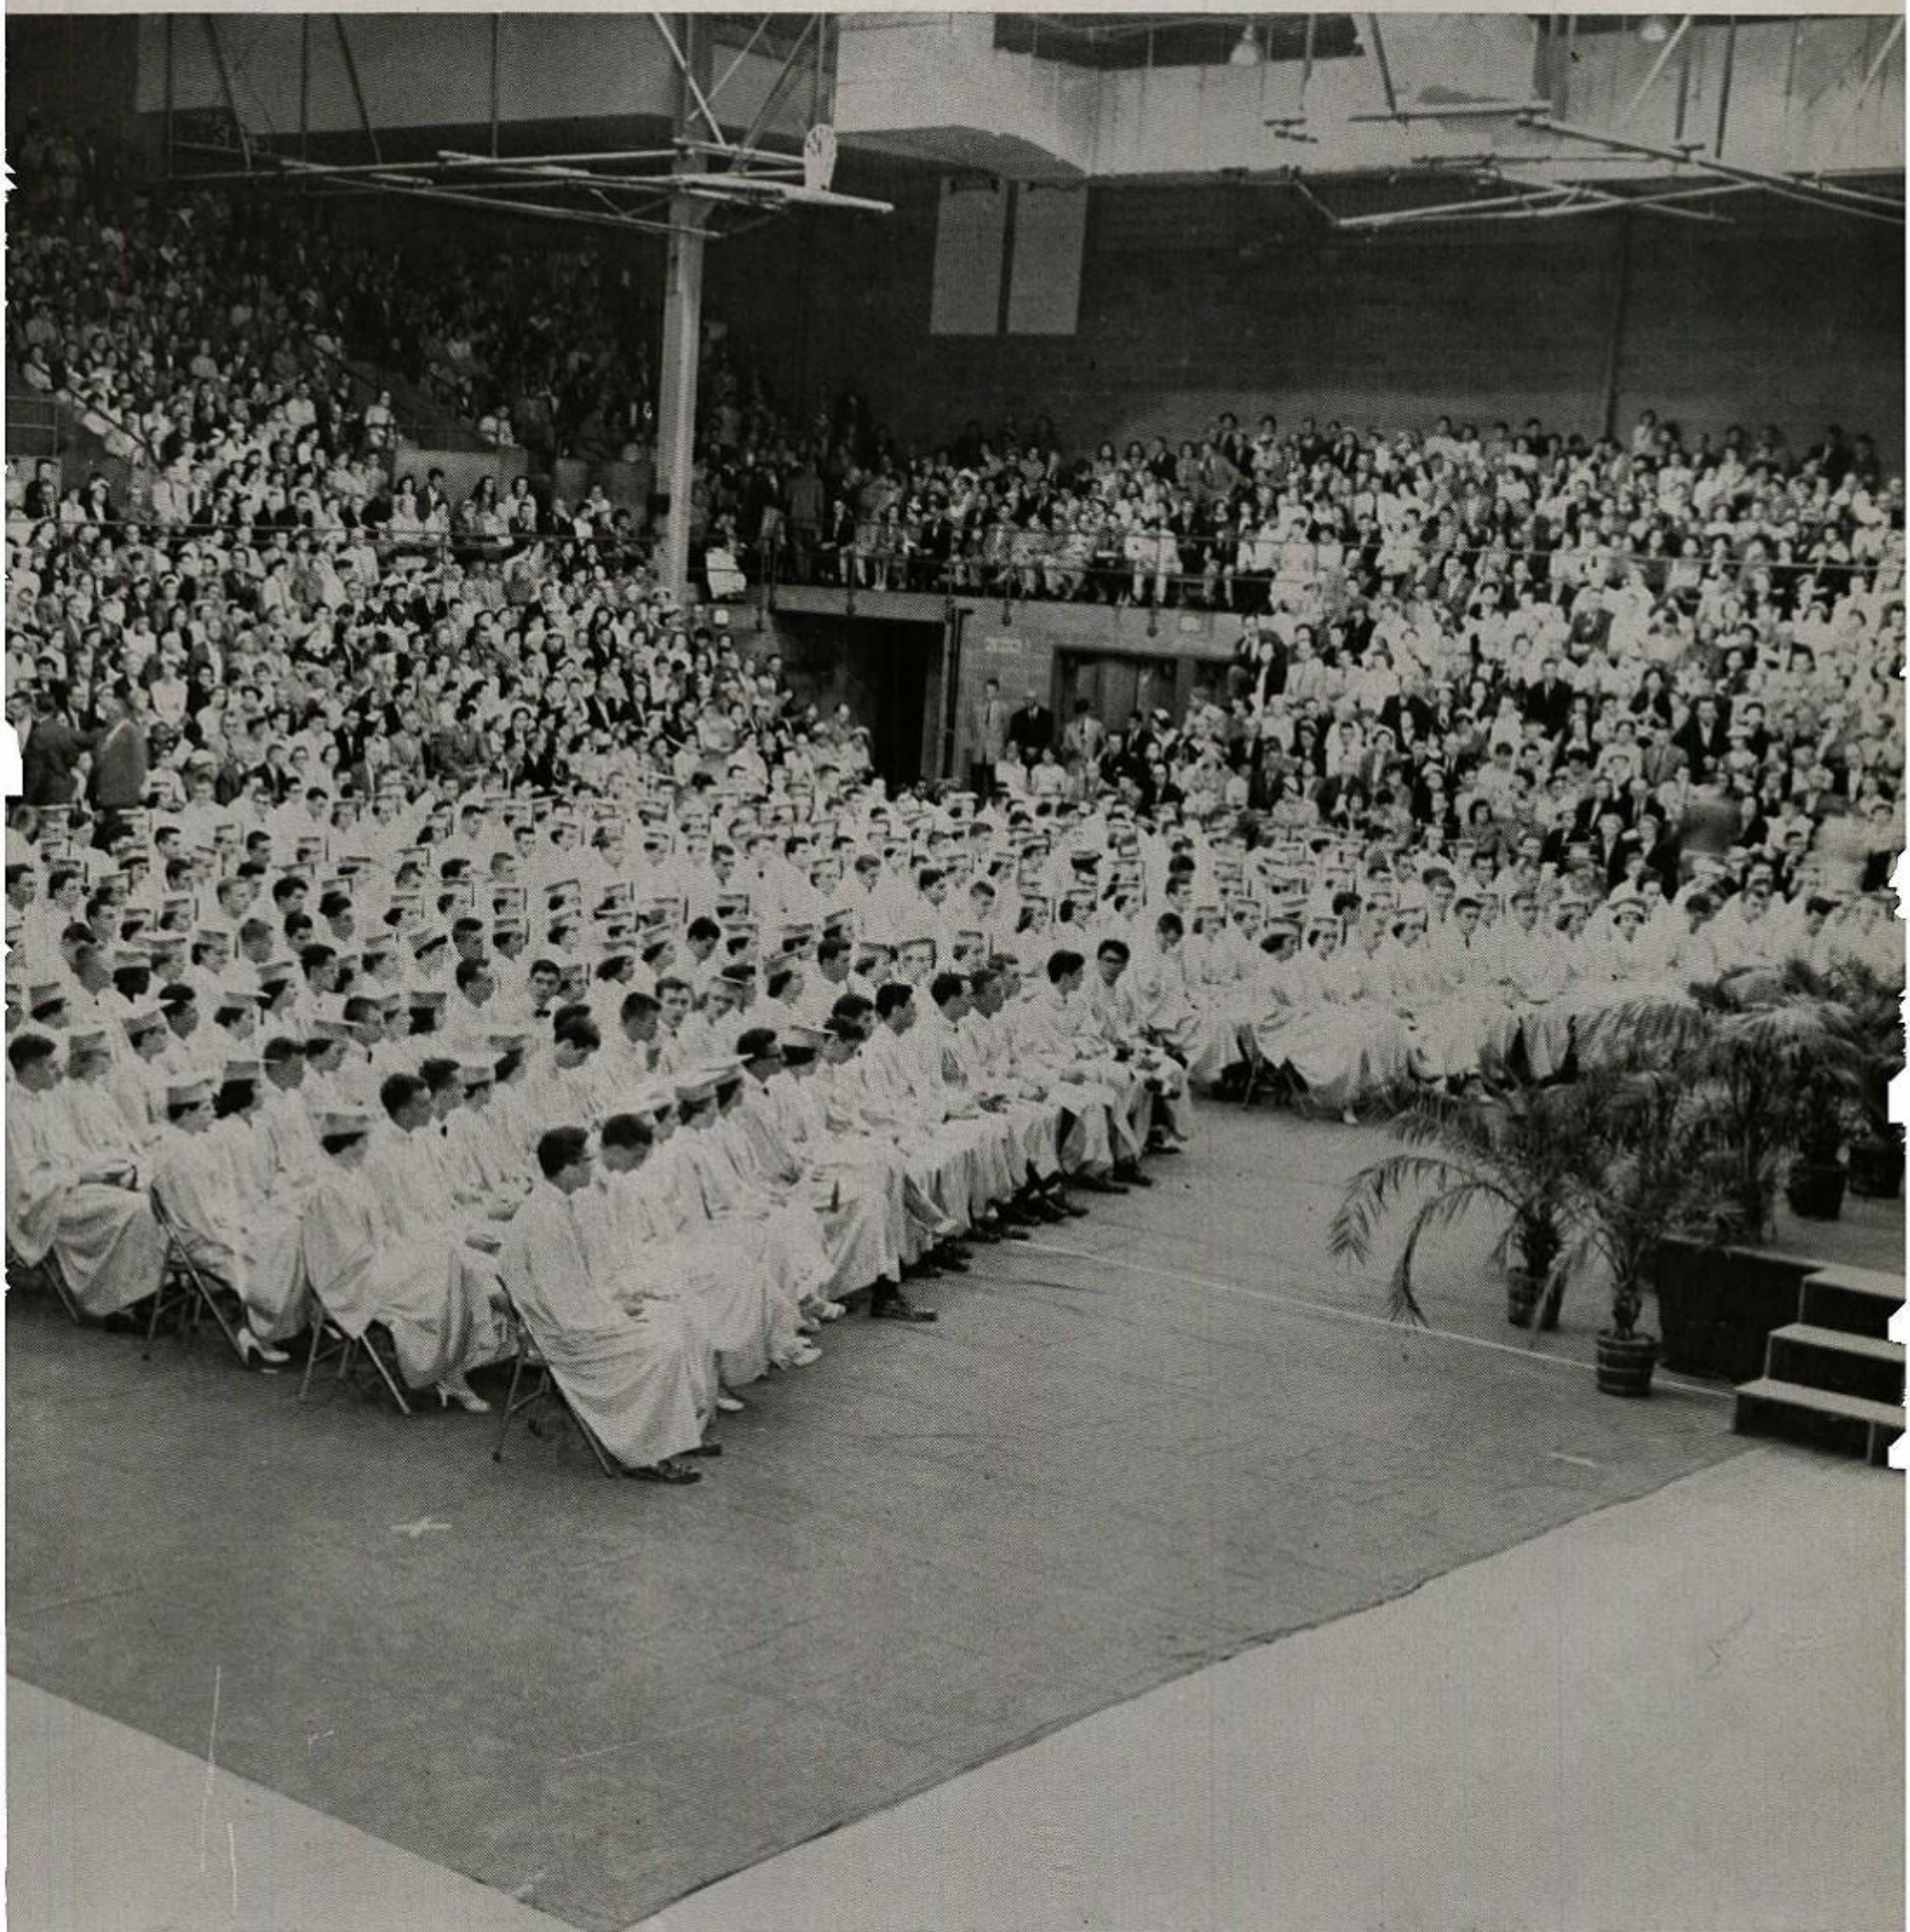

Judy Tubbs, Jerry Hartley, Fred Hipsher and Al Mitzelfelt found that having a flat tire shortened their lunch hour a good bit.

FAREWELL

With the turning of this page,, we regretfully bring 1956 to a close at KHS. It has been a wonderful year, rich in adventure and experience; a year long to be remembered by all of us. Although we cling desperately to the memories of good times had together, there is deep in every heart a sincere desire to meet the challenge of later life, for in reality, we are not ending "the best years of our lives," but starting afresh in a new and greater era, abounding in economic wealth and social opportunity. It is with this thought in mind that we say farewell to our years at KHS and look ahead to a bright and hopeful future.
